## BACKGROUND

On November 12, 2019, CACDC and Cyrus Youssefi formed 1322 O St Investors LP pursuant to an Agreement of Limited Partnership ("Original LPA") to develop, construct, and operate an affordable housing project at 1322 O Street (the "Project").

At the November 13, 2019 meeting, the Board authorized execution of a Development Ground Lease with the State of California for 1322 O Street that allowed for development of a 58-unit affordable housing project; approved a predevelopment loan for $850,000 to cover all predevelopment costs to be repaid at project financing close of escrow; approved a Gap Financing Loan of $2.5 million; and authorized the filing of a CEQA Notice of Exemption.

On February 18, 2020, CADA entered into a contract with Tricorp Group, Inc. ("Tricorp") for Design-Assist Services from schematic design through the preparation of the final construction documents for the Project at a cost of $47,000. This contract included an option for a Guaranteed Max Price (GMP) Proposal.

At the May 15, 2020 meeting, the CADA Board authorized an increase of the CADA Gap Financing Loan from $2.5 million to $4.5 million.

On December 9, 2020, the Project was awarded tax credits and bonds. The California Debt Limit Allocation Committee regulations require close of financing and commencement of construction within 180 days, which is June 7, 2021.

On December 27, 2020, Congress signed into law a fixed 4% floor for the low-income housing tax credit (LIHTC) rate to increase equity and thus boost the future supply of affordable rental housing.

On January 28, 2021, the project received a $10 million award for the California Department of Housing and Community Development Transit-Oriented Development (TOD) funds, which was the final piece of public gap financing needed to fund the project and allow for start of construction.

On March 19, 2021, the Board adopted a resolution authorizing the Executive Director to increase the Predevelopment Loan from CADA to the Partnership from $850,000 to $1.1 million; and to assign the Predevelopment Contracts from CADA to the Partnership.

## ANALYSIS

### 1. AMENDED AND RESTATED AGREEMENT OF LIMITED PARTNERSHIP

The Amended LPA defines how the Partnership will make business decisions, and is included as **Attachment 1**. Major sections in the Amended LPA include delineation of rights and responsibilities, allocation of profits or losses, exercise of management, accounting and general record keeping, conflict resolution, ownership structure alteration, and Partnership dissolution and termination of business. As specified in the Amended LPA, "The exclusive purpose of the Partnership is to acquire, construct, own and operate the Apartment Housing in order to provide affordable housing to needy and distressed persons of Sacramento County, California in furtherance of the charitable purpose of the Managing General Partner."

Limited partnership structures have at least one general partner, and limited partners are protected from liability for debts of the partnership. In return for having limited liability, the limited partners give up management power to the general partners who run the business of the partnership. General partners remain liable for the undertakings of the partnership and are rewarded financially for the liability burden. In the case of affordable housing projects, the general partners are liable for

completion of projects in accordance with approvals, and operation of projects in accordance with restrictive covenants that govern affordability. Financial rewards to the general partners include both developer fees and management fees.

**Attachment 2** is the Post-Close Organizational Chart. Of immediate significance are the Administrative General Partner (Cyrus Youssefi) and the Managing General Partner (CACDC). When the Board approved creating the original LPA, it was expected that staff would return to the Board to approve an Amended LPA once tax credit financing was secured for the Project so that the tax credit investor could enter the Partnership to provide the financing. There are two limited partners entering into the Partnership, both entities of WNC, an affordable housing investor. The Amended LPA requires WNC contribute $1.1 million in tax credit equity at close of escrow and its remaining $5.7 in equity at project completion and stabilization.

| | |
|---|---|
| The Partnership: | 1322 O St Investors LP |
| Managing General Partner: | CACDC |
| Administrative General Partner: | Cyrus Youssefi |
| Limited Partner: | WNC Holding, LLC |
| Special Limited Partner | WNC Housing, LP |

**CACDC Responsibilities**

CACDC, in its role as the Managing General Partner, will manage and control the affairs of the Partnership, use best efforts to carry out the purpose of the Partnership, and devote such time as is necessary to the affairs of the Partnership. In short, CACDC will have the day-to-day responsibility of managing and operating the Project, and ensuring fulfillment of the administrative duties of the Partnership. Both General Partners, including the CACDC, are required to provide a guarantee to WNC for project delivery, lease up, tax certification and various other tax issues under the terms of the Amended LPA. In no event would the guarantee exceed the total amount of the WNC investment, which is $6.8 million.

CACDC also has a unique role because of its Section 501(c)(3) tax-exempt status. Pursuant to Revenue & Taxation Code Section 214(g), the Partnership is eligible for California property tax exemption because the qualified low-income housing project is owned by a limited partnership in which the managing general partner is an eligible nonprofit corporation. To qualify for a property tax exemption, CACDC must apply for a welfare exemption as required in the Amended LPA.

**Cyrus Youssefi's Responsibilities**

Cyrus Youssefi, in his role as Administrative General Partner, will provide advice and support to the Managing General Partner as needed. The Partnership anticipates that Mr. Youssefi will withdraw from the Partnership following stabilization of the project (six to nine months after completion), after which CACDC will be the sole general partner.

The Partnership signed a Residential Management Agreement with Mr. Youssefi's company, CFY Development, to provide property management services (see **Attachment 3**). As part of the California Tax Credit Allocation Committee (CTCAC) regulations, a threshold requirement is that the "experienced" property manager remains with the project for at least the first three years. (CTCAC defines experience as managing at least two LIHTC projects in California for more than three years.) For continuity of service and ease of underwriting, CFY Development will retain its role as the management agent for at least the first three years.

During the course of construction through project stabilization, Mr. Youssefi is also required to provide guarantees to both WNC and JP Morgan Chase, the project's construction and permanent lender, for

project delivery, lease up, and tax certification. Because of his limited role in day to day construction oversite and project operation, Mr. Youssefi requested that CADA indemnify him against any claims made pursuant to the guarantees. Staff considers this request to be reasonable. **Attachment 4** is the term sheet for the side letter between CADA and Mr. Youssefi.

In anticipation of Mr. Youssefi's withdrawal from the Partnership following completion and stabilization of the project, WNC has approved CADA as a substitute guarantor and preliminarily approved a guarantee limit of $3 million. The limit of CADA's guarantee, however, is subject to further agreement by investors in the WNC fund, which is scheduled to be finalized this summer. In no event would the guarantee exceed the total amount of the investment, which is $6.8 million. If WNC requires an increase in the guarantee that staff believes to be unreasonable, staff will bring alternative solutions to the Board for consideration. Staff have been advised that an unreasonable guarantee demand is unlikely to occur.

## 2. PROJECT FINANCING

### Construction and Permanent Financing

JP Morgan Chase will provide a construction loan in the amount of approximately $15.5 million. CADA's $1.5 million soft loan will be used as a financing source for construction, as will approximately $1.1 million in tax credit equity from WNC and approximately $1 million of the deferred developer fee. Upon project completion and conversion to permanent financing, HCD will provide a $10 million TOD permanent loan, WNC will make its final tax credit equity payment of $5.8 million, and approximately $1.5 million of Chase's construction loan will convert to a 35-year permanent loan at an interest rate of 4.32%.

Project financing escrow is scheduled to close on May 28th which will allow the project to meet CDLAC's deadline for construction start of June 7.

**Tables 1 and 2** below outline the permanent financing sources and uses. Please note that these amounts are subject to change as final costs are solidified. Changes from estimates presented in January are noted.

| **Total** | **$ 18,382,484** | **$ 20,890,551** | **$ 2,508,065** |

**Increased Project Costs and Funding Sources**

The general contractor, Tricorp, has established a Guaranteed Maximum Price (GMP) of approximately $14.2 million, which is approximately $749,000 over Tricorp's preliminary estimate as shown in **Table 2**. The GMP is based on subcontractor bids received in May. The majority of the increased cost amount is because of increased lumber costs. A number of soft costs have also increased including the addition of $400,000 for built-in murphy beds and wardrobes, resulting in a project budget that is approximately $2.5 over the January estimate, as shown in **Table 1**.

Under the GMP contract, Tricorp is responsible for any cost overruns unless the owner directs a significant change in scope. Any cost savings will be split evenly between 1322 O St Investors LP and Tricorp, which incentivizes Tricorp to save costs.

To cover the additional costs, the amount of tax credit equity, the deferred development fee, and the CADA loan have all increased as indicated in **Table 2**.

**CADA Gap Financing Loan**

The Board authorized the proposed terms of the CADA Gap Financing Loan at the November 2019 meeting. Attached for Board action are the loan agreement and promissory note (see **Attachments 5 and 6**).

The CADA Gap Loan is $1.5 million. However, a U.S. Treasury Department ruling could require an increase in the CADA loan to approximately $4 million. At the end of 2020, Congress approved legislation setting a Low Income Housing Tax Credit floor rate of 4%. The 4% floor is beneficial because it increases the amount of tax credit equity available to the project. However, because tax credits for this project were approved prior to establishment of the floor, it is uncertain whether it will apply retroactively to this project. If the Treasury Department rules that the LIHTC rate floor is not applicable, the amount of tax credit equity will be reduced and will need to be offset by increasing the amount of the CADA loan up to $4 million as set forth in the above Recommended Action #2 to be taken by CADA. (The Board approved a loan of up to $4.5 million in May 2020.)

**3. CONTRACTS**

The City Building Department completed their building permit review on April 21, 2021. A requirement for building permit approval was identification of the firm and tests to be completed for special inspections for structural steel/wood and reinforced concrete/masonry work during construction. Staff solicited bids from three firms, and among the firms, Krazan & Associates ("Krazan") had the lowest cost at $64,514. Staff entered into this contract to fulfill this condition for building permit approval.

Assignment of predevelopment contracts from CADA to the Partnership, as previously approved by the Board, has not yet occurred because the Amended LP needed to be finalized first, which establishes contract insurance limits. Following execution of the Amended LPA, CADA will assign the relevant contracts to the Partnership, including the Krazan contract.

## 4. CONSTRUCTION SCHEDULE

**Table 3** provides an outline of the construction schedule, which is planned to commence in June 2021 and last 17 months through November 2022.

| **Table 3 – Construction Schedule** | | | | | | |
|---|---|---|---|---|---|---|
| | 2021 | | 2022 | | | |

## FINANCIAL IMPACT

### CADA Predevelopment Loan

When project financing closes by June 7, 2021, the Partnership will reimburse CACDC for the predevelopment loan, and CACDC will repay its predevelopment loan with CADA for predevelopment expenses. CADA approved a loan of up to $1.1 million to the Partnership for predevelopment work leading to construction of the project. To date, $791,204 has been expended or encumbered.

### Permanent Financing

Given the complexity of the financing and the number of participants, there are numerous agreements related to the financing. **Attachment 7** is a list of the financing documents.

Following project completion and conversion to permanent financing, the Partnership will make the following annual payments for the Financing Sources shown in **Table 1** above:

- Approximately $82,000 to Chase Bank for its 35-year term $1.5 million permanent loan at 4.32% interest.

- $42,000 to California Department of Housing and Community Development (HCD) for its a 55-year term $10 million permanent nonrecourse loan bearing at 3% simple interest with all outstanding principal due at maturity.

Repayment of the CADA Gap Financing Loan will begin after payoff of the Deferred Developer Fee (in year 15) and as cash flow permits.

### Development Fee

When construction financing is converted to permanent financing at construction completion, the non-deferred portion of the development fee of approximately $1.3 million will be split with 2/3rds distributed to CACDC and 1/3rd to Mr. Youssefi. The remaining deferred portion of the developer fee of approximately $1.1 will be paid to the general partners from project cash flow over the 15-year period following project completion. Based on agreement between Mr. Youssefi and CACDC, Mr. Youssefi will be paid his portion of the deferred developer fee in full prior to payment to CACDC.

## Budget Amendment

The foregoing actions require a budget amendment with funds to come from the 2020 bond for the following:

- Increase the previously authorized Gap Financing Loan by $643,147 to $1.5 million
- Increase the project budget by approximately $65,000 to cover the Krazan and Associates special inspections during construction
- Increase the project budget by $100,000 to cover the cost of a Letter of Credit to satisfy the City's requirement that CADA provide a letter of credit to guarantee that off-site improvements will be completed. The $100,000 will be returned upon acceptance of such improvements by the City

## CONTRACT AWARD CONSIDERATIONS

Staff is requesting Board approval to execute the Krazan contract because the contract amount exceeds the $50,000 limit of the Executive Director's authority to approve professional services contracts.

At any time during construction and prior to Completion of Construction and Permanent Mortgage Commencement, if the Special Limited Partner or the Construction Lender, in good faith, determines either that the actual construction and development costs exceed the Development Budget (excluding the unpaid portion of the

Any such loan will bear simple interest (not compounded) at the 10-year Treasury money market rate in effect as of the day of the General Partner loan, or, if lesser, the maximum legal rate, will be repaid from Net Operating Income, as provided in Section 11.1, and will be due at the earlier of a Sale or Refinancing or upon the 20th anniversary of the achievement of Breakeven Operations. The terms of any such loan will be evidenced by a written instrument. The General Partner will not charge a prepayment penalty on any such loan. Within 60 days after the General Partner receives written demand from the Limited Partner and/or the Special Limited Partner, the General Partner shall repurchase the Limited Partner's Interest and/or the Special Limited Partner's Interest in the Partnership by refunding to it in cash 110% of the full amount of the Capital Contribution which the Limited Partner and/or the Special Limited Partner has theretofore made in the event that, for any reason, the Partnership fails to:

(k) ensure that at least 50% of the aggregate basis of the buildings and land comprising the Apartment Housing is financed with the proceeds of the Tax-Exempt Bonds, as provided in Code Section 42(h)(4); or

(l) prior to placement in service of the Apartment Housing, ensure that there is no redemption or determination of taxability of the Tax-Exempt Bonds.

**Section 7.4 Adjustment of Capital Contributions.**

(a) The amount of the Limited Partner's Capital Contribution was determined, in part, upon the amount of Tax Credits that were expected to be available to the Partnership at a cost of $0.85 for each dollar of Tax Credit received, and was based on the assumption that the Partnership would be eligible to claim the Projected Tax Credits. If the amount of Projected Tax Credits to be allocated to the Limited Partner, as evidenced by IRS Form 8609, Schedule A thereto, or by the tax certification required in accordance with Section 7.2, is different than 99.98% of $8,031,673, then the new Projected Tax Credit amount, if applicable, will be referred to as the "**Revised Projected Tax Credits.**" The Limited Partner's Capital Contribution provided for in Section 7.2 will be equal to 85% times the Projected Tax Credits or the Revised Projected Tax Credits, if applicable, anticipated to be allocated to the Limited Partner and Special Limited Partner. If any Capital Contribution adjustment referenced in this Section 7.4(a) is a reduction which is greater than the remaining Capital Contribution to be paid by the Limited Partner, then the General Partner will have 90 days from the date the General Partner receives notice from the Limited Partner to pay the shortfall. The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner unless such Capital Contribution could, in the opinion of the Limited Partner, result in a re-allocation of Tax Credits at any time during the Tax Credit Period, in which event such payment

will be characterized as a payment from the General Partner to the Limited Partner for breach of warranty and the General Partner will not receive any Capital Account credit for such payment. Notwithstanding anything to the contrary in this Agreement, the General Partner's Capital Contribution required to be paid by this Section will be disbursed to the Limited Partner as a return of capital. If the Capital Contribution adjustment referenced in this Section 7.4(a) is an increase, then the Limited Partner will have 60 days from the date the Limited Partner has received notice from the General Partner to pay the increase, subject to the limitations set forth in Section 7.4(e).

(b) The General Partner is required to use its best efforts to rent 100% of the Apartment Housing's apartment units (other than the manager's unit) to Qualified Tenants throughout the Compliance Period. If, at the end of any calendar year following the year in which the Apartment Housing is placed in service, the Actual Tax Credit for the applicable fiscal year or portion thereof is or will be less than the Projected Annual Tax Credit, or the Projected Annual Tax Credit as modified by Section 7.4(a), if applicable (the "Annual Credit Shortfall"), then the next Capital Contribution owed by the Limited Partner shall be reduced by the Annual Credit Shortfall amount, and any portion of such Annual Credit Shortfall in excess of such Capital Contribution will be applied to reduce succeeding Capital Contributions of the Limited Partner. If the Annual Credit Shortfall is greater than the Limited Partner's remaining Capital Contributions, then the General Partner shall pay to the Limited Partner the excess of the Annual Credit Shortfall over the remaining Capital Contributions. The General Partner will have 60 days to pay the Annual Credit Shortfall from the date the General Partner receives notice from the Limited Partner. The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner unless such Capital Contribution could, in the opinion of the Limited Partner, result in a re-allocation of Tax Credits at any time during the Tax Credit Period, in which event such payment will be characterized as a payment from the General Partner to the Limited Partner for breach of warranty and the General Partner will not receive any Capital Account credit for such payment. Notwithstanding anything to the contrary in this Agreement, the General Partner's Capital Contribution required by this Section will be disbursed to the Limited Partner as a return of capital.

