INDEPENDENT AUDITOR'S REPORT

Seattle

We have audited the accompanying financial statements of the Somerset Parkside Apartments (Contract Number 80-RHC-07) (the Project), a project of the Capitol Area Development Authority (Authority) as of and for the fiscal years ended June 30, 2012 and 2011, as listed in the table of contents. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note A, the financial statements present only the Project and do not purport to, and do not, present fairly, the financial position of the Authority as of June 30, 2012 and 2011, and the changes in its financial position and its cash flows for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Project as of June 30, 2012 and 2011, and the changes in its financial position and its cash flows for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have issued our report dated December 7, 2012 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information on pages 11 to 16 is presented for purposes of additional analysis and is not a required part of the financial statements. The supplemental information on pages 13 to 16 is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information on pages 13 to 16 is fairly stated in all material respects in relation to the financial statements as a whole. The supplemental information on pages 11 to 12 are required by Housing and Community Development and the Project sponsor. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on the information.

A Project of the Capitol Area Development Authority
Notes to the Financial Statements
For the Fiscal Years Ended June 30, 2012 and 2011

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### General

Somerset Parkside Apartments (Project) is a 26-unit apartment complex located in downtown Sacramento, California. It provides housing for eligible low-income families under the State of California Department of Housing and Community Development (HCD) Rental Housing Construction Program (RHCP). This program provides long-term financing to construct the housing project and monthly annuities to fund operating deficits.

In accordance with a regulatory agreement dated April 8, 1982, the Capitol Area Development Authority (Authority) manages the Project. The Authority is a joint powers agency with a Board of Directors comprised of appointees of the City of Sacramento (City) and the State of California. The accompanying financial statements are not intended to present fairly the financial position or changes in financial position and cash flows of the Authority in conformity with accounting principles generally accepted in the United States of America.

#### **Basis of Presentation**

The Project is accounted for using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows occurs. The Project distinguishes operating from non-operating revenues and expenses. Operating revenues and expenses generally result from providing services in connection with the Project's ongoing operations. The principal operating revenue of the Project is rental income from tenants of its housing units. Operating expenses for the Project include employee services, administrative expenses, maintenance and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. When both restricted and unrestricted resources are available for use, it is the Project's policy to use restricted resources first, then unrestricted resources as needed.

Pursuant to Governmental Accounting Standards Board (GASB) Statement No. 20, Accounting and Financial Reporting for Proprietary Funds and other Governmental Entities that use Proprietary Fund Accounting, the Authority has elected not to apply the provisions of all relevant pronouncements of the Financial Accounting Standards Board (FASB) issued after November 30, 1989.

#### Cash, Cash Equivalents and Restricted Cash

The Project participates in the City's investment pool. The City Treasurer pools cash and other City funds and invests to maximize income consistent with safe and prudent investment practices within the guidelines of the City's investment policy. The City, as a charter city, has adopted its own investment guidelines to guide investment of City funds by the Treasurer. These guidelines are consistent with the requirements of California Government Code Section 53601. The City Council provides regulatory oversight of the City's investment pool and reviews its investment policy on a quarterly basis. The estimated fair value of investments in the pool is based upon quoted market prices. However, the value of the pool shares in the City's investment pool that may be withdrawn is determined on an amortized cost basis, which is different than the fair value of the Project's position in the pool.

(Contract Number 80-RHC-007)
A Project of the Capitol Area Development Authority
Notes to the Financial Statements (Continued)
For the Fiscal Years Ended June 30, 2012 and 2011

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Cash, Cash Equivalents and Restricted Cash (Continued)

The City's investment pool is unrated and the weighted average maturity is 1.89 years at June 30, 2012 and 1.42 years at June 30, 2011. At June 30, 2012 and 2011, the entire amount of the Project's cash and cash equivalents and restricted cash are invested in the City's investment pool. Detailed disclosures, including investment policies and associated risk policies, regarding the Project's cash and investments are included in the notes to the Authority's basic financial statements.

For purposes of the statements of cash flows, the Authority considers cash and cash equivalents to include all pooled cash and investments, including restricted account balances, as these pooled balances have the general characteristic of a demand deposit account. Restricted cash includes replacement reserves and tenant security deposits.

