

ART on 900 O Street

Community workshop to create a master plan for the 900 Block of O Street

The workshop aims to create a new vision for the block that integrates public art into a re-imagined, climate-adapted landscape where people can more easily gather, play, and enjoy the block as they pass through it. The workshop will be held twice, giving participants the option of attending at convenient time.

Thursday, February 27th

Stanley Mosk Library & Courts Building
914 Capitol Mall Room 500
Sacramento, CA 95814