(c) The General Partner has represented, in part, that the Limited Partner will receive Projected Annual Tax Credits of $669,172 in 2023 and $803,007 in 2024. In the event the 2023 or the 2024 Actual Tax Credits are less than projected then the Limited Partner's Capital Contribution will be reduced by an amount equal to 75% times the difference between the Projected Annual Tax Credits for 2023 or 2024 and the Actual Tax Credits for 2023 or 2024. If, at the time of determination thereof, the Capital Contribution adjustment referenced in this Section 7.4(c) is greater than the balance of the Limited Partner's Capital Contribution payment which is then due, if any, then the excess amount shall be paid by the General Partner to the Limited Partner within 60 days of the General Partner receiving notice of the reduction from the Limited Partner. The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner unless such Capital Contribution could, in the opinion of the Limited Partner, result in a re-allocation of Tax Credits at any time during the Tax Credit Period, in which event such payment will be characterized as a payment from the General Partner to the Limited Partner for breach of warranty and the General Partner will not receive any Capital Account credit for such payment. Notwithstanding anything to the

contrary in this Agreement, the General Partner's Capital Contribution required by this Section will be disbursed to the Limited Partner as a return of capital.

(d) In the event there is: (1) a filing of a tax return by the Partnership evidencing a reduction in the qualified basis or Eligible Basis of the Apartment Housing causing a recapture of Tax Credits previously allocated to the Limited Partner or an adjustment to Schedule K-1 or a reduction or loss of future Tax Credits; (2) a filing of a tax return by the Partnership evidencing a disposition of the Apartment Housing prior to the expiration of the Compliance Period causing a recapture of Tax Credits previously allocated to the Limited Partner, or an adjustment to Schedule K-1, or a loss of future Tax Credits; (3) an IRS review, examination, or audit which results in a settlement, mutual agreement, or IRS decision reducing or recapturing Tax Credits previously claimed, imposing a penalty, including but not limited to penalties under Code Section 6662(b)(6) or Code Section 6662(i) relating to tax benefits that are determined to lack economic substance, (4) a decision by any court or administrative body upholding an assessment of deficiency against the Partnership with respect to any Tax Credit previously claimed or the amount of income or losses previously claimed, in connection with the Apartment Housing, unless the Partnership timely appeals such decision and the collection of such assessment will be stayed pending the disposition of such appeal; or (5) a decision of a court affirming such decision upon such appeal then, in addition to any other payments to which the Limited Partner and/or the Special Limited Partner are entitled under the terms of this Section 7.4, the General Partner shall pay to the Partnership or the Limited Partner if there is a Push-Out Election (as defined in Section 17.6(c)(iv) within 60 days of receiving notice from the Limited Partner the sum of (A) the amount of the Tax Credit recapture, (B) any interest or penalties imposed on the Limited Partner with respect to such adjustment; (C) an amount equal to the product of the Tax Credit pricing percentage referenced in Section 7.4(a) and future Tax Credits unable to be taken due to one of the above actions; and (D) an amount sufficient to pay any tax liability owed by the Limited Partner resulting from the receipt of the amounts specified in (A), (B), and (C). The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner. Notwithstanding anything to the contrary in this Agreement, the General Partner's Capital Contribution payment required by this Section 7.4(d) shall first be used to pay any taxes, penalties and interest due to the IRS if no Push-Out Election has been made, and any remaining balance will be disbursed to the Limited Partner as a return of capital.

(e) Notwithstanding any other provision in this Section, (i) any increase in the Capital Contribution of the Limited Partner pursuant to Section 7.4(a) will be subject to the Limited Partner having funds available to pay any such increase at the time of its notification of such increase, (ii) in no event will the Limited Partner's additional Capital Contribution exceed 5% of its aggregate Capital Contribution pursuant to Section 7.2, and (iii) the price paid for any increase in Tax Credits will be the lesser of the price stated in Section 7.4(a) or the current market price at the time of such payment as determined by the Special Limited Partner. For these purposes, any funds theretofore previously earmarked by the Limited Partner to make other investments, or to be held as required reserves, will not be considered available for payment hereunder. If the Limited Partner does not make an additional Capital Contribution as a result of the limitation in (i) of this Section 7.4(e), or is willing to make a partial additional Capital Contribution, then within thirty (30) days after receipt of such notice, the General Partner shall have the right to increase its own Interest by the reduction in the Limited Partner's and/or Special

Limited Partner's Interest and be allocated the additional Tax Credits not purchased by the Limited Partner, provided, however, that the Limited Partner's and/or Special Limited Partner's Interest shall not be reduced to less than 95% of the Partnership's total Interests.

(f) The General Partner hereby represents, warrants and covenants that the Partnership (i) will have approximately $920,971 of site improvements and $584,121 of personal property at the Apartment Housing that are eligible for bonus depreciation under Code Section 168(k) for 2022, and (ii) will elect to depreciate the assets described in clause (i) above under the depreciation methods described in clause (i) above, no later than 2022 (the depreciation deductions described in clause (i) above shall be referred to herein as the "Projected Accelerated Depreciation Deductions"). In the event that the Limited Partner determines that the Actual Accelerated Depreciation Deductions for 2022 and/or a later year are less than the Projected Accelerated Depreciation Deductions for 2022 and/or a later year, then the Limited Partner's Capital Contribution will be reduced by $0.005 for each $1.00 by which the Actual Accelerated Depreciation Deductions for 2022 and/or a later year are less than the Projected Accelerated Depreciation Deductions for 2022 and/or a later year (the "Downward Depreciation Adjuster Amount"). If, at the time of determination thereof, the Capital Contribution adjustment referenced in this Section 7.4(d) is greater than the balance of the Limited Partner's Capital Contribution payment which is then due, if any, then the excess amount shall be paid by the General Partner to the Limited Partner within 60 days of the General Partner receiving notice of the reduction from the Limited Partner. The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner unless such Capital Contribution could, in the opinion of the Limited Partner, result in a re-allocation of Tax Credits at any time during the Tax Credit Period, in which event such payment will be characterized as a payment from the General Partner to the Limited Partner for breach of warranty and the General Partner will not receive any Capital Account credit for such payment. Notwithstanding anything to the contrary in this Agreement, the General Partner's Capital Contribution required by this Section will be disbursed to the Limited Partner as a return of capital. If, for any reason the Limited Partner determines based on advice of accountants that any portion of the Actual Accelerated Depreciation Deductions claimed by the Limited Partner is subsequently disallowed, recaptured or otherwise not available to the Limited Partner for any reason (including, without limitation, any determination due to any audit, court proceeding or challenge by the IRS, but not including insufficient income tax liability of the Limited Partner) and the result of such disallowance, recapture or unavailability is that the Actual Accelerated Depreciation Deductions (after taking into account such subsequent disallowance, recapture or unavailability) are less than the Projected Accelerated Depreciation Deductions (such difference between the Projected Accelerated Depreciation Deductions and the Actual Accelerated Depreciation Deductions (after taking into account such subsequent disallowance, recapture or unavailability) is referred to as the "Subsequent Downward Depreciation Adjuster Amount"), then the General Partner shall pay to the Limited Partner an amount equal to the sum of (i) $0.005 for each $1.00 of the Subsequent Downward Depreciation Adjuster Amount, (ii) any fees, penalties or interest charged to the Limited Partner in connection with such disallowance, recapture or unavailability, plus (iii) an amount sufficient to pay any tax liability owed by the Limited Partner resulting from the receipt of the amounts specified in the immediately preceding clauses (i) and (ii). The amount paid by the General Partner pursuant to this Section will be deemed to be a Capital Contribution by the General Partner. Notwithstanding anything to the contrary in this Agreement, the General

Partner's Capital Contribution payment required by this Section will be disbursed to the Limited Partner as a return of capital.

**Section 7.5 Return of Capital Contribution.**

## ARTICLE IX.
## MANAGEMENT AND CONTROL; PAYMENT OF EXPENSES

**Section 9.1 Power and Authority of General Partner.**

CACDC is hereby designated as the initial Managing General Partner. If such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the Administrative General Partner shall designate a substitute Managing General Partner, as approved by the Limited Partner in its sole discretion. However, in the event that a 501(c)(3) non-profit entity is necessary in order to maintain any tax exemptions or abatements, then the Administrative General Partner shall find another 501(c)(3) nonprofit entity to be an additional Managing General Partner. Subject to the Consent of the Special Limited Partner or the consent of the Limited Partner where required by this Agreement, and subject to the other limitations and restrictions included in this Agreement (including without limitation Sections 9.5and 9.6), the Managing General Partner will have complete and exclusive control over the management of the Partnership business, assets and affairs, and will have the right, power and authority, on behalf of the Partnership, and in its name, to exercise all of the rights, powers and authority of a partner of a partnership without limited partners, unless specifically delegated to the Administrative General Partner herein. If there is more than one General Partner, all acts, decisions or consents of the General Partners will require the concurrence of all the General Partners. Notwithstanding the foregoing, the Managing General Partner's vote shall be sufficient in the event of a deadlock. If a General Partner acts without the authorization of all the General Partners then such act, decision, etc. will not be deemed a valid action taken by the General Partners pursuant to this Agreement. No intentional act by a General Partner, or a principal of a General Partner, that violates State or federal law will be deemed to be within the authority of this Agreement and, therefore, the General Partner will be deemed to have acted in its individual capacity and not as an agent of the Partnership. No Limited Partner (except one who may also be a General Partner, and then only in its capacity as General Partner within the scope of its authority hereunder) will have any right to be active in the management of the Partnership's business or investments or to exercise any control thereover, nor have the right to bind the Partnership in any contract,

agreement, promise or undertaking, or to act in any way whatsoever with respect to the control or conduct of the business of the Partnership, except as otherwise specifically provided in this Agreement.

**Section 9.2 Payments to the General Partners and Others.**

(a) The Partnership shall pay to the Developer a Development Fee in the amount of $2,396,296 (or such higher amount as may be allowed by the State Tax Credit Agency at the time of cost certification, with the Consent of the Special Limited Partner which shall not be unreasonably withheld, conditioned, or delayed) pursuant to the Development Agreement, provided, however, that the Development Fee will be reduced prior to the end of the first year of the Tax Credit Period, as necessary, to meet the 50% test for financing development costs from tax-exempt bond proceeds as described in Code Section 42(h)(4)(B), with the amount of such reduction to be determined by the Accountant and approved by the Special Limited Partner. The Development Fee will first be paid from available proceeds in accordance with Section 9.2(b) and, if not paid in full, then the balance of the Development Fee will not bear interest and will be paid in accordance with Section 11.1. If the Development Fee is not paid in full by December 31, 2036, then the General Partner shall make a guaranteed payment to the Partnership in an amount equal to the unpaid amount of the Development Fee, and the Partnership shall immediately forward such amount to the Developer as payment in full of the deferred portion of Development Fee. Such General Partner payment shall not be repayable, will not change the Interest of any Partner and will not constitute a loan or a Capital Contribution. If the General Partner does not advance such funds, then for accounting purposes the unpaid Development Fee will be deemed to have been paid by the General Partner by making a guarantee payment to the Partnership and the Partnership making the payment to the Developer. Upon the Withdrawal of a General Partner for any reason, any unpaid Development Fee will be due and payable upon the effective date of such Withdrawal and the Withdrawing General Partner shall make a guaranteed payment to the Partnership in an amount equal to the unpaid amount of the Development Fee, and the Partnership shall immediately forward such amount to the Developer as payment in full of the deferred portion of Development Fee. If the Withdrawing General Partner does not advance such funds, then for accounting purposes the unpaid Development Fee will be deemed to have been paid by the Withdrawing General Partner making a guarantee payment to the Partnership and the Partnership making the payment to the Developer upon the Withdrawal of the Withdrawing General Partner. For purpose of this Section 9.2(a), any amounts paid by the General Partner will not be repayable, will not change the Interest of any Partner in the Partnership, will not constitute a loan or a Capital Contribution, and the Partnership will neither deduct nor capitalize any amounts paid from the proceeds of the payment by the General Partner hereunder.

(b) The Partnership shall utilize the proceeds from the Capital Contributions paid pursuant to Section 7.2 for costs associated with the development and construction of the Apartment Housing including, but not limited to, land costs, architectural fees, survey and engineering costs, financing costs, loan fees, building materials and labor. If any Capital Contribution proceeds are remaining after the later of Completion of Construction or Permanent Mortgage Commencement and all acquisition, development and construction costs, excluding the Development Fee, are paid in full and the Construction Loan retired, then the remainder will: first be paid to the Developer in payment of the Development Fee; second, be paid to the General

Partner as a reduction of the General Partner's Capital Contribution; and any remaining Capital Contribution proceeds will be paid to the Administrative General Partner as a Partnership oversight fee.

(c) The Partnership shall pay to the Management Agent the Management Fee for the leasing and management of the Apartment Housing in an amount in accordance with the Management Agreement. The term of the Management Agreement will not exceed one year, and the termination, execution or renewal of any Management Agreement will be subject to the prior Consent of the Special Limited Partner. If the Management Agent is an Affiliate of the General Partner ("Affiliated Management Agent") and the General Partner has been removed, the Affiliated Management Agent will be dismissed. If there is an Affiliated Management Agent and there is an Operating Deficit following the termination of the Operating Deficit Guarantee Period or the depletion of the maximum Operating Deficit amount pursuant to Section 6.3(b), whichever occurs first, then 40% of the Management Fee will be deferred ("Deferred Management Fees"). Deferred Management Fees, if any, will be paid to the Management Agent in accordance with Section 11.1.

(1) The General Partner shall, upon receiving any request of the Mortgage Lender requesting such action, terminate the Management Agreement. The General Partner shall also terminate the Management Agreement for cause at the request of the Special Limited Partner. For purposes of this Section, "for cause" means when the Management Agent:

(i) Fails to provide the information required in Section 14.2 or 14.3 of this Agreement after a reasonable opportunity to cure (not to exceed 30 days);

(ii) Declares Bankruptcy, is dissolved, or makes an assignment for the benefit of its creditors;

(iii) Rents an apartment unit to a non-Qualified Tenant as determined by the Special Limited Partner and/or its third party consultant and fails to correct the same by December 31st of the year in which the non-Qualified Tenant commenced its occupancy;

(iv) Fails to correct a possible compliance violation with a tenant file when instructed to do so by the Managing General Partner or Special Limited Partner, or

(v) Violates any provision of the Management Agreement.

(2) The appointment of any successor Management Agent is subject to the Consent of the Special Limited Partner, which may only be sought after the General Partner has provided the Special Limited Partner with accurate and complete disclosure respecting the proposed Management Agent.

(d) The Partnership shall pay to the Limited Partner an annual Asset Management Fee of $5,000, increasing by 3% per year, commencing in 2023 for the Limited Partner's services in assisting with the preparation of tax returns and the reports required in Section 14.2 and Section 14.3. If, in any year, Net Operating Income is insufficient to pay the full Asset

Management Fee, the unpaid portion thereof will accrue and be payable on a cumulative basis in the first year in which there is sufficient Net Operating Income, as provided in Section 11.1 following the payment of other items specified therein, or sufficient Sale or Refinancing Proceeds, as provided in Section 11.2. The General Partner shall ensure that any accrued Asset Management Fee will be reflected in the annual audited financial statement.

(e) The Partnership shall pay to the Administrative General Partner through the Compliance Period an annual Incentive Management Fee equal to 90% of Net Operating Income, payable as provided in Section 11.1 following the payment of other items specified therein. The Incentive Management Fee will be payable commencing in 2023 as payment for the services of the General Partner in overseeing the marketing, lease-up and continued occupancy of the Partnership's apartment units, obtaining and monitoring the Mortgage Loan, maintaining the books and records of the Partnership, selecting and supervising the Partnership's Accountants, bookkeepers and other Persons required to prepare and audit the Partnership's financial statements and tax returns, and preparing and disseminating reports on the status of the Apartment Housing and the Partnership, as required by Article XIV. The Partners acknowledge that the Incentive Management Fee is being paid as an inducement to the General Partner to operate the Partnership efficiently, to maximize occupancy and to increase Net Operating Income. The Incentive Management Fee will be payable upon completion and delivery of the annual audit pursuant to Section 14.2(a). If the Incentive Management Fee is not paid in any year, it will not accrue for payment in subsequent years.

(f) The Partnership shall pay to the Administrative General Partner through the Compliance Period an annual Tax Credit Compliance Fee equal to $5,000, increasing by 3% per year, payable as provided in Section 11.1 following the payment of other items specified therein. The Tax Credit Compliance Fee will be payable commencing in 2023 as payment for the services of the General Partner in ensuring compliance by the Partnership and the Apartment Housing with all Tax Credit rules and regulations. The Tax Credit Compliance Fee will be payable upon completion and delivery of the annual audit pursuant to Section 14.2(a). If the Tax Credit Compliance Fee is not paid in any year, it will not accrue for payment in subsequent years.

(g) The Partnership shall pay to the Managing General Partner through the Compliance Period an annual MGP Fee equal to $5,000 per year, increasing by 3% per year, commencing in 2023, for the services of the Managing General Partner in managing the Partnership and carrying out its duties as listed in Section 9.3(b). The MGP will be payable as provided in Section 11.1 following the payment of other items specified therein. If the MGP Fee is not paid in any year, it will not accrue for payment in subsequent years.