#### Capital Assets

Capital assets, which are defined by the Authority as assets with an initial, individual cost of more than \$3,000 and an estimated useful life beyond one year, are stated at cost. Depreciation is calculated using the straight-line method over an estimated useful life of between 10 to 30 years. Maintenance and repair costs are expensed as incurred.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

#### NOTE B – TENANT SECURITY DEPOSITS

The Project collects security deposits from tenants at the inception of the tenant lease. These deposits, which are reported in these financial statements as restricted cash, are refundable to the tenants to the extent there are no unpaid rents or damages to the housing unit. Tenant security deposits held as of June 30, 2012 and 2011 amounted to \$8,350 and \$9,540, respectively.

(Contract Number 80-RHC-007)
A Project of the Capitol Area Development Authority
Notes to the Financial Statements (Continued)
For the Fiscal Years Ended June 30, 2012 and 2011

#### NOTE C - CAPITAL ASSETS

				(49,417)		eases - -		
Buildings and improvements  Less accumulated depreciation for:		1,448,531		-		eases		1,448,531

#### NOTE D - REPLACEMENT RESERVES

Replacement reserves, which are reported in these financial statements as restricted cash, are funded monthly to provide for future major additions, repairs or replacements. The replacement reserve activity for the fiscal years ended June 30 is as follows:

	2012	2011
Beginning balance	\$ 15,253	\$ 9,452
Interest earned	608	270
Required deposits	18,000	6,400
Authorized expenditures	(3,917)	(869)
Ending balance	\$ 29,944	\$ 15,253

(Contract Number 80-RHC-007)
A Project of the Capitol Area Development Authority
Notes to the Financial Statements (Continued)
For the Fiscal Years Ended June 30, 2012 and 2011

#### NOTE E - UNEXPENDED PROGRAM PAYMENTS

As stated in Note A, the HCD Rental Housing Construction Program provides operating funds to the Project to cover the operating costs not covered by rental revenues. For the fiscal year ended June 30, 2012, unexpended payments due back to HCD were less than the HCD authorized annuities by \$3,515. For the fiscal year ended June 30, 2011, unexpended payments due back to HCD was less than the HCD authorized annuities by \$23,318.

In determining the qualifying operating costs, HCD disallows certain expenses reflected in these financial statements. Specifically excluded are depreciation expense, repairs paid out of replacement reserves and asset acquisitions exceeding the authorized budget. For the fiscal years ended June 30, 2012 and 2011, rental and program revenues exceeded qualifying operating costs by \$16,461 and \$8,987 respectively. Net unexpended program payments are reported as Due to State - HCD on the Project's statements of net assets.

The activity in the account for the fiscal years ended June 30, are as follows:

	2012		 2011
Due to State-HCD, beginning balance	\$	12,946	\$ 36,264
Excess program payments for the current year HCD reductions		16,461 (12,946)	8,987 (32,305)
TICD reductions		(12,940)	(32,303)
Due to State-HCD, ending balance	\$	16,461	\$ 12,946

#### NOTE F - LEASED PROPERTY

The land on which the Project is located is owned by the State of California. On June 12, 1981, a 60-year operating lease was entered into between the Authority and the State of California. This lease is without cost, therefore, it is not reflected in these financial statements.

The State of California or the Authority may terminate the lease at any time by giving 60 days notice. Should this lease be terminated, the developmental ground lease will be honored by the State on behalf of the Authority.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

We have audited the financial statements of Somerset Parkside Apartments (Contract Number 80-RHC-007) (Project), a project of the Capitol Area Development Authority (Authority), as of and for the fiscal year ended June 30, 2012, and have issued our report thereon dated December 7, 2012. Our report includes an explanatory paragraph describing that the financial statements present only the Project of the Authority. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control Over Financial Reporting**

Management of the Authority is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Authority's internal control over the Project's financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over the Project's financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over the Project's financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

www.mgocpa.com

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Project's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, the State of California Department of Housing and Community Development and is not intended to be and should not be used by anyone other than these specified parties.