**Section 9.9 Partnership Expenses.**

(a) All of the Partnership's expenses will be billed directly to and paid by the Partnership unless otherwise provided in this Agreement. Costs incurred in connection with construction monitoring, including monthly fees charged by the Construction Inspector, will be paid by the General Partner, on behalf of the Partnership, upon the submission of invoices to the General Partner. The Special Limited Partner may, in its sole discretion, cause the Construction Inspector to perform construction inspection services including, but not limited to, conducting desktop reviews or additional inspections. Any costs incurred by the Special Limited Partner by engaging the Construction Inspector to perform such services will be paid by the Partnership. For purposes of this Section, (i) Cash Expenses includes fees paid by the Partnership to the General Partner or any Affiliate of the General Partner permitted by this Agreement and the actual cost of goods, materials and administrative services used for or by the Partnership, whether incurred by the General Partner, an Affiliate of the General Partner or a nonaffiliated Person in performing the foregoing functions, and (ii) "actual cost of goods and materials" means the cost of the goods or services must be no greater than the cost of the same goods or services from unaffiliated vendors, contractors, or managers in

the market area, and "actual cost of administrative services" means the pro rata cost of personnel (as if such persons were employees of the Partnership) associated therewith, but in no event exceeding the amount which would be charged by unaffiliated Persons for comparable goods and services.

(b) Reimbursement to the General Partner or any of its Affiliates of Cash Expenses will be further subject to the following:

(1) no such reimbursement will be permitted for services for which the General Partner or any of its Affiliates is entitled to compensation by way of a separate fee; and

(2) no such reimbursement will be made for (A) rent or depreciation, utilities, capital equipment or other such administrative items, and (B) salaries, fringe benefits, travel expenses and other administrative items incurred or allocated to any "controlling person" of the General Partner or any Affiliate of the General Partner. For the purposes of this Section 9.9(b)(2), "controlling person" includes, but is not limited to, any Person, however titled, who performs functions for the General Partner or any Affiliate of the General Partner similar to those of: (i) chairman or member of the board of directors; (ii) executive management, such as president, vice president or senior vice president, corporate secretary or treasurer; (iii) senior management, such as the vice president of an operating division who reports directly to executive management; or (iv) those holding 5% or more equity interest in such General Partner or any such Affiliate of the General Partner or a person having the power to direct or cause the direction of such General Partner or any such Affiliate of the General Partner, whether through the ownership of voting securities, by contract or otherwise.

**Section 9.11 Other Business of Partners.**

Any Partner may engage independently or with others in other business ventures wholly unrelated to the Partnership business of every nature and description, including, without limitation, the acquisition, development, construction, operation and management of real estate projects and developments of every type on their own behalf or on behalf of other partnerships, joint ventures, corporations or other business ventures formed by them or in which they may have an interest, including, without limitation, business ventures similar to, related to or in direct or indirect competition with the Apartment Housing. Neither the Partnership nor any Partner will have any right by virtue of this Agreement or the partnership relationship created hereby in or to such other ventures or activities or to the income or proceeds derived therefrom. Conversely, no Person will have any rights to Partnership assets, incomes or proceeds by virtue of such other ventures or activities of any Partner.

(p) All accounts of the Partnership required to be maintained under the terms of the Project Documents, including, without limitation, any reserves in accordance with Article VIII, are currently funded to required levels, including levels required by any governmental authority or lender.

(r) No event has occurred which has caused, and the General Partner has not acted in any manner which will cause (1) the Partnership to be treated for federal income tax purposes as an association taxable as a corporation, (2) the Partnership to fail to qualify as a limited partnership under the Act, or (3) the Limited Partner to be liable for Partnership obligations; provided however, the General Partner will not be in breach of this representation if the action causing the Limited Partner to be liable for the Partnership obligations is undertaken solely by the Limited Partner.

(s) No event or proceeding, including, but not limited to, any legal actions or proceedings before any court, commission, administrative body or other governmental authority, or acts of any governmental authority having jurisdiction over the zoning or land use laws applicable to the Apartment Housing, has occurred the continuing effect of which has: (1) materially and adversely affected the operation of the Partnership or the Apartment Housing; (2) materially and adversely affected the ability of the General Partner to perform its obligations hereunder or under any other agreement with respect to the Apartment Housing; or (3) prevented the Completion of Construction in substantial conformity with the Project Documents, other than

legal proceedings which have been bonded against (or as to which other adequate financial security has been issued) in a manner as to indemnify the Partnership against loss; provided, however, the foregoing does not apply to matters of general applicability which would adversely affect the Partnership, the General Partner, Affiliates of the General Partner or the Apartment Housing only insofar as they or any of them are part of the general public.

(t) Neither the Partnership nor the General Partner has any liabilities, contingent or otherwise, which have not been disclosed in writing to the Limited Partner and the Special Limited Partner and which in the aggregate may affect the ability of the Limited Partner to obtain the anticipated benefits of its investment in the Partnership.

(u) Upon signing of the Construction Loan and receipt of the Construction Lender's written start order, the General Partner will cause construction of the Improvements to commence and thereafter will cause the Contractor to diligently proceed with construction of the Improvements according to the Plans and Specifications so that the Improvements can be completed by the Completion Date.

connection with the Apartment Housing (i) is listed on the Specially Designated Nationals and Blocked Persons List administered by the United States Treasury Department, Office of Foreign Assets Control; (ii) is owned or controlled by the government of, is a national of, or is incorporated in Burma (Myanmar), Cuba, Iran, or Sudan, (iii) is currently targeted by any economic sanctions issued under the Trading With the Enemy Act, the International Emergency Economic Powers Act, the United Nations Participation Act, the Syria Accountability and Lebanese Sovereignty Act, all as amended, or any enabling legislation, regulations, or executive orders relating thereto (including, but not limited to, the foreign assets control regulations at 31 C.F.R. Subtitle B, Chapter V); or (iv) is owned or controlled by, or acts for or on behalf of, any person or entity that falls under any of (i) – (iii) above.

(aa) The General Partner and the Guarantor have and shall maintain an aggregate net worth of at least $5,000,000 and aggregate liquid assets equal to at least $1,000,000, computed in accordance with generally accepted accounting principles.

(cc) The Managing General Partner has obtained a valid organizational clearance certificate from the BOE pursuant to California Revenue and Taxation Code Section 254.6 and shall take all other actions necessary to qualify the Apartment Housing for the Property Tax Exemption, including, without limitation, executing and filing the BOE Form 267-LI with the appropriate county assessor's office. On an annual basis, upon receipt of the property tax bill reflecting the grant of the Property Tax Exemption for the Apartment Housing, the Managing General Partner will deliver a copy thereof to the Special Limited Partner.

(dd) The General Partner shall cause the Partnership to make an election to be treated as an "electing real property trade or business" under Code Section 163(j)(7)(B) unless the Limited Partner elects otherwise. Once made, the election will be irrevocable.

(ee) The General Partner shall cause the Accountant to depreciate Partnership items in accordance with Exhibit F attached hereto and incorporated herein by this reference and provide the information required by Sections 14.2(a) and (b). In addition, the General Partner will cause the Partnership to depreciate 100% of its site improvements and personal property improvements in the year in which such assets are placed in service in accordance with Code Section 168(k) (the "Bonus Depreciation"). The General Partner will not make an election under Code Section 168(k)(7) to elect out of such Bonus Depreciation unless instructed to do so, in writing, by the Special Limited Partner.

(ff) The buildings on the Apartment Housing site constitute or will constitute a "qualified low-income housing project" as provided in Code Section 42(g) and the Treasury Regulations. In this connection, not later than December 31 of the first year of the Tax Credit Period, the Apartment Housing will satisfy the Minimum Set-Aside Test.

(gg) The Partnership has received a Tax Exempt Reservation Letter (the "Credit Award") from the State Tax Credit Agency pursuant to Code Section 42(h), in the amount of $527,285. At Completion of Construction, the qualified basis of the Apartment Housing under Code Section 42 is anticipated to be $20,085,646. The Partnership shall allocate to the Limited Partner the Projected Annual Tax Credits, or the Revised Projected Tax Credits, if applicable.

(hh) The General Partner has provided the Limited Partner with true, complete and correct copies of all material correspondence and contracts with, applications to, and allocation certifications, if any, from the State Tax Credit Agency concerning Tax Credits allocated or otherwise available to the Apartment Housing.

(ii) Unless otherwise Consented to by the Special Limited Partner, the Partnership will elect under Code Section 42(f)(1) to have the Tax Credit Period with respect to each building in the Apartment Housing commence with 2023.

(jj) The Partnership has not and will not receive amounts funded with a federal grant within the meaning of Code Section 42(d)(5)(A) (unless such grant was made to allow the Apartment Housing to be leased to low-income tenants and does not increase the Partnership's Eligible Basis in the Apartment Housing).

(kk) The Partnership shall execute an extended use agreement with respect to the Apartment Housing before the end of the first year of the Tax Credit Period. The extended use agreement will remain in effect throughout the Compliance Period.

(ll) The Partnership shall apply for all Forms 8609 for the Apartment Housing from the State Tax Credit Agency in a timely manner, and shall timely file any other tax or information returns or statements required by the Code. In furtherance of the foregoing, the General Partner shall complete Form 8609 and submit a copy of it with its federal income tax return to the IRS for the first year that the Partnership claims Tax Credit with respect to each building in the Apartment Housing. The General Partner, on behalf of the Partnership, will claim the Tax Credits and provide the information required as set forth in Code Section 42(1) and Temporary Treas. Reg. Section 1.42-1(h).

(mm) The information and representations included in the Project Documents, and on which the State Tax Credit Agency relied in its determination to award the Credit Award, are true, accurate and complete.

(nn) The fair market value of the Apartment Housing at Completion of Construction and throughout the term of the Mortgage Loan is reasonably expected to exceed the aggregate outstanding balance of the Mortgage Loan. Each Mortgage Loan has a fixed maturity date which is prior to the end of the anticipated economic life of the Apartment Housing, and the Partnership is reasonably expected to be able to repay each Mortgage Loan as it matures.

(oo) The Apartment Housing is not located in a qualified census tract, a "difficult to develop area," or another enhanced credit area for purposes of Code Section 42(d)(5)(B).

(pp) The General Partner shall cause the Partnership to:

(1) maintain its books and records separate from those of any other Person or Entity, including the General Partner or any Affiliates of the Partnership;

(2) except as specifically permitted by the Project Documents, not commingle assets with those of any other Entity, including its General Partner or any Affiliates of the Partnership;

(3) conduct its own business in its own name or the name of the Project so as not to mislead others as to the identity of such Entity;

(4) maintain separate financial statements from any other Person or Entity, including the General Partners or any Affiliates of the Partnership;

(5) except as specifically permitted by the Project Documents or this Agreement, pay its own liabilities out of its own funds;

(6) observe all partnership formalities including without limitation holding all meetings and obtaining all consents required by this Agreement;

(7) maintain an arm's-length relationship with its Affiliates;

(8) except as specifically permitted by the Project Documents, not guarantee or become obligated for the debts of any other Entity or hold out its credit as being available to satisfy the obligations of others, including the General Partners or any Affiliates of the Partnership;

(9) allocate fairly and reasonably any overhead for shared office space or other similar expenses;

(10) use invoices and checks separate from any other Person or Entity, including the General Partners or any Affiliates of the Partnership; and

(qq) The Partnership will not lease more than 35% of the net rentable space in any building in the Apartment Housing (excluding common areas) to tax-exempt tenants. At least 80% of the gross rental income from each building in the Apartment Housing for each taxable year in the Compliance Period will be income from residential dwelling units. The Partnership will not enter into any management or service contracts that provide a tax-exempt entity with possessory rights with respect to the Apartment Housing.

(rr) At least 50% of the aggregate basis of each building of the Apartment Housing and the land on which such building is or will be located, for purposes of Code Section 42(h)(4), will be financed by the proceeds of tax-exempt bonds which were issued under the volume limitations pursuant to Code Section 146.

(ss) The Minimum Set-Aside Test unit designations set forth in Article I shall apply to the Apartment Housing and shall not be modified without the Consent of the Special Limited Partner, which consent shall not be delayed, conditioned, or withheld unreasonably.

(tt) The Partnership, in its capacity as the "tenant" under the Ground Lease, shall insure the Improvements and other property included as portions of the Apartment Housing under the Ground Lease, in accordance with requirements that are consistent with the ownership of the Apartment Housing by the Partnership; and, during the term of the Ground Lease, all Improvements shall be the property of the Partnership. Taking into account the restrictions on the use of the land and the other obligations assumed by the Partnership in connection with the Apartment Housing, the rent payable under the Ground Lease constitutes fair market rent under the circumstances and such rent is customary in the industry for similar transactions. Furthermore, the Managing General Partner hereby represents that it would not enter into the Ground Lease without the rental restrictions to be placed on the Apartment Housing pursuant to the Project Documents and did not intend to contribute the land that is subject to the Ground Lease to the Partnership. In addition, any amendment to the Ground Lease shall require the Consent of the Special Limited Partner.

(uu) The General Partner shall cause all asbestos abatement work, if any, at the Apartment Housing to be provided by state certified asbestos abatement contractor.

(vv) The General Partner will retain an accredited environmental consultant reasonably acceptable to the Special Limited Partner to monitor the soil excavation work undertaken in connection with the construction of the Apartment Housing.

The General Partner shall be liable to the Limited Partner for any costs, damages, loss of profits, diminution in the value of its investment in the Partnership, or other losses, of every nature and kind whatsoever, direct or indirect, realized or incurred by the Limited Partner as a result of any material breach of the representations and warranties set forth in this Section 9.12.

**Section 9.13 Indemnification of the Partnership and the Limited Partners.**

(a) The General Partner will indemnify and hold the Partnership, the Limited Partner, and the Special Limited Partner (individually, an "Indemnified Party," and, collectively, the "Indemnified Parties") harmless from and against any and all losses, damages and liabilities (including reasonable attorney's fees) which any Indemnified Party may incur by reason of the past, present, or future actions or omissions of the General Partner or any of its Affiliates that constitute gross negligence or willful misconduct, fraud, malfeasance, breach of fiduciary duty, or breach of any material provision of this Agreement that has a material adverse effect on the Apartment Housing or on any Indemnified Party. The General Partner will further indemnify the Indemnified Parties for any expense any of them may incur in connection with any state or local taxes charged as a result of the transfer by the Limited Partner of its Interest. The foregoing indemnification shall be a recourse obligation of the General Partner and shall survive the dissolution of the Partnership and/or the death, retirement, Bankruptcy, removal or withdrawal of the General Partner. The indemnification set forth in this Section 9.13 by the General Partner shall apply equally to any acts performed by any Affiliate of the General Partner.

(b) The Partnership shall indemnify and hold harmless the Limited Partner and the Special Limited Partner from and against all losses, liabilities, damages, judgments, settlements and expenses (including, without limitation, legal fees) (collectively, "Damages") reasonably incurred as a result of actions against the Limited Partner or the Special Limited Partner in its capacity as a limited partner or special limited partner of the Partnership except to the extent a court of competent jurisdiction determines that such Damages were incurred by the Limited Partner or Special Limited Partner while acting in a manner which violates the terms of this Agreement applicable to the Limited Partner or Special Limited Partner. The indemnification provided herein is in addition to and not a limit on any other right to receive contribution or indemnity from the Partnership which otherwise might exist in favor of the Limited Partner or the Special Limited Partner.

## ARTICLE X.
## ALLOCATIONS OF INCOME, LOSSES AND CREDITS

**Section 10.1 General.**

All items includable in the calculation of Income or Loss not arising from a Sale or Refinancing, and all Tax Credits, will be allocated 99.98% to the Limited Partner, 0.01% to the Special Limited Partner, 0.005% to the Administrative General Partner and 0.005% to the Managing General Partner. In allocating Tax Credits, the special allocation provisions of Section 10.3 will not be taken into account.

**Section 10.2 Allocations From Sale or Refinancing.**

All Income and Losses arising from a Sale or Refinancing will be allocated between the Partners as follows:

(a) As to Income:

(1) first, an amount of Income equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative Capital Accounts (prior to taking into account the Sale or Refinancing and the Distribution of the related Sale or Refinancing Proceeds, but after giving effect to Distributions of Net Operating Income and allocations of other Income and Losses pursuant to this Article X up to the date of the Sale or Refinancing) will be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts will have zero balances; and

(2) the balance, if any, of such Income will be allocated 9.99% to the Limited Partner, 0.01% to the Special Limited Partner, 89.995% to the Administrative General Partner and 0.005% to the Managing General Partner.

(b) Losses will be allocated 99.98% to the Limited Partner, 0.01% to the Special Limited Partner, 0.005% to the Administrative General Partner and 0.005% to the Managing General Partner.

(c) Notwithstanding the foregoing provisions of Section 10.2(a) and (b), in no event will any Losses be allocated to the Limited Partner or the Special Limited Partner if and to

the extent that such allocation would create or increase an Adjusted Capital Account Deficit for the Limited Partner or the Special Limited Partner. In the event an allocation of 99.98% or 0.01% of each item includable in the calculation of Income or Loss not arising from a Sale or Refinancing, would create or increase an Adjusted Capital Account Deficit for the Limited Partner or the Special Limited Partner, respectively, then so much of the items of deduction other than projected depreciation will be allocated to the General Partner instead of the Limited Partner or the Special Limited Partner as is necessary to allow the Limited Partner or the Special Limited Partner to be allocated 99.98% and 0.01%, respectively, of the items of Income and Apartment Housing depreciation without creating or increasing an Adjusted Capital Account Deficit for the Limited Partner or the Special Limited Partner, it being the intent of the parties that the Limited Partner and the Special Limited Partner always will be allocated 99.98% and 0.01%, respectively, of the items of Income not arising from a Sale or Refinancing and 99.98% and 0.01%, respectively, of the Apartment Housing depreciation.

**Section 10.3 Special Allocations.**

The following special allocations will be made in the following order.

(a) Except as otherwise provided in Section 1.704-2(f) of the Treasury Regulations, notwithstanding any other provisions of this Article X, if there is a net decrease in Partnership Minimum Gain during any Partnership fiscal year, each Partner will be specially allocated items of Partnership income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Person's share of the net decrease in Partnership Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated will be determined in accordance with Section 1.704-2(f)(6) and 1.704-2(j)(2) of the Treasury Regulations. This Section 10.3(a) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Treasury Regulations and will be interpreted consistently therewith.

(b) Except as otherwise provided in Section 1.704-2(i)(4) of the Treasury Regulations, notwithstanding any other provision of this Article X, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership fiscal year, each Person who has a share of the Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(5) of the Treasury Regulations, will be specially allocated items of Partnership income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Person's share of the net decrease in Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated will be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Treasury Regulations. This Section 10.3(b) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Treasury Regulations and will be interpreted consistently therewith.

(c) In the event any Partner unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), Section 1.704-1(b)(2)(ii)(d)(5), or Section 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain will be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of such Partner as quickly as possible, provided that an allocation pursuant to this Section 10.3(c) will be made if and only to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 10.3 have been tentatively made as if this Section 10.3(c) were not in the Agreement.

(d) In the event any Partner has a deficit Capital Account at the end of any Partnership fiscal year which is in excess of the sum of (i) the amount such Partner is obligated to restore, and (ii) the amount such Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Partner will be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 10.3(d) will be made if and only to the extent that such Partner would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Section 10.3 have been tentatively made as if this Section 10.3(d) and Section 10.3(c) were not in the Agreement.

(e) Nonrecourse Deductions for any fiscal year will be specially allocated 99.98% to the Limited Partner, 0.01% to the Special Limited Partner, 0.005% to the Administrative General Partner and 0.005% to the Managing General Partner.

(f) Any Partner Nonrecourse Deductions for any fiscal year will be specially allocated to the Partner which is a for-profit entity and which bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i)(1).

(g) To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Partner in complete liquidation of his interest in the Partnership, the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Partners in accordance with their interests in the Partnership in the event that Treasury Regulations Section 1.704-1 (b)(2)(iv)(m)(2) applies, or to the Partner to whom such distribution was made in the event that Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(h) To the extent the Partnership has taxable interest income with respect to any promissory note pursuant to Section 483 or Section 1271 through 1288 of the Code:

(1) such interest income will be specially allocated to the Limited Partner to whom such promissory note relates; and

(2) the amount of such interest income will be excluded from the Capital Contributions credited to such Partner's Capital Account in connection with payments of principal with respect to such promissory note.

(i) To the extent the Partnership has taxable interest income with respect to deposits of Capital Contribution payments or from the investment of the proceeds of the Tax-Exempt Bonds, such interest income will be specially allocated to the Administrative General Partner.

(j) In the event the adjusted tax basis of any investment tax credit property that has been placed in service by the Partnership is increased pursuant to Code Section 50(c), such increase will be specially allocated among the Partners (as an item in the nature of income or gain) in the same proportions as the investment tax credit that is recaptured with respect to such property is shared among the Partners.

(k) Any reduction in the adjusted tax basis (or cost) of Partnership investment tax credit property pursuant to Code Section 50(c) will be specially allocated among the Partners (as an item in the nature of expenses or losses) in the same proportions as the basis (or cost) of such property is allocated pursuant to Treasury Regulations Section 1.46-3(f)(2)(i).

(l) Any income, gain, loss or deduction realized as a direct or indirect result of the issuance of an interest in the Partnership by the Partnership to a Partner will be allocated 100% to the Administrative General Partner.

(m)If any Partnership expenditure is treated as a deduction on its federal income tax return is disallowed as a deduction and treated as a distribution pursuant to Section 731(a) of the Code, there will be a special allocation of gross income to the Partner deemed to have received such distribution equal to the amount of such distribution.

(n) Interest deduction on the Partnership indebtedness referred to in Section 6.4 will be allocated 100% to the Administrative General Partner.

(o) Any taxable income of the Partnership resulting from its receipt of donations, contributions (including income arising from recharacterization of any Capital Contribution, debt or financing), grants, subsidies, or forgiveness of indebtedness will be specially allocated 100% to the Administrative General Partner.

(p) In the event that the General Partner advances any funds to pay for Operating Deficits pursuant to Section 6.3, any deductions or losses attributable to the use of such funds will be specially allocated to the Administrative General Partner.

(q) In the event that the General Partner advances any funds pursuant to Section 17.6 to pay any Imputed Underpayment, any taxable income attributable to the Partnership's receipt of such funds will be specially allocated to the Administrative General Partner.

**Section 10.4 Curative Allocations.**

The allocations set forth in Section 10.2(c), Section 10.3(a), Section 10.3(b), Section 10.3(c), Section 10.3(d), Section 10.3(e), Section 10.3(f), and Section 10.3(g) (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that, to the extent possible, all Regulatory Allocations will be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deduction pursuant to this Section 10.4. Therefore, notwithstanding any other provision of this Article X (other than the Regulatory Allocations), with the Consent of the Special Limited Partner, the General Partner will make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner the General Partner, with the Consent of the Special Limited Partner, determines appropriate so that, after such offsetting allocations are made, each Partner's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of the Agreement and all Partnership items were allocated pursuant to Section 10.1, Section 10.2(a), Section 10.2(b), Section 10.3(h), Section 10.3(i), Section 10.3(j), Section 10.3(k), Section 10.3(l), Section 10.3(m), and Section 10.5. In exercising its authority under this Section 10.4, the General Partner will take into account future Regulatory Allocations under Section 10.3(a) and Section 10.3(b) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Section 10.3(e) and Section 10.3(f).

**Section 10.5 Other Allocation Rules.**

(a) The basis (or cost) of any Partnership investment tax credit property will be allocated among the Partners in accordance with Treasury Regulations Section 1.46-3(f)(2)(i). All Tax Credits will be allocated among the Partners in accordance with applicable law. Consistent with the foregoing, the Partners intend that LIHTC will be allocated 99.98% to the Limited Partner, 0.01% to the Special Limited Partner, 0.005% to the Administrative General Partner and 0.005% to the Managing General Partner.

(b) In the event Partnership investment tax credit property is disposed of during any taxable year, profits for such taxable year (and, to the extent such profits are insufficient, profits for subsequent taxable years) in an amount equal to the excess, if any, of (1) the reduction in the adjusted tax basis (or cost) of such property pursuant to Code Section 50(c), over (2) any increase in the adjusted tax basis of such property pursuant to Code Section 50(c) caused by the disposition of such property, will be excluded from the profits allocated pursuant to Section 10.1 and Section 10.2(a) and will instead be allocated among the Partners in proportion to their respective shares of such excess, determined pursuant to Section 10.3(j) and Section 10.3(k). In the event more than one item of such property is disposed of by the Partnership, the foregoing sentence will apply to such items in the order in which they are disposed of by the Partnership, so the profits equal to the entire amount of such excess with respect to the first such property disposed of will be allocated prior to any allocations with respect to the second such property disposed of, and so forth.

(c) For purposes of determining the Income, Losses, or any other items allocable to any period, Income, Losses, and any such other items will be determined on a daily, monthly,

or other basis, as determined by the General Partner with the Consent of the Special Limited Partner, using the interim closing method under Code Section 706 and the Treasury Regulations.

(d) Solely for purposes of determining a Partner's proportionate share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Treasury Regulations Section 1.752-3(a)(3), the Partners' interests in Partnership profits are as follows: Limited Partner - 99.98%; Special Limited Partner - 0.01%; Administrative General Partner - 0.005%; Managing General Partner - 0.005%.

(e) To the extent permitted by Section 1.704-2(h)(3) of the Treasury Regulations, the General Partner shall endeavor to treat Distributions as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such Distributions would cause or increase an Adjusted Capital Account Deficit for any Partner who is not a General Partner.

(f) In the event that the deduction of all or a portion of any fee paid or incurred out of Net Operating Income by the Partnership to a Partner which is a for-profit entity or an Affiliate of a Partner which is a for-profit entity is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Partnership, the Partnership shall then allocate to such Partner an amount of gross income of the Partnership for such year equal to the amount of such fee as to which the deduction is disallowed.

(g) The Managing General Partner is an Exempt Partner and all allocations to the Managing General Partner pursuant to the terms of this Agreement shall be Qualified Allocations. Qualified Allocations means an allocation of income, gain, loss, deduction and credit to an Exempt Partner that satisfies the requirements of Section 168(h)(6)(B) of the Code so that at no time will any portion of the property held by the Partnership be classified as tax-exempt use property for purposes of Section 168(h) of the Code. Such qualified allocation shall have substantial economic effect and shall be consistent with the Exempt Partner being allocated the same distributive share (0.005%) of each item of income, gain, loss, deduction, credit and basis of the Partnership and such share remaining the same during the entire period that the Exempt Partner is a Partner of the Partnership.

**Section 10.6 Tax Allocations: Code Section 704(c).**

In accordance with Code Section 704(c) and the Treasury Regulations, income, gain, loss, and deduction with respect to any property contributed to the capital of the Partnership will, solely for tax purposes, be allocated among the Partners so as to take account of any variation between the adjusted basis of such property to the Partnership for federal income tax purposes and its initial Gross Asset Value.

In the event the Gross Asset Value of any Partnership asset is adjusted, subsequent allocations of income, gain, loss, and deduction with respect to such asset will take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Treasury Regulations.

Any elections or other decisions relating to such allocations will be made by the General Partner with the Consent of the Special Limited Partner in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 10.6 are solely for purposes of federal, state, and local taxes and will not affect, or in any way be taken into account in computing, any Person's Capital Account or share of Income, Losses, other items, or distributions pursuant to any provision of this Agreement.

**Section 10.7 Allocation Among Limited Partners.**

In the event that the Interest of the Limited Partner hereunder is at any time held by more than one Limited Partner all items which are specifically allocated to the Limited Partner for any month pursuant to this Article X will be apportioned among such Persons according to the ratio of their respective profit-sharing interests in the Partnership at the last day of such month.

**Section 10.8 Allocation Among General Partners.**

In the event that the Interest of the General Partner hereunder is at any time held by more than one General Partner all items which are specifically allocated to the General Partner for any month pursuant to this Article X will be apportioned among such Persons in such percentages as may from time to time be determined by agreement among them without amendment to this Agreement or consent of the Limited Partner or Consent of the Special Limited Partner. Notwithstanding the foregoing or anything else in this Agreement to the contrary, so long as the General Partner is a Partner, the Managing General Partner shall be allocated the same distributive share (0.005%) of each item of Partnership income, gain, loss, deduction, credit, and basis.

**Section 10.9 Modification of Allocations.**

The provisions of Article X and Article XI and other provisions of this Agreement are intended to comply with Treasury Regulations Section 1.704 and will be interpreted and applied in a manner consistent with such section of the Treasury Regulations. In the event that the General Partner determines that it is prudent to modify the manner in which the Capital Accounts of the Partners, or any debit or credit thereto, are computed in order to comply with such section of the Treasury Regulations, the General Partner may make such modification, but only with the Consent of the Special Limited Partner, to the minimum extent necessary, to affect the plan of allocations and Distributions provided for elsewhere in this Agreement. Further, the General Partner shall make any appropriate modifications, but only with the Consent of the Special Limited Partner, in the event it appears that unanticipated events (e.g., the existence of a Partnership election pursuant to Code Section 754) might otherwise cause this Agreement not to comply with Treasury Regulation Section 1.704.

## ARTICLE XII.
## TRANSFERS OF LIMITED PARTNER'S AND SPECIAL LIMITED PARTNER'S INTERESTS IN THE PARTNERSHIP

**Section 12.1 Assignment of Interests.**

Subject to Section 12.5 regarding the right of an Assignee to become a Substitute Limited Partner or Substitute Special Limited Partner, the Limited Partner and the Special Limited Partner have the right to assign all or any part of their respective Interests to any other Person, whether or not a Partner, upon satisfaction of the following:

(a) a written instrument setting forth the name and address of the proposed transferee, the nature and extent of the Interest which is proposed to be transferred and the terms and conditions upon which the transfer is proposed to be made, stating that the Assignee accepts and agrees to be bound by all of the terms and provisions of this Agreement, and providing for the payment of all reasonable expenses incurred by the Partnership in connection with such assignment, including but not limited to the cost of preparing any necessary amendment to this Agreement; and

(b) upon receipt by the General Partner of the Assignee's written representation that the Partnership Interest is to be acquired by the Assignee for the Assignee's own account for long-term investment and not with a view toward resale, fractionalization, division or distribution thereof.

Notwithstanding any provision to the contrary, the Limited Partner may assign its Interest to an Affiliate or assign its Interest to a national bank doing business with the Limited Partner as collateral to secure a capital contribution loan without satisfying the conditions of Section 12.1(a) and (b) above.

THE LIMITED PARTNER INTEREST AND THE SPECIAL LIMITED PARTNER INTEREST DESCRIBED HEREIN HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AS AMENDED OR UNDER ANY STATE SECURITIES LAW. THESE INTERESTS MAY NOT BE SOLD OR OTHERWISE TRANSFERRED UNLESS REGISTERED UNDER APPLICABLE FEDERAL AND STATE SECURITIES LAWS OR UNLESS AN EXEMPTION FROM REGISTRATION IS AVAILABLE.

**Section 12.2 Effective Date of Transfer.**

Any assignment of a Limited Partner's Interest or Special Limited Partner's Interest pursuant to Section 12.1 will become effective as of the first day of the calendar month in which the last of the conditions to such assignment are satisfied.

**Section 12.3 Invalid Assignment.**

Any purported assignment of an Interest of the Limited Partner or the Special Limited Partner otherwise than in accordance with Section 12.1, Section 12.5 or Section 12.6 will be of no effect as between the Partnership and the purported assignee and will be disregarded by the General Partner in making allocations and Distributions hereunder.

**Section 12.4 Assignee's Rights to Allocations and Distributions.**

An Assignee will be entitled to receive allocations and Distributions from the Partnership attributable to the Interest acquired by reason of any permitted assignment from the effective date of transfer as determined in Section 12.2 above. The Partnership and the General Partner will be entitled to treat the assignor of such Partnership Interest as the absolute owner thereof in all respects, and will incur no liability for allocations and Distributions made in good faith to such assignor, until such time as the written instrument of assignment has been received by the Partnership.

**Section 12.5 Substitution of Assignee as Limited Partner or Special Limited Partner.**

(a) An Assignee will not have the right to become a Substitute Limited Partner or Substitute Special Limited Partner in place of his assignor unless the written consent of the General Partner to such substitution has been obtained, which consent, in the General Partner's absolute discretion, may be withheld; except that an Assignee which is an Affiliate of the Limited Partner or Special Limited Partner, or the national bank doing business with the Limited Partner referred to in Section 12.1 (or its successor), may become a Substitute Limited Partner or Substitute Special Limited Partner without the consent of the General Partner. Notwithstanding the foregoing, following payment by the Limited Partner of the final Capital Contribution pursuant to Section 7.2, no General Partner will unreasonably withhold, delay or condition its

consent for any Assignee to become a Substitute Limited Partner or a Substitute Special Limited Partner.

(b) A non-admitted transferee of the Limited Partner's Interest or the Special Limited Partner's Interest in the Partnership will only be entitled to receive that share of allocations, Distributions and the return of Capital Contribution to which its transferor would otherwise have been entitled with respect to the Interest transferred, and will have no right to obtain any information on account of the Partnership's transactions, to inspect the Partnership's books and records or have any other of the rights and privileges of a Limited Partner or Special Limited Partner, provided, however, that the Partnership shall, if a transferee and transferor jointly advise the General Partner in writing of a transfer of an Interest in the Partnership, furnish the transferee with pertinent tax information at the end of each fiscal year of the Partnership.

**Section 12.6 Death, Bankruptcy, Incompetency, etc., of a Limited Partner.**

Upon the death, dissolution, adjudication of bankruptcy, or adjudication of incompetency or insanity of the Limited Partner or Special Limited Partner, such Partner's executors, administrators or legal representatives will have all the rights of its predecessor-in-interest for the purpose of settling or managing such Partner's estate, including such power as such Partner possessed to designate a successor as a transferee of its Interest in the Partnership and to join with such transferee in making the application to substitute such transferee as a Partner.

## ARTICLE XIII.
## WITHDRAWAL, REMOVAL AND REPLACEMENT OF GENERAL PARTNER

**Section 13.1 Withdrawal of General Partner.**

(a) The General Partner may not Withdraw (other than as a result of an Involuntary Withdrawal) without the Consent of the Special Limited Partner. Withdrawal will be conditioned upon the agreement of the Special Limited Partner to be admitted as a successor General Partner, or if the Special Limited Partner declines to be admitted as a successor General Partner, then on the agreement of one or more Persons who satisfy the requirements of Section 13.5 to be admitted as successor General Partner(s). Notwithstanding the foregoing, with the Consent of the Special Limited Partner, the Administrative General Partner may withdraw as a General Partner upon receipt of the IRS Form(s) 8609 with respect to the Apartment Housing, and that the Managing General Partner or another entity approved by the Special Limited Partner and in compliance with CTCAC regulations relative to the replacement of the Administrative General Partner.

(b) Each General Partner shall indemnify and hold harmless the Partnership and all Partners from its Withdrawal in violation of Section 13.1(a). Each General Partner shall be liable for damages to the Partnership resulting from its Withdrawal in violation of Section 13.1(a).

**Section 13.2 Removal of General Partner.**

(a) The General Partner may be removed for cause pursuant to this Section 13.2 if any General Partner has, its officers, directors, members, or partners, if applicable or the Partnership has (or, with regard to clause (7) below, if any Guarantor has):

(1) been subject to Bankruptcy or if any Guarantor has been subject to Bankruptcy;

(2) committed any fraud, willful misconduct, breach of fiduciary duty or other negligent conduct in the performance of its duties under this Agreement;

(3) been convicted of, or entered into a plea of guilty to, a felony;

(4) been barred from participating in any federal or state housing program;

(5) made personal use of Partnership funds or properties;

(9) failed to provide, or to cause to be provided, the construction monitoring documents required in Section 14.3(a);

(10) failed to comply with any federal or state tax law or regulation, which failure results in a recapture of LIHTC;

(11) failed to keep the Development Budget In-Balance;

(12) failed to obtain the consent of a Partner where such consent is required pursuant to this Agreement;

(13) failed to deliver the annual Partnership financial data as required pursuant to Section 14.2(a) or (b);

(17) failed during any consecutive 6-month period during the Compliance Period to rent 85% or more of the total apartment units in the Apartment Housing to Qualified Tenants; notwithstanding the foregoing, if such failure is the result of Force Majeure or if such failure is cured within 120 days after the end of the 6-month period, then this removal provision will not apply;

(18) violated the terms of any Mortgage Loan;

(19) allowed a repurchase event specified in Section 7.3 to occur; or

(20) failed to provide, or cause to be provided, information regarding any correspondence or communication relating to the Partnership or any Partner from the IRS as required in Section 17.6(b)(4).

(b) Written notice of the removal for cause of the General Partner ("Removal Notice") will set forth the reasons for removal and will be served by the Special Limited Partner or the Limited Partner, or both of them, upon the General Partner in accordance with Section 17.3, with a copy provided to the Construction Lender, if applicable. If Section 13.2(a)(6), (7), (9), (11), (13), (14), (15), or (16) is the basis for the removal for cause, then the General Partner will have 30 days from receipt of the Removal Notice in which to cure the removal condition. If the condition for the removal for cause is not cured within the 30-day cure period then the General Partner's removal will become effective upon approval of a majority of the Partners' Interests (Interest percentage for voting is in accordance with the percentages shown in Section 10.1) at a Partners' meeting held in accordance with Section 17.2. If the removal for cause is for a condition referenced in Section 13.2(a)(1), (2), (3), (4), (5), (8), (10), (12), (17), (18), (19) or (20) then the removal will become effective upon approval of a majority of the Partners' Interests (Interest percentage for voting is in accordance with the percentages shown in Section 10.1) at a Partners' meeting held in accordance with Section 17.2 except that in regard to violations of a Construction Loan or Mortgage Loan there will be a cure period of the sooner of 30 days or 10 days prior to the expiration of the cure period referenced in the loan documents, if any. Upon the General Partner's removal, the General Partner shall deliver to the Special Limited Partner, within 5 business days after the Partners' meeting confirming the General Partner's removal, all Partnership books and records including all bank signature cards and an authorization to change the signature on the signature cards from the General Partner to the Special Limited Partner, or a successor general partner so nominated by the Limited Partner and Special Limited Partner. The Partners recognize and acknowledge that if the General Partner fails to adhere to the vote of the Partners at the Partners' meeting or fails to provide the Partnership books and records upon the General Partner's removal then the remaining Partners may suffer irreparable injury. Therefore, in the event the General Partner does not adhere to the provisions of this Section 13.2(b), and in addition to other rights or remedies which may be provided by law and equity or this Agreement, the Limited Partner and/or Special Limited Partner will have the right to specific performance to compel the General Partner to perform its obligation under this Section and the Limited Partner and/or Special Limited Partner may bring

such action, and other actions to enforce the removal, by way of temporary and/or permanent injunctive relief.

**Section 13.3 Effects of a Withdrawal.**

In the event of a Withdrawal, the entire Interest of the Withdrawing General Partner will immediately and automatically terminate on the effective date of such Withdrawal, and such General Partner (i) will immediately cease to be a General Partner, and (ii) will have no further right to participate in the management or operation of the Partnership or the Apartment Housing or to receive any allocations or Distributions from the Partnership or any other funds or assets of the Partnership, except as specifically set forth below. In the event of a Withdrawal, any or all executory contracts, including but not limited to the Management Agreement, between the Partnership and the Withdrawing General Partner or its Affiliates may be terminated by the Partnership, with the Consent of the Special Limited Partner, upon written notice to the party so terminated. Furthermore, notwithstanding such Withdrawal, the Withdrawing General Partner will be and will remain, liable as a General Partner for all known or unknown liabilities and obligations incurred by the Partnership or by the General Partner prior to the effective date of the Withdrawal, or which may arise upon such Withdrawal. Any remaining Partner will have all other rights and remedies against the Withdrawing General Partner as provided by law or under this Agreement. The General Partner agrees that in the event of its Withdrawal it will indemnify and hold the Limited Partner and the Special Limited Partner harmless from and against all losses, costs and expenses incurred in connection with the Withdrawal, including, without limitation, all legal fees and other expenses of the Limited Partner and the Special Limited Partner in connection with the transaction. If, at the time of a Withdrawal of a General Partner, such General Partner was not the sole General Partner, the remaining General Partner of General Partners shall immediately: (i) give notice to the Limited Partners of such event; and (ii) with the Consent of the Special Limited Partner, make any amendments to this Agreement and execute and file for recordation any amended certificates or other instruments necessary to reflect the termination of the Interest of the General Partner as to which such event has occurred and such General Partner's having ceased to be a General Partner. The following additional provisions apply in the event of a Withdrawal.

(a) In the event of a voluntary Withdrawal, or an Involuntary Withdrawal resulting from Bankruptcy, the Withdrawing General Partner and its Affiliates will have no further right to receive any prior or future allocations or Distributions from the Partnership or any other funds or assets of the Partnership; nor will it be entitled to receive or to be paid by the Partnership any further payments of fees (including fees which have been earned but are unpaid); or to be repaid any outstanding advances or loans made by it to the Partnership; or to be paid any amount for its former Interest; or to be paid any amounts as a result of an indemnification. From and after the effective date of such Withdrawal, the former rights of the Withdrawing General Partner to receive or to be paid such prior or future allocations, Distributions, funds, assets, fees (including fees which have been earned but are unpaid) or repayments will in the absolute discretion of the Special Limited Partner either be assigned to the other General Partner or General Partners (which may include the Special Limited Partner); or to the Special Limited Partner; or if the Special Limited Partner decides in its absolute discretion then any outstanding fundings or payments will, for accounting purposes, be deemed to have been paid by the

Withdrawing General Partner by making a Capital Contribution to the Partnership and the Partnership making the payment to the Withdrawing General Partner.

(b) In the event of an Involuntary Withdrawal not resulting from Bankruptcy or removal, the Withdrawing General Partner will have no further right to receive any future allocations or Distributions from the Partnership or any other funds or assets of the Partnership, provided that accrued and payable fees (i.e., fees earned but unpaid as of the date of Withdrawal) owed to the Withdrawing General Partner, and any outstanding loans of the Withdrawing General Partner to the Partnership, will be paid to the Withdrawing General Partner or its estate or guardian in the manner and at the times such fees and loans would have been paid had the Withdrawing General Partner not Involuntarily Withdrawn. The Interest of the General Partner will be purchased as follows:

(1) If the Involuntary Withdrawal does not arise from removal under Section 13.2(a), or Bankruptcy and if the Partnership is to be continued with one or more remaining or successor General Partner(s), the Partnership, with the Consent of the Special Limited Partner, may, but is not obligated to, purchase or redeem the Interest of the Withdrawing General Partner. The purchase price of such Interest will be its Fair Market Value as determined by agreement between the Withdrawing General Partner or its estate or guardian and the Special Limited Partner; or, if they cannot agree, by appraisal. The appraisal shall be conducted by Independent Appraisers. The Withdrawing General Partner or its estate or guardian and the Special Limited Partner shall each select an Independent Appraiser and the Independent Appraisers so selected shall select a third Independent Appraiser. The Independent Appraisers shall determine the Fair Market Value of the General Partner Interest, which appraisal shall assume that the Apartment Housing shall remain subject to the Tax Credit Conditions. The decision of the Independent Appraisers shall be made by the majority of such Independent Appraisers. The Independent Appraisers shall render a written report setting forth the Fair Market Value of the General Partner Interest, which decision shall be rendered as expeditiously as possible by the Independent Appraisers and which decision shall be final and binding upon the Partners. The reasonable fees and expenses of the Independent Appraisers shall be paid one-half by the Withdrawing General Partner or its estate or guardian and one-half by the Limited Partner. The purchase price will be paid by the Partnership by delivering to the General Partner or its representative the Partnership's non-interest bearing unsecured promissory note payable, if at all, upon liquidation of the Partnership in accordance with Article XV. The note will also provide that the Partnership may prepay all or any part thereof without penalty.

(2) If the Involuntary Withdrawal does not arise from removal under Section 13.2(a), and if the Partnership is to be continued with one or more remaining or successor General Partner(s), and if the Partnership does not purchase the Interest of the Withdrawing General Partner in Partnership allocations, Distributions and capital, then the Withdrawing General Partner or the Withdrawing General Partner's estate or guardian will retain its Interest in such items, but such Interest will be held as a non-voting special limited partner.

(c) Notwithstanding the provisions of Section 13.3(b), if the Involuntary Withdrawal arises from removal as set forth in Section 13.2(a), the Withdrawing General Partner and its Affiliates will have no further right to receive any accrued or future allocations or

Distributions from the Partnership or any other funds or assets of the Partnership; it will not be entitled to receive any payment for its Interest; and it will not be entitled to receive or to be paid by the Partnership, by any Partners, or by any successor partners, any further payments of fees (including fees which have been earned but remain unpaid) or any outstanding advances or loans made by it to the Partnership including, but not limited to, any amounts as a result of an indemnification. The former rights of the Withdrawing General Partner and its Affiliates to receive or to be paid such prior or future allocations, Distributions, funds, assets, fees (including fees which have been earned but are unpaid) or repayments will, in the sole and absolute discretion of the Special Limited Partner either be assigned to the other General Partner or General Partners, assigned to the Special Limited Partner, or if the Special Limited Partner decides in its absolute discretion then any outstanding distributions or fees will, for accounting purposes, be deemed to have been paid by the Withdrawing General Partner by making a Capital Contribution to the Partnership and the Partnership then making the payment to the Withdrawing General Partner.

**Section 13.4 Successor General Partner.**

Upon the occurrence of an event giving rise to a Withdrawal of a General Partner, any remaining General Partner, or, if there be no remaining General Partner, the Withdrawing General Partner or its legal representative, shall promptly notify the Special Limited Partner of such Withdrawal (the "Withdrawal Notice"). Whether or not the Withdrawal Notice has been sent as provided herein, the Special Limited Partner will have the right to become a successor General Partner, or to appoint a successor General Partner, with the Limited Partner's approval (and to appoint or become the successor managing General Partner if the Withdrawing General Partner was previously the managing General Partner). In order to effectuate the provisions of this Section 13.4 and the continuance of the Partnership, at the sole discretion of the Special Limited Partner the Withdrawal of a General Partner will not be effective until the expiration of 120 days from the date on which occurred the event giving rise to the Withdrawal, unless the Special Limited Partner has elected to become a successor General Partner or appoint a successor General Partner with the Limited Partner's approval as provided herein prior to expiration of such 120-day period.

**Section 13.5 Admission of Additional or Successor General Partner.**

No Person shall be admitted as an additional or successor General Partner unless (a) such Person has agreed to become a General Partner by a written instrument which includes the acceptance and adoption of this Agreement; (b) the Consent of the Special Limited Partner to the admission of such Person as a substitute General Partner has been granted, which consent may be withheld in the discretion of the Special Limited Partner; (c) such Person has executed and acknowledged any other instruments which the Special Limited Partner reasonably deems necessary or appropriate to effect the admission of such Person as a substitute General Partner; and (d) this Agreement is amended to admit the additional or successor General Partner in accordance with the provisions of the Act. All other steps will be taken which are reasonably necessary to effect the Withdrawal of the Withdrawing General Partner and the substitution of the successor General Partner. Nothing contained herein will reduce the Limited Partner's Interest or the Special Limited Partner's Interest in the Partnership.

**Section 13.6 Transfer of Interest.**

Except as otherwise provided herein, the General Partner may not Withdraw from the Partnership, or enter into any agreement as the result of which any Person acquires an Interest in the Partnership or an interest in the General Partner, without the Consent of the Special Limited Partner.

**Section 13.7 No Goodwill Value.**

At no time during continuation of the Partnership will any value ever be placed on the Partnership name, or the right to its use, or to the goodwill appertaining to the Partnership or its business, either as among the Partners or for the purpose of determining the value of any Interest, nor will the legal representatives of any Partner have any right to claim any such value. In the event of a termination and dissolution of the Partnership as provided in this Agreement, neither the Partnership name, nor the right to its use, nor the same goodwill, if any, will be considered as an asset of the Partnership, and no valuation will be put thereon for the purpose of liquidation or distribution, or for any other purpose whatsoever.

If the General Partner does not fulfill its obligations under Section 14.3 within the time periods set forth therein, the Administrative General Partner, using non-Partnership funds, shall pay as damages the sum of $100 per week (plus interest at the rate established by Section 6.4) to the Limited Partner until such obligations have been fulfilled. If the Administrative General Partner fails to so pay, the Administrative General Partner and its Affiliates will forthwith cease to be entitled to any fees hereunder (other than the Development Fee) and/or to the payment of any Net Operating Income or Sale or Refinancing Proceeds to which the Administrative General Partner may otherwise be

**Section 14.7 Fiscal Year.**

The fiscal year of the Partnership will be the calendar year or such other period as may be approved by the IRS for federal income tax purposes.

**Section 14.8 Banking.**

All funds of the Partnership must be deposited in a separate bank account or accounts as shall be determined by the General Partner with the Consent of the Special Limited Partner. All withdrawals therefrom must be made upon checks signed by the General Partner or by any person authorized to do so by the General Partner. The General Partner shall provide to any Partner who requests same the name and address of the financial institution, the account number and other relevant information regarding any Partnership bank account.

**Section 14.9 Certificates and Elections.**

(a) The General Partner shall file the First Year Certificate within 90 days following the close of the taxable year during which Completion of Construction occurs and thereafter shall timely file any certificates which the Partnership must furnish to federal or state governmental authorities administering the Tax Credit programs under Code Section 42.

(b) The General Partner, with the Consent of the Special Limited Partner, may, but is not required to, cause the Partnership to make or revoke the election referred to in Section 754 of the Code, or any similar provisions enacted in lieu thereof.

## ARTICLE XV.
## DISSOLUTION, WINDING UP, TERMINATION AND LIQUIDATION OF THE PARTNERSHIP

### Section 15.1 Dissolution of Partnership.

The Partnership will be dissolved upon the expiration of its term or the earlier occurrence of any of the following events.

(a) The effective date of the Withdrawal or removal of the General Partner, unless (1) at the time there is at least one other General Partner (which may be the Special Limited Partner or its appointee if it elects to serve as successor General Partner under Section 13.4) who will continue as General Partner, or (2) within 120 days after the occurrence of any such event the Limited Partner elects to continue the business of the Partnership.

(b) The sale of the Apartment Housing and the receipt in cash of the full amount of the proceeds of such sale.

(c) The election to dissolve the Partnership made in writing by the General Partner with the Consent of the Special Limited Partner (which consent shall be given or withheld in its sole and absolute discretion).

(d) The entry of a final decree of dissolution of the Partnership by a court of competent jurisdiction.

Notwithstanding the foregoing, in no event will the Partnership terminate prior to the maturity of any Mortgage Loan without the consent of the Mortgage Lender to which the Partnership is subject.

### Section 15.2 Return of Capital Contribution upon Dissolution.

Except as provided in Section 7.3 and Section 7.4, which provide for a reduction or refund of the Limited Partner's Capital Contribution under certain circumstances, and except as provided in Sections 6.2 and 6.3, which represent the personal obligations of the General Partner, each Partner shall look solely to the assets of the Partnership for all Distributions with respect to the Partnership (including the return of its Capital Contribution) and will have no recourse therefor (upon dissolution or otherwise) against any General Partner. No Partner will have any right to demand property other than money upon dissolution and termination of the Partnership, and the Partnership is prohibited from such a distribution of property without the Consent of the Special Limited Partner.

### Section 15.3 Distribution of Assets.

Upon a dissolution of the Partnership, the General Partner (or, if there is no General Partner then remaining, such other Person(s) designated as the liquidator of the Partnership by the Special Limited Partner or by the court in a judicial dissolution) shall take full account of the Partnership assets and liabilities and shall liquidate the assets as promptly as is consistent with obtaining the fair value thereof.

(a) Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership pursuant to Sections 11.2(a) through and including 11.2(f), the remaining assets of the Partnership will be distributed to the Partners in accordance with the positive balances in their Capital Accounts, after taking into account all allocations under Article X.

(b) In the event that a General Partner has a deficit balance in its Capital Account following the liquidation of the Partnership or its Interest, as determined after taking into account all Capital Account adjustments for the Partnership taxable year in which such liquidation occurs, such General Partner shall pay to the Partnership the amount necessary to restore such deficit balance to zero in compliance with Treasury Regulations Section 1.704-1(b)(2)(ii)(b)(3).

(1) The deficit reduction amount will be paid by the General Partner by the end of such taxable year (or, if later, within 90 days after the date of liquidation) and will, upon liquidation of the Partnership, be paid to creditors of the Partnership or distributed to other Partners in accordance with their positive Capital Account balances.

(c) With respect to assets distributed in kind to the Partners in liquidation or otherwise:

(1) unrealized appreciation or unrealized depreciation in the values of such assets will be deemed to be Income and Losses realized by the Partnership immediately prior to the liquidation or other Distribution event; and

(2) such Income and Losses will be allocated to the Partners in accordance with Section 10.2, and any property so distributed will be treated as a Distribution of an amount in cash equal to the excess of such Fair Market Value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered.

(d) For the purposes of Section 15.3(c), "unrealized appreciation" or "unrealized depreciation" means the difference between the Fair Market Value of such assets, taking into account the Fair Market Value of the associated financing but subject to Section 7701(g) of the Code, and the asset's Gross Asset Value. Section 15.3(c) is merely intended to provide a rule for allocating unrealized Income and Losses upon liquidation or other Distribution event, and nothing contained in Section 15.3(c) or elsewhere in this Agreement is intended to treat or cause such Distributions to be treated as sales for value. The Fair Market Value of such assets will be determined by an Independent Appraiser selected by the General Partner with the Consent of the Special Limited Partner, which consent shall not be unreasonably withheld or delayed.

**Section 15.4 Deferral of Liquidation.**

If, at the time of liquidation, the General Partner or other liquidator determines that an immediate sale of part or all of the Partnership assets could cause undue loss to the Partners, the liquidator may, in order to avoid loss, but only with the Consent of the Special Limited Partner, either defer liquidation and retain all or a portion of the assets or distribute all or a portion of the assets to the Partners in kind. In the event that the liquidator elects to distribute such assets in kind, the assets will first be assigned a value (by appraisal as specified in Section 13.3) and the unrealized appreciation or depreciation in value of the assets will be allocated to the Partners'

Capital Accounts, as if such assets had been sold, in the manner described in Section 10.2, and such assets will then be distributed to the Partners as provided herein. In applying the preceding sentence, the Apartment Housing will not be assigned a value less than the unamortized principal balance of any loan secured thereby.

**Section 15.5 Liquidation Statement.**

Each of the Partners will be furnished with a statement prepared or caused to be prepared by the General Partner or other liquidator, which will set forth the assets and liabilities of the Partnership as of the date of complete liquidation. Upon compliance with the distribution plan as outlined in Sections 15.3 and Section 15.4, the Limited Partner and Special Limited Partner will cease to be such and the General Partner shall execute, acknowledge and cause to be filed those certificates referenced in Section 15.6.

**Section 15.6 Certificates of Dissolution; Certificate of Cancellation of Certificate of Limited Partnership.**

(a) Upon the dissolution of the Partnership, the General Partner shall cause to be filed in the office of the Secretary of State, and on a form prescribed by the Secretary of State of California, a certificate of dissolution. The certificate of dissolution will set forth the Partnership's name, the Secretary of State's file number for the Partnership, the event causing the Partnership's dissolution, the date of the dissolution, and other information as required by the Secretary of State.

(b) Upon the completion of the winding up of the Partnership's affairs, the General Partner shall cause to be filed in the office of, and on a form prescribed by, the Secretary of State of California a certificate of cancellation of the Certificate of Limited Partnership. The certificate of cancellation of the Certificate of Limited Partnership will set forth the Partnership's name, the Secretary of State's file number for the Partnership, any other information which the General Partner determines to include therein, and other information as required by the Secretary of State.

**Section 15.7 Deficit Restoration Obligation Election.**

The Limited Partner may, prior to the time prescribed by law for filing of the Partnership's federal income tax return for any fiscal year (not including extensions), elect in its sole discretion to be unconditionally obligated to restore all or a portion of any deficit in the Limited Partner's Capital Account upon liquidation of its Interest in the Partnership. Any such election shall be evidenced by written notice to the General Partner, delivered prior to such time, specifying the amount of any deficit for which the Limited Partner elects a deficit restoration obligation. Any amount owing pursuant to a deficit restoration obligation shall be payable upon the later of (a) the end of the fiscal year in which the Limited Partner's Interest is liquidated or (b) 90 days after the date of such liquidation.

The amount of any such election shall automatically be reduced to the extent the deficit in the Limited Partner's Capital Account (after reduction for the items described in (4), (5) and (6) of Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations) is subsequently reduced or eliminated as of the end of the Partnership's taxable year, for example by a subsequent Capital

Contribution, without affecting the validity of prior allocations. Subsequent allocations after a restoration of a deficit capital account shall not create or increase an Adjusted Capital Account Deficit of the Limited Partner, except upon a subsequent election of the Limited Partner to be unconditionally obligated to restore all or a portion of any Adjusted Capital Account Deficit as provided above. If an allocation or distribution thereafter increases the deficit in the Limited Partner's Capital Account, unless the Limited Partner elects otherwise under (i) below, the Limited Partner will be obligated to restore the deficit only to the extent of the lesser of (i) the deficit amount the Limited Partner has previously elected to restore or (ii) the smallest deficit balance in the Limited Partner's Capital Account (after reduction for the items described in (4), (5) and (6) of Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations) as of the end of the Partnership's taxable year subsequent to the taxable year for which the election was made. For purposes of determining the amount referred to in (ii), the income, gain, losses and deductions of the Partnership shall be allocated under an interim closing of the books method.

## ARTICLE XVI.
## AMENDMENTS

This Agreement may be amended only with the consent of the Limited Partner after a meeting of the Partners pursuant to Section 17.2. Consent of the General Partner is not required, subject to the condition that such amendment (i) may not in any manner allow the limited partners to take part in the management or control of the Partnership's business or modify their limited liability, and (ii) may not, without the consent of the General Partner, increase the obligations or adversely affect the rights of the General Partner the Management Agent, the Developer or the Guarantor hereunder or under the Management Agreement, the Development Agreement or the Guaranty Agreement hereunder. For purposes of this Article XVI, a Partner shall grant its consent to a proposed amendment unless such Partner reasonably determines that the proposed amendment is adverse to the Partner's interests.

## ARTICLE XVII.

Any Partner calling a Partners' meeting shall provide written notice to all Partners. The meeting will not be held less than 15 days nor more than 30 days from the Partners' receipt of the notice. (b) Partnership Representative.

(1) Appointment and Designation. The Partners hereby authorize the Partnership to appoint the General Partner as the initial partnership representative of the Partnership pursuant to Section 6223(a) of the Code (the "Partnership Representative"). The General Partner shall be appointed the Partnership Representative for each taxable year of the Partnership provided that if an event or circumstance has occurred which, with the giving of notice or the passage of time, would constitute a default hereunder or a default by the Partnership Representative or Designated Individual (as hereinafter defined) of its duties and obligations under this Section 17.6, the Consent of the Special Limited Partner must be obtained before the Partnership Representative is appointed for any taxable year of the Partnership. The Partnership Representative shall timely designate an individual to serve as the sole individual through whom the Partnership Representative will act for purposes of the Revised Partnership Audit Rules (the "Designated Individual") with the consent of the Limited Partner. No later than the effective date of the designation of the Designated Individual or the Partnership Representative, such Designated Individual or Partnership Representative, as applicable, must agree in writing to be bound by the same obligations and restrictions imposed on the Partnership Representative under this Section 17.6 prior to and as a condition of such designation. The Partners hereby acknowledge that the Designated Individual shall be Wendy Saunders, or such other person as consented to by the Limited Partner.

(2) Resignation; Revocation. The General Partner (and any successor Partnership Representative) may resign as the Partnership Representative by written notice to the Partnership, the Limited Partner, and the IRS. Notice of such resignation shall be given to the IRS in the time and manner prescribed by the IRS. Upon removal of the General Partner for any reason pursuant to this Agreement or, with the consent of the Limited Partner, in the event of a default by the Partnership Representative or Designated Individual of its duties and obligations under this Section 17.6, the Partnership shall immediately revoke the designation of the General Partner as the Partnership Representative by sending written notice to the Partnership Representative and the IRS in such form as the IRS may proscribe, upon (A) receipt of notice of selection for examination or of Notice of Administrative Proceeding from the IRS for all taxable years during which such designation was in effect that are under review by the IRS, or, if sooner, (B) the filing of a valid Administrative Adjustment Request by the Partnership concerning a matter other than the designation of the Partnership Representative. The designation of the Designated Individual as the Designated Individual shall automatically terminate on the effective date of the resignation or revocation of the applicable entity as Partnership Representative. If a Designated Individual becomes unable to perform the tasks required of a Designated Individual, no longer has the "capacity to act" within the meaning of the Revised Partnership Audit Rules, or the Partnership Representative otherwise determines that the Designated Individual should no longer serve as a Designated Individual, the Partnership Representative shall promptly notify the Limited Partner of such determination and take all necessary actions to effectuate the revocation of such individual as the Designated Individual for all applicable taxable years. Notice of such revocation shall be given to the IRS in the time and manner prescribed by the IRS and shall include the designation of another Person selected by the Limited Partner as the successor Partnership Representative for the Partnership taxable year for which the designation was in effect and the designation of another Person selected by the Partnership Representative (with the consent of the Limited Partner) as the successor Designated Individual for the Partnership

taxable year for which the designation was in effect. The resigning or removed Partnership Representative or Designated Individual shall remain obligated hereunder in such capacity (including the requirement to forward any notices received from the IRS) until the IRS agrees to provide such notices to a replacement Partnership Representative or Designated Individual during the audit process. In furtherance hereof, the General Partner hereby constitutes and appoints the Limited Partner, with full power of substitution, its true and lawful attorney-in-fact in its name, place and stead to carry out fully the provisions of this Section 17.6(b)(2) and take any action which the Limited Partner may deem necessary or appropriate in connection herewith. The power of attorney hereby granted shall be deemed to be coupled with an interest, shall be irrevocable and shall survive and shall not be affected by the subsequent incapacity, dissolution, resignation, revocation or other termination of the General Partner as the Partnership Representative.

(3) Successor Partnership Representative. Any successor Partnership Representative must have a substantial presence in the United States, have been consented to by the Limited Partner, and otherwise satisfy all statutory and regulatory requirements imposed by the Revised Partnership Audit Rules. The Person so designated must agree in writing to be bound by the terms of this Section 17.6 and shall not take any action in its capacity as Partnership Representative until the resignation and/or revocation of the prior Partnership Representative becomes effective under the Code or Treasury Regulations.

(4) Notice of Communications. The Partnership Representative shall (1) give the Partners prompt notice of any inquiry, notice, or other communication received from the IRS or other applicable tax authority regarding the tax treatment of the Partnership or the Partners, (2) consult with the Limited Partner in good faith on the strategy and substance of any tax audit or contest and (3) give, to the extent possible, the Partners prior notice of and a reasonable opportunity to review and comment upon any written communication the Partnership Representative intends to make to any taxing authority in connection with any examination, audit or other inquiry involving the Partnership. Without limiting the generality of the foregoing, the Partnership immediately shall send to all of the Partners copies of any notice of a proposed or final Partnership Adjustment received by the Partnership and/or the Partnership Representative from the IRS. To the extent requested by the Limited Partner and permitted under Treasury Regulations or by the IRS or other taxing authority in a particular tax audit or contest, the Partnership Representative shall cooperate in allowing the Limited Partner or its representative to participate, at its own expense, in such tax audit or contest.

(5) Duties and Limitations on Authority. The Partnership Representative and any Designated Individual shall have all power and authority of a partnership representative and designated individual, respectively, as set forth in Section 6223 of the Code, and shall represent the Partnership and its Partners in all dealings with the IRS and state and local taxing authorities, provided, however, that, except as specifically provided in Section 17.6(c) below, the Partnership Representative shall not, without the consent of the Limited Partner, have any power or authority to do any or all of the following:

(i) make an election to opt out of the application of the Revised Partnership Audit Rules to the Partnership;

(ii) make a Push-Out Election (as defined in Section 17.6(c)(4) below) or request a modification to an Imputed Underpayment, except pursuant to 17.6(c);

(iii) file an Administrative Adjustment Request;

(iv) select any judicial forum for the litigation of any Partnership tax dispute;

(v) take any other action (or fail to take any action) that would have the effect of finally determining any tax audit or contest; or

(vi) extend the statute of limitations.

(6) Fiduciary Relationship. The relationship of the Partnership Representative to the Partnership and the Partners shall be that of a fiduciary, and the Partnership Representative shall have a fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and its Partners.

(c) Modifications and Partnership Elections.

(1) Modifications to Imputed Underpayment. If the Partnership and/or Partnership Representative receives notice of a proposed Partnership Adjustment from the IRS, the Partnership Representative shall so notify the Partners in accordance with the provisions of Section 17.6(b)(4) above and, if requested to do so by the Limited Partner, shall request modification of the Imputed Underpayment proposed in such notice in accordance with any applicable Treasury Regulations, forms, instructions, and other guidance prescribed by the IRS. Any such request by the Limited Partner shall describe the modifications or adjustment factors that the Limited Partner believes affect the calculation of the Imputed Underpayment in sufficient detail to substantiate the request for modification. Unless an extension of time is granted by the IRS, all information required to support a requested modification shall be submitted by the Limited Partner to the Partnership Representative no later than one hundred eighty (180) days after the Limited Partner receives notice of the proposed Partnership Adjustment from the Partnership Representative, and the Partnership Representative shall submit such information to the IRS no later than two hundred seventy (270) days after the date the proposed Partnership Adjustment notice was mailed by the IRS.

(2) Amended Returns; Alternative Procedure to Amended Returns. If requested to do by the Limited Partner, the Partnership Representative shall request a modification of an Imputed Underpayment based on an amended return filed by a Partner (or Indirect Partner) which takes account of all of the Partnership Adjustments properly allocable to such Partner (or Indirect Partner). Any such request shall be accompanied by an affidavit from the requesting Partner (or Indirect Partner) signed under penalties of perjury that the requesting Partner (or Indirect Member) has filed each required amended return or, in the case of a Pull-In Election (as hereinafter defined), such information, in the form and manner specified by the IRS, as it requires, and paid all Taxes due as a result of taking into account the adjustments in the first affected year and all modification years, as such terms are defined and applied in any applicable Treasury Regulations, forms, instructions, and other guidance prescribed by the IRS. In lieu of filing an amended return in accordance with this Section 17.6(c)(2) above, any Reviewed Year

Partner may elect to comply with the "pull-in" procedure described in Section 6225(c)(2)(B) of the Code (a "Pull-In Election"). In such event, such Reviewed Year Member shall (1) pay all amounts due under Section 6225(c)(2)(A)(iii) of the Code, (2) take into account, in the form and manner set forth in any applicable IRS guidance, the adjustments to the tax attributes of such Reviewed Year Partner, and (3) provide, in the form and manner specified by the IRS (including, if so specified, in the same form as on an amended return), such information as the IRS may require to carry out the terms and intent of a Pull-In Election described in Section 6225(c)(2)(B) of the Code. Copies of all notices and filings made pursuant to this Section 17.6(c)(2) shall be provided by the Reviewed Year Partner to the Partnership Representative.

(3) Reallocation Adjustment. In the case of a Partnership Adjustment that reallocates the distributive share of any tax item from one Partner to another, the Partnership Representative shall be required to submit the modification request to the IRS under this Section 17.6(c) only if all Partners (or Indirect Partners) affected by such adjustment ("Affected Partners") provide the affidavit(s) described in clause (2) above or the Partnership Representative is notified by the IRS that one or more Affected Partners have taken (or will take) into account their allocable share of the adjustment through other modifications approved by the IRS (such as, but not limited to, a closing agreement).

(4) Push-Out Election. If the Partnership receives notice of a final Partnership Adjustment from the IRS, the Partnership Representative shall so notify the Partners and any Former Partners in accordance with the provisions of Section 17.6(b)(4) above and, if requested to do so by the Limited Partner, shall make an election (a "Push-Out Election") under Section 6226 of the Code with respect to one or more Imputed Underpayments set forth in the final Partnership Adjustment notice. Except as hereinafter provided, if a Push-Out Election is made, each Reviewed Year Partner shall take into account its allocable share of the Partnership Adjustments that relate to the specified Imputed Underpayment (as determined with the consent of the Limited Partner for such Reviewed Year) and shall be liable for any Taxes as described in Section 6226 of the Code and any applicable Treasury Regulations or other guidance prescribed by the IRS. Notwithstanding the foregoing, to the extent permitted by law, any Reviewed Year Partner that is a partnership or S corporation may, at its option and in accordance with any applicable Treasury Regulations or other guidance prescribed by the IRS, elect (in lieu of paying its allocable share of such Partnership Adjustments) to push out the liability for Taxes attributable to such Partnership Adjustments to its Partners (including Indirect Partners). Any Push-Out Election shall be filed within forty-five (45) days of the date the notice of final Partnership Adjustment is mailed by the IRS (or such later date as permitted by Treasury Regulations or IRS guidance) and shall be in such form, and shall contain such information, as required by any applicable Treasury Regulations, forms, instructions and other guidance prescribed by the IRS. If a Push-Out Election is made, the Partnership Representative shall furnish to each Reviewed Year Partner and the IRS, for each Reviewed Year within sixty (60) days after the date all of the Partnership Adjustments to which the statement relates are finally determined, a statement that includes all items and information required under any applicable Treasury Regulations, forms, instructions, and other guidance prescribed by the IRS.

(5) Reimbursement of Allocable Share of Imputed Underpayment. If the Partnership becomes obligated to make an Imputed Underpayment under Code Section 6225, each of the Partners (including any Former Partner) to whom such liability relates (as determined

with the consent of the Limited Partner) shall be obligated, within thirty (30) days after written notice from the General Partner, to pay an amount that, on an after-tax basis if such payment is treated as an indemnity payment under this Section 17.6(c)(5), is equal to its allocable share of such amount to the Partnership; provided, however, that if and to the extent that the Partnership's liability results from a loss, disallowance or recapture of Tax Credits for which a payment to such Person is due under this Agreement and has not been paid, the amount otherwise payable by such Person to the Partnership under this Section 17.6(c)(5) shall be reduced by such unpaid amounts so that the Partnership will bear the portion of the Imputed Underpayment equal to such reduction and, in accordance with its obligations under Code Section 7.4, the General Partner shall advance such unpaid amounts to the Partnership and shall cause the Partnership to pay the Imputed Underpayment. Any amount not paid by a Partner (or Former Partner) within such 30-day period shall accrue interest at the underpayment rate under Code Section 6621(a)(2), plus a 2% penalty until paid. Any such payment made by any Partner shall be treated as a Capital Contribution and, if and to the extent permitted by the Code and Treasury Regulations, any Capital Account reduction attributable to the Imputed Underpayment shall be allocated to the Partners in proportion to such Capital Contributions; provided that, such payment will be treated as an indemnity payment if the Limited Partner determines in its sole discretion that treatment as a Capital Contribution would result in a reallocation of losses or Tax Credits. Any such payment made by any Former Partner shall be treated as an indemnity payment and not as a Capital Contribution or loan to the Partnership.

(6) Withholding. Notwithstanding anything to the contrary contained herein, the General Partner shall cause the Partnership to withhold from any distribution or payment due to any Partner (or Former Partner) under this Agreement any amount due to the Partnership from such Partner (or Former Partner) under clause (v) above. Any amount(s) so withheld shall be applied by the Partnership to discharge the obligation in respect of which such amount was withheld. All amounts withheld pursuant to the provisions of this Section 17.6(c)(6) with respect to a Partner (or Former Partner) shall be treated as if such amounts were distributed or paid, as applicable, to such Partner (or Former Partner).

(7) Indemnity. To the extent that a portion of the Taxes imposed under Code Section 6225 relates to a Former Partner, the General Partner shall require such Former Partner to indemnify the Partnership for its allocable portion of such tax (including any penalties, additions to tax, additional amounts, and interest) to the extent such amounts have not been withheld pursuant to the provisions of Section 17.6(c)(6). Each Partner acknowledges that, notwithstanding the transfer or liquidation of all or any portion of its Interest in the Partnership, it shall remain liable for Taxes with respect to its allocable share of income and gain of the Partnership for the Partnership's taxable years (or portions thereof) prior to such transfer or liquidation unless otherwise agreed to in writing by the Partners during the taxable year(s) (or portion thereof) to which the Taxes relate and all Former Partners during the Partnership's taxable year(s) (or portion(s) thereof) to which the Taxes relate.

(8) Continuing Obligations. Whether the liability is assessed to the Partnership or the Partners (or Former Partners), the parties hereto acknowledge and agree that nothing in this Section 17.6(c) is intended, nor shall it be construed, to modify or waive any obligations of the General Partner under this Agreement including, without limitation, the obligation to make a payment pursuant to the provisions of Section 7.4.

(d) Consistent Tax Treatment. Except as hereinafter provided, each Partner agrees that its treatment on its own federal income tax return of each item of income, gain, loss, deduction, or credit attributable to the Partnership shall be consistent with the treatment of such items on the Partnership return, including the amount, timing, and characterization of such items. Notwithstanding the foregoing general requirement, any Partner may file a statement identifying certain items that are inconsistent (or that may be inconsistent) in accordance with any applicable Treasury Regulations, forms, instructions, or other guidance provided by the IRS. Any such statement shall be attached to the Partner's tax return on which the item is treated inconsistently.

(e) Tax Counsel or Accountants. The Partnership Representative, with the consent of the Limited Partner, shall employ experienced tax counsel and/or accountants to represent the Partnership in connection with any audit or investigation of the Partnership by the IRS or any other taxing authority and in connection with all subsequent administrative and judicial proceedings arising out of such audit. Such counsel and/or accountants shall be responsible for representing the Partnership; it shall be the responsibility of the Partners, at their expense, to employ tax counsel or accountants to represent their respective separate interests.

(f) Survival. The obligations of each Partner or Former Partner under this Section shall survive the transfer, redemption or liquidation by such Partner of its Interest and the termination of this Agreement or the dissolution of the Partnership.

(g) Amendments. Upon the promulgation of revised Treasury Regulations implementing the Revised Partnership Audit Rules or upon further amendment of the Revised Partnership Audit Rules, the Partners will evaluate and consider options available with respect to preserving the allocation of responsibility and authority described in this Section 17.6, while conforming with the applicable provisions of the revised partnership audit procedures. The Partners agree to work together in good faith to make elections and amend this Agreement (if any party determines that an amendment is required) to maintain the intent of the parties with respect to the obligations and limitations of the Partnership Representative.

(h) State and Local Income Tax Matters. The provisions of this Section 17.6 shall also apply to state and local income tax matters affecting the Partnership to the extent the terms and conditions hereof have any application to audit procedures at the state and local level.

**Section 17.7 Expiration of Compliance Period.**

(a) Notwithstanding any provision hereof to the contrary (other than this Section 17.7), if permitted in the Regulatory Agreement and the Mortgage Loan documents, the Special Limited Partner will have the right at any time after the beginning of the last year of the Compliance Period to require, by written notice to the General Partner, that the General Partner promptly submit a written request to the applicable State Tax Credit Agency pursuant to Section 42(h) of the Code (or any successor provision) that such agency endeavor to locate within one year from the date of such written request a purchaser for the Apartment Housing who will continue to operate the Apartment Housing as a qualified low-income property, at a purchase price that is not less than the minimum amount set forth in Section 42(h)(6) of the Code (or any successor provision). In the event that the State Tax Credit Agency obtains an offer satisfying the conditions of the preceding sentence, the General Partner shall promptly notify the Special

Limited Partner in writing with respect to the terms and conditions of such offer, and, if the Special Limited Partner notifies the General Partner that such offer should be accepted, the General Partner shall cause the Partnership promptly to accept such offer and to proceed to sell the Apartment Housing pursuant to such offer.

(b) Notwithstanding any other provision of this Agreement to the contrary and subject to the terms of the Mortgage Loan documents, the Special Limited Partner will have the right at any time after the end of the Compliance Period to require, by written notice to the General Partner (the "Required Sale Notice"), that the General Partner promptly use its best efforts to sell the Apartment Housing by placing the Apartment Housing on the open market with a real estate agent knowledgeable in affordable housing. Upon receipt of a bona fide offer, and prior to selling the Apartment Housing, the General Partner shall submit the terms of any proposed sale to the Special Limited Partner for its approval in the manner set forth in Section 17.7(a). If the General Partner fails to sell the Apartment Housing within six months of receipt of the Required Sale Notice or if the Consent of the Special Limited Partner in its sole discretion to any proposed sale is withheld, then the Special Limited Partner will have the right at any time thereafter to sell the Apartment Housing on terms acceptable to the Special Limited Partner (but not less favorable to the Partnership than any proposed sale previously rejected by the Special Limited Partner). In the event that the Special Limited Partner so obtains a buyer to purchase the Apartment Housing, it shall notify the General Partner in writing with respect to the terms and conditions of the proposed sale and the General Partner shall do all things necessary, including signing a purchase and sale agreement, a partnership amendment or other necessary or required agreements or consents to cause the Partnership promptly to sell the Apartment Housing to such buyer.

**Section 17.8 Security Interest and Right of Set-Off.**

As security for the performance of the respective obligations to which any General Partner may be subject under this Agreement, the Partnership and the Limited Partner will have (and each General Partner hereby grants to the Partnership and the Limited Partner) a security interest in the respective Interests of such General Partner and in all funds distributable to said General Partner to the extent of the amount of such obligation.

**Section 17.9 Signage and Public Relations.**

The General Partner shall allow the Special Limited Partner to place a sign at the Apartment Housing during construction, which sign will include the following language: "Financing provided in part by WNC & Associates, Inc." The cost of the sign will be borne by the Limited Partner. In any Apartment Housing-related web and print media, and in any verbal remarks made in public about the Apartment Housing, the General Partner shall acknowledge the contributions of the Limited Partner. The General Partner shall invite representatives of the Limited Partner to participate in public relations opportunities including, but not limited to, speaking at ground-breaking and ribbon-cutting events. The General Partner will provide the Limited Partner access to the Apartment Housing for the purpose of preparing photographic and/or schematic images of the Apartment Housing and access to such images prepared by the General Partner and will allow the Limited Partner to use any such images for the Limited

Partner's or its Affiliates' marketing, including use on the Limited Partner's or its Affiliate's websites and in brochures and other printed advertisements.

**Section 17.10 Environmental Compliance.**

The General Partner hereby represents, warrants and agrees as follows:

(a) To the best knowledge of the General Partner, except as disclosed in the Phase I Environmental Site Assessment, prepared by Youngdahl Consulting Group, Inc., dated November 2019; the Phase II Environmental Site Assessment, prepared by Youngdahl Consulting Group, Inc., dated November 2019; the No-Further-Action-Required Letter, from the Sacramento County Environmental Management Department, dated March 13, 2020; the Phase I Environmental Site Assessment, prepared by Youngdahl Consulting Group, Inc., dated April 2021; the Geotechnical Investigation, prepared by Geocon Consultants, Inc., dated January 2020; the 1316 O Street Asbestos Survey Report, prepared by Norcal Environmental Management, Inc., dated February 23, 2021; the 1322 O Street Asbestos Survey Report, prepared by Norcal Environmental Management, Inc., dated April 2020; and the Underground Storage Tank Investigation Letter Report, prepared by Youngdahl Consulting Group, Inc., dated March 2021 (collectively, the "Environmental Report") (i) no Hazardous Substance was ever or is now present, used, treated, handled, transported, generated, manufactured, stored, Released (as defined in CERCLA) or disposed of on, at, under or about the Apartment Housing, and (ii) the Apartment Housing is in compliance with all applicable Environmental Laws. The General Partner covenants that the Apartment Housing will be kept free of Hazardous Substance and will not be used to generate, manufacture, refine, transport, treat, store, handle, dispose of, transfer, produce or process Hazardous Substance, except in connection with the normal maintenance and operation of any portion of the Apartment Housing. The General Partner shall comply, or cause there to be compliance, with all applicable federal, state and local laws, ordinances, rules and regulations with respect to Hazardous Substance and shall keep, or cause to be kept, the Apartment Housing free and clear of any liens imposed pursuant to such laws, ordinances, rules and regulations.

(b) In connection with the acquisition of the Apartment Housing, the Partnership obtained the Environmental Report consistent with good commercial practice and, to the best knowledge of the General Partner, such inquiry substantially complied with 40 C.F.R. Part 312 and was sufficient for the Partnership to successfully establish an innocent purchaser defense pursuant to Section 9601(35) of CERCLA. The General Partner has reviewed the Environmental Report (and any subsequent studies recommended therein) and believes the same to be true, correct and complete in all respects. To the best knowledge of the General Partner, there is no fact, circumstance, event or condition, previously or subsequently occurring, which would or does make any statement in such survey untrue, false or misleading. None of the Partnership, the General Partner nor any of their Affiliates has given any waiver or release of liability pursuant to any Environmental Law to any person or entity in the chain of title of the Apartment Housing.

(c) The Partnership has not been notified by any governmental authority, or otherwise, (i) of any known or threatened release of any Hazardous Substance on, at, under or about the Apartment Housing or any other site or vessel owned, occupied or operated by the Partnership, any General Partner, any Affiliate of a General Partner or a Person for whose

conduct a General Partner was responsible, or (ii) that the Apartment Housing is not in compliance with any Environmental Law. The General Partner will promptly notify the Limited Partner and the Special Limited Partner in writing (1) if it knows, or suspects or believes there may be any Hazardous Substance in, on, under, at, or around any part of the Apartment Housing, any Improvements, or the soil, groundwater or soil vapor, (2) if the General Partner or the Partnership may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (3) of any claim made or threatened by any Person, other than a governmental agency, against the Partnership or General Partner arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Apartment Housing.

(d) There are no storage tanks of any kind, other than those being removed as part of the Completion of Construction, on, at, under or about the Apartment Housing, nor any gas or oil production wells, nor are there any surface impoundment areas used for waste disposal or storage of any kind. The drinking water supply for the Apartment Housing is fit for human consumption and, to the best knowledge of the General Partner, is in compliance with all applicable Environmental Laws. The General Partner will not install or allow to be installed any aboveground or underground storage tanks on the Apartment Housing.

(e) The General Partner has implemented, or caused to be implemented, the recommendations, if any, set forth in the Environmental Report (and any subsequent studies recommended therein). If the Apartment Housing has mold or moisture problems, or the potential therefor, the General Partner shall cause the Partnership to implement a moisture management and control program for the Apartment Housing approved by the Special Limited Partner. Such moisture management and control program must comply with all applicable requirements set forth in the Environmental Report and/or the engineering report for the Apartment Housing provided to the Limited Partners as of the date of this Agreement.

(f) Each of the General Partners hereby jointly and severally, irrevocably and unconditionally agrees to indemnify, protect, defend and hold harmless the Partnership, the Special Limited Partner, the Limited Partner and the respective partners, members, directors, officers, employees and agents of the Special Limited Partner and the Limited Partner (collectively "Indemnitees"), from and against any and all loss, cost, damage, action, cause of action, suit, penalty, fine, obligation, liability or expense, foreseeable or unforeseeable, including, without limitation, attorneys' fees and all foreseeable and unforeseeable consequential damages, including, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation of all closure and other required plans, whether such action is required or necessary prior to or following the date of this Agreement, directly or indirectly arising out of any use, generation, manufacture, presence, migration, dispersion, storage, treatment, handling, transportation, Release, or disposal, of Hazardous Substances in, on, under, at, to, from or around or in any way related to the Apartment Housing, including, without limitation, any migration of Hazardous Substances on, under or about the Apartment Housing from any adjacent or other nearby real property. The foregoing indemnification obligation of the General Partner survives the removal and/or withdrawal of such General Partner, the dissolution and termination of the Partnership, and the termination of the Compliance Period. Promptly upon any Indemnitee acquiring knowledge of any matter which may give rise to the indemnification described hereunder, such Indemnitee shall notify the General Partner thereof,

and the General Partner will have the right, with counsel reasonably acceptable to the Indemnitee, to defend any such matter. Any settlement of any matter as to which indemnification is required hereunder requires the consent of the General Partner.

Re: **1322 O St Investors LP**

Ladies and Gentlemen:

You have requested our opinion with respect to certain matters in connection with the investment by WNC Holding, LLC, a California limited liability company (the "Limited Partner"), and WNC Housing, L.P., a California limited partnership (the "Special Limited Partner"), in 1322 O St Investors LP (the "Partnership"), a California limited partnership formed to own, develop, construct, finance and operate an Apartment Housing for low-income persons (the "Apartment Housing") in Sacramento, Sacramento County, California. The original limited partner of the Partnership is Capitol Area Community Development Corporation (the "Original Limited Partner"). The general partners of the Partnership are Cyrus Youssefi and Capitol Area Community Development Corporation (the "General Partners"). The developer of the Apartment Housing is Cyrus Youssefi and Capitol Area Community Development Corporation (collectively, the "Developer"). The guarantors of certain obligations of the General Partner are Capitol Area Community Development Corporation, Capitol Area Development Authority, and C.F.Y. Development, Inc., a California corporation (collectively, the "Guarantor").

In rendering the opinions stated below, we have examined and relied upon the following:

(i) **[Partnership Organizational Documents]**;

(ii) **[Amended and Restated Agreement of Limited Partnership]** (the "Partnership Agreement");

(iii) **[GP Organizational Documents]**;

(iv) **[Developer Organizational Documents]**;

(v) **[Guarantor Organizational Documents]**;

(vi) the Title Policy, as defined in the Partnership Agreement;

(vii) the Certification and Agreement entered into by the Partnership, the General Partners, and the Original Limited Partner, and dated ____;

(viii) the Development Fee Agreement entered into by the Developer and the Partnership, and dated _____ (the "Development Agreement");

(ix) the Budget Agreement, entered into by the General Partner, the Limited Partner, and the Special Limited Partner and dated _____;

(x) the Guaranty Agreement made by the Guarantor and dated _____;

(xi) the **[reservation letter/carryover allocation]** from _____ (the "State Agency") dated _____, 202_ awarding $_____ in federal tax credits annually for each of 10 years; and

(xii) such other documents, records and instruments as we have deemed necessary in order to enable us to render the opinions referred to in this letter.

For purposes of rendering the opinions stated below we have assumed that, in those cases in which we have not been involved directly in the preparation, execution or the filing of a document, (a) the document reviewed by us is an original document, or a true and accurate copy of the original document, and has not been subsequently amended, (b) the signatures on each original document are genuine, and (c) each party, other than the Partnership, the General Partner, the Developer and the Guarantor, who executed the document had proper authority and capacity to do so.

Based on the foregoing, we are of the opinion that:

(a) Capitol Area Community Development Corporation, one of the General Partners, is a non-profit public benefit corporation duly formed, validly existing and in good standing under the laws of the State of California and has full power and authority to enter into and perform its obligations under the Partnership Agreement and the other agreements referenced above to which it or the Partnership is a party (the "Related Agreements").

(b) The Partnership is a limited partnership duly formed, validly existing, and in good standing under the laws of the State of California and the provisions of the Partnership Agreement and the Related Agreements conform with California law.

(c) The Partnership has full power and authority to own, develop, construct, finance and operate the Apartment Housing and to otherwise conduct business under the Partnership Agreement and the Related Agreements.

(d) Execution of the Partnership Agreement and the Related Agreements by the General Partners and the Partnership, as applicable, has been duly and validly authorized by or on behalf of the General Partners and the Partnership, as applicable, and, having been executed and delivered in accordance with its terms, each of the Partnership Agreement and the Related Agreements constitutes the valid and binding agreement of the General Partners and the Partnership, as applicable, enforceable in accordance with its terms.

(e) The execution and delivery of the Partnership Agreement and the Related Agreements by the General Partners**,** the Developer, and the Guarantor do not conflict with and

will not result in a breach of any of the terms, provisions or conditions of any agreement or instrument known to counsel to which any of the General Partners, the Partnership, the Developer or the Guarantor is a party or by which any of them may be bound, or any law, order, rule, or regulation applicable to any of such parties of any court or governmental body or administrative agency having jurisdiction over any of such parties or over the property.

(f) To the best of counsel's knowledge, after due inquiry, there is no litigation or governmental proceeding pending or threatened against, or involving the Apartment Housing, the Partnership, or any General Partner, the Guarantor, or the Developer which would materially adversely affect the condition (financial or otherwise) or business of the Apartment Housing, the Partnership or any of the partners of the Partnership.

(g) To the best of counsel's knowledge, after due inquiry, there is no default existing or any condition which, with the passage of time or the giving of notice, or both, would result in a default under any agreement binding on the General Partner, the Guarantor, or the Developer relating to the Apartment Housing and none of the General Partner, the Guarantor or the Developer is in default with respect to any order, writ, injunction, decree or demand of any court or governmental authority.

(h) The Limited Partner and the Special Limited Partner have been admitted to the Partnership as limited partners of the Partnership under California law and are entitled to all of the rights of limited partners under the Partnership Agreement. Except as described in the Partnership Agreement, no person is a partner of or has any legal or equitable interest in the Partnership, and all former partners of record or known to counsel have validly withdrawn from the Partnership and have released any claims against the Partnership arising out of their participation as partners therein.

(i) Liability of the Limited Partner and the Special Limited Partner for obligations of the Partnership is limited to the amount of their capital contributions required by the Partnership Agreement. Exercise by the Limited Partner and the Special Limited Partner of their rights under the Partnership Agreement will not constitute taking part in the control or management of the business of the Partnership under California law.

(j) Neither the General Partners of the Partnership nor the Limited Partner nor the Special Limited Partner will have any liability for the Mortgage Loan (as such term is defined in the Partnership Agreement), and the lender of the Mortgage Loan will look only to its security in the Apartment Housing for repayment of the Mortgage Loan.

(k) The Partnership owns a fee simple interest in the Apartment Housing

(l) The Apartment Housing was not required to obtain an allocation of low-income housing tax credits ("LIHTC") from the State Agency because it is financed with the proceeds of tax-exempt bonds. The final determination of the amount of LIHTC available with respect to the Apartment Housing and the ultimate eligibility of the Apartment Housing for such final determination are subject to a series of requirements which must be met, performed or achieved at various times prior to and after the date that the Apartment Housing is placed in service.

Assuming all such requirements are met, performed or achieved at the time or times provided by applicable laws and regulations, the Apartment Housing will qualify for LIHTC.

(m) The Guarantor, if not an individual, was incorporated, duly organized, and is validly existing and in good standing under the laws of the State of California, is qualified to do business in every jurisdiction in which because of the nature of its activities or properties qualification is appropriate, and has all requisite power and authority to own and operate its properties and to carry on its business as now conducted.

(n) Each Guarantor (i) has full power and authority to execute, deliver and perform its obligations under and (ii) has duly authorized the execution, delivery and performance of the Guaranty Agreement (the "Guaranty"). The Guaranty has been duly executed and delivered by the Guarantor and constitutes the legal, valid and binding obligation of the Guarantor enforceable in accordance with its terms except as the enforceability thereof may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the enforcement of creditor's rights generally and general principles of equity (regardless of whether enforceability is considered a proceeding at law or equity).

(o) The Developer was incorporated, duly organized, and is validly existing and in good standing under the laws of the State of California, is qualified to do business in every jurisdiction in which because of the nature of its activities or properties qualification is appropriate, and has all requisite power and authority to own and operate its properties and to carry on its business as now conducted.

(p) The Developer (i) has full power and authority to execute, deliver and perform its obligations under, and (ii) has duly authorized the execution, delivery and performance of the Development Agreement. The Development Agreement has been duly executed and delivered by the Developer and constitutes the legal, valid and binding obligation of the Developer enforceable in accordance with its terms except as the enforceability thereof may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the enforcement of creditor's rights generally and general principles of equity (regardless of whether enforceability is considered a proceeding at law or equity).

**[Note – If the transaction has state low income or other local tax credits or property tax exemption, appropriate opinions regarding eligibility for credits or exemption should be added.]**

I am a member of the Bar of the State of California and express no opinion as to the laws applicable in any other jurisdiction. All of the opinions set forth above are qualified to the extent that the validity of any provision of any agreement may be subject to or affected by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally. We do not express any opinion as to the availability of any equitable or specific remedy upon any breach of any of the covenants, warranties or other provisions contained in any agreement. We have not examined, and we express no opinion with respect to, the applicability of, or liability under, any Federal, state or local law, ordinance or regulation governing or pertaining to environmental matters, hazardous wastes, toxic substances or the like.

We express no opinion as to any matter except those set forth above. These opinions are rendered for use by the Limited Partner, its assignees, the Special Limited Partner and their legal counsel which may rely on this opinion. This opinion may not be delivered to or relied upon by any other person or entity without our express written consent.

Sincerely,

_____

## SECTION 3
## DEVELOPMENT FEE PAYMENTS

**3.1 Prior Services Rendered**. The Parties acknowledge and agree that Developer has earned the sum of $479,259 for services rendered prior to the date hereof, that said amount is reasonable in relation to the work performed, is fully earned as of that date and said amount will be paid in any event notwithstanding the termination of this Agreement. The Parties further acknowledge and agree that the Owner has accrued the Development Fee of $479,259, under its method of accounting.

**3.2 Payment of Development Fee**. The Development Fee will be paid to the Developer from capital contribution payments received by the Owner in accordance with Section 9.2(b) of the Partnership Agreement and from Construction Loan proceeds as permitted in the Construction Loan documents or approved by the Special Limited Partner. As between Youssefi and CACDC, Youssefi will be paid any deferred Development Fee in full prior to payment to CACDC. If the Development Fee is not paid in full in accordance with Section 9.2(b) of the Partnership Agreement, then the balance of the Development Fee will be paid from (i) available Net Operating Income in accordance with Section 11.1 of the Partnership Agreement; (ii) available sources as provided in Section 9.2(a) of the Partnership Agreement; or (iii) with funds provided by the Guarantor as required by the Guaranty Agreement, but in no event later than December 31, 2036**.**

## SECTION 4
## TERMINATION

Neither Party to this Agreement will have the right to terminate this Agreement prior to the expiration of the term without cause. Owner may terminate this Agreement without further liability, for cause, which means any one of the following:

(a) a material breach by Developer of its obligations under this Agreement that is not cured within 30 days after notice thereof (or, as to any non-monetary obligations that is not reasonably capable of cure within 30 days, and provided that cure is commenced within 10 days of notice and diligently pursued thereafter to completion, within such time as may reasonably be necessary to complete such cure);

(b) a fraudulent or intentionally incorrect report by Developer to Owner with respect to the Apartment Housing; or

(c) any intentional misconduct or gross negligence by Developer with respect to its duties under this Contract.

Upon proper termination of this Agreement by Owner pursuant to this Section 4, all rights of Developer to receive unearned Development Fees pursuant to this Agreement with respect to services not yet performed will terminate. Developer will receive the full Development Fee for Prior Services and will receive a portion of the Development Fee for Future Services based on the percentage of Completion of Construction of the Apartment Housing at the time of termination. Nothing in this Section 4 will be deemed to prevent Owner from bringing an action against Developer to recover fully all damages resulting from any of the causes set forth in paragraphs (a), (b) or (c) above, or to prevent Owner from contending in any action or proceeding that the Future Services were not earned by Developer.

**5.9 Further Assurances**. Each Party agrees, at the request of the other Party, at any time and from time to time after the date hereof, to execute and deliver all such further documents, and to take and forbear from all such action, as may be reasonably necessary or appropriate in order more effectively to perfect the transfers or rights contemplated herein or otherwise to confirm or carry out the provisions of this Agreement.

All arbitrators will be active California State Bar members in good standing. In addition to all other powers, the arbitrator(s) will have the exclusive right to determine all issues of arbitrability. The Owner, the General Partner, the Limited Partner, and the Special Limited Partner collectively may be referred to as the "Parties" or individually may be referred to as a "Party."

## RECITALS

A. The Owner has acquired approximately 0.255 acres of land in Sacramento, Sacramento County, California (the "Real Property").

B. The Owner intends to develop on the Real Property a 58 unit low-income rental housing complex and other related improvements for family use, which are intended to qualify for federal low-income housing tax credits (the "Apartment Housing").

C. On even date herewith, an amended and restated partnership agreement for the Owner ("Partnership Agreement") was entered into by and between the General Partner, the Limited Partner, and the Special Limited Partner (the Partnership Agreement is incorporated herein by this reference as if the same were reproduced in full and any capitalized terms not defined in this Agreement have the meaning as defined in the Partnership Agreement).

D. The Parties recognize and acknowledge that the final construction cost determination involves substantial negotiations with lenders, contractors and governmental authorities.

E. The Parties recognize and acknowledge that a final operating budget involves substantial negotiations with lenders and governmental authorities.

F. The Limited Partner's and the Special Limited Partner's decision to execute the Partnership Agreement is based, in part, on their acceptance of the sources of funds available to develop the Apartment Housing, the cost of construction to build the Apartment Housing and the operating budget necessary to provide a positive Debt Service Coverage.

Now therefore, in consideration of the foregoing recitals which are a part of this Agreement, the mutual promises and undertakings in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows.

Capital Contributions of the General Partner, the Limited Partner and the Special Limited Partner and other sources approved by the Special Limited Partner. Moreover, the Sources and Application of Funds specify the tax treatment of various items, which were considered and included in the underwriting and pricing of the Limited Partner's Capital Contribution. Unless expressly permitted in the Partnership Agreement, Consent of the Special Limited Partner is required for any change to the Sources and Application of Funds.

**2. Development Budget**. Attached hereto as Exhibit B and incorporated herein by this reference is the Development Budget in an amount equal to $20,703,935. The Owner acknowledges and represents that the attached Development Budget includes the total of hard costs, soft costs and all other expenses to acquire, develop and construct the Real Property and the Apartment Housing.

**3. Construction Proforma**. Attached hereto as Exhibit C and incorporated herein by this reference is the Construction Proforma. The Owner acknowledges and represents that the attached Construction Proforma has been reviewed by and approved by the Contractor, the Construction Lender, the Mortgage Lender, if applicable, and any governmental authorities if applicable. In accordance with Section 6.2(a) of the Partnership Agreement, if there are inadequate proceeds to pay the actual hard costs and soft costs of acquiring, developing and constructing the Apartment Housing (other than any deferred Development Fee) then the General Partner shall be responsible for and shall be obligated to pay such deficiencies.

**4**. **Time Line**. Attached hereto as Exhibit D and incorporated herein by this reference is a construction time line, Gantt chart or similar graph approved by the Special Limited Partner. The time line will include, at a minimum, a month-to-month, building-by-building analysis as to when each trade will start and complete the work for which they have been retained. If at any time during construction there is, or anticipated to be, a change in the construction schedule as displayed in the time line then the General Partner shall update the time line and provide the same to the Limited Partner and Special Limited Partner.

**5. Operating Proforma**. Attached hereto as Exhibit E and incorporated herein by this reference is the Operating Proforma. The Owner acknowledges and represents that the attached Operating Proforma has been reviewed by and approved by the Construction Lender, the Mortgage Lender and any governmental authorities, if applicable.

**6. Notices**. Any notice given pursuant to this Agreement may be served personally on the Party to be notified, or may be sent by overnight courier, or by certified mail to the following address, or to such other address as a Party may from time to time designate in writing:

# GUARANTY AGREEMENT

This Guaranty Agreement ( "Agreement") is made as of May __, 2021 (the "Effective Date") by CAPITOL AREA COMMUNITY DEVELOPMENT CORPORATION, a California non-profit public benefit corporation ("Guarantor"), for the benefit of 1322 O St Investors LP, a California limited partnership (the "Partnership"), and WNC Holding, LLC, a California limited liability company, and its successors and assignees (the "Limited Partner").

## RECITALS

**WHEREAS**, on even date herewith, an amended and restated partnership agreement for the Partnership (the "Partnership Agreement") was entered into by and between Capitol Area Community Development Corporation and Cyrus Youssefi, an individual resident of the State of California, as the general partners (collectively, the "General Partner"), WNC Housing, L.P., a California limited partnership, as the special limited partner, and the Limited Partner as the limited partner (the Partnership Agreement is incorporated herein by this reference as if the same were reproduced in full and any capitalized terms not defined in this Agreement will have the meaning as defined in the Partnership Agreement).

**WHEREAS**, pursuant to the terms of the Partnership Agreement, the General Partner: (1) is required to guarantee the completion of construction of a 58 unit low to moderate income housing complex located in Sacramento, Sacramento County, California, as more fully described in Exhibit A attached hereto and incorporated herein by this reference, and any and all improvements now or hereafter to be constructed thereon (the "Apartment Housing"); (2) is required to guarantee the payment of all Operating Deficits incurred by the Partnership as a result of the operations of the Apartment Housing, including but not limited to real estate taxes; (3) is required to guarantee the annual allocation of tax credits to the Limited Partner; and (4) other matters identified in the Partnership Agreement.

**WHEREAS**, the Limited Partner would not have entered into the Partnership Agreement as a limited partner but for the agreement of Guarantor to provide the financial funds necessary to achieve Completion of Construction, to pay Operating Deficits, to pay Tax Credit deficits, and to guarantee certain other obligations of the General Partner. Guarantor is a General Partner of the Partnership and will therefore benefit from the acquisition by the Limited Partner of a limited partnership interest in the Partnership.

**NOW THEREFORE**, in consideration of the foregoing and the promises, covenants and undertakings herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor hereby agrees as follows:

**SECTION 1**. Guarantor hereby guarantees to the Partnership and the Limited Partner, as applicable, the prompt payment and full performance of the provisions under Section 6.2, Section 6.3, Section 7.3, Section 7.4(a), Section 7.4(b), Section 7.4(c), Section 7.4(d), Article VIII, Section 9.2(a), Section 9.12, Section 9.13, Section 13.1(b), Section 15.3(b), and Section 17.10 of the Partnership Agreement, including all modifications thereof, pursuant to and in accordance with the terms and conditions set forth in the Partnership Agreement and in this Agreement. Guarantor also guarantees prompt payment of the Development Fee payable

pursuant to the Development Fee Agreement entered into by Developer and the Partnership as of even date herewith.

**SECTION 2**. Guarantor further agrees to pay all expenses paid or incurred by the Partnership and/or Limited Partner in endeavoring to collect Guarantor's obligations, or any part thereof, and in enforcing the provisions of this Agreement, including reasonable attorneys' fees if collected or enforced by law or through an attorney-at-law.

**SECTION 3**. No delay or failure on the part of the Partnership or Limited Partner in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Partnership of any right or remedy shall preclude other or future exercise thereof or the exercise of any other right or remedy. No action of the Partnership permitted hereunder shall in any way impair or affect this Agreement. For the purpose of this Agreement, Guarantor's obligations are guaranteed notwithstanding any right or power of anyone else to assert any claim or defense as to the invalidity or unenforceability of any such obligation, and no such third party claim or defense shall impair or affect the obligations of Guarantor hereunder.

**SECTION 4**. This Agreement shall survive the death of any individual guarantor and shall be binding upon the Parties, and upon their legal representatives, estates, heirs (solely in their capacity as heirs), successors and assigns. Regarding the Limited Partner, this Agreement shall inure to the benefit of the successors, assignees or transferees of the Limited Partner.

**SECTION 5**. This Agreement has been made and delivered in the State of California and shall be construed and governed under California law.

**SECTION 6**. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**SECTION 7**. The Parties recognize and acknowledge, and Guarantor agrees and consents, that if the Partnership does not take legal action to enforce this Agreement, if and when by the terms of this Agreement it is enforceable, then the Limited Partner or its assignee may, on its own behalf and in its own name, commence legal proceedings to enforce the terms of this Agreement.

**SECTION 8**. Whenever the singular or plural number, masculine or feminine or neuter is used herein, it shall equally include the other where applicable.

**SECTION 9**. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and said counterparts shall constitute but one and the same instrument which may sufficiently be evidenced by one counterpart.

**SECTION 10**. The Guarantor (together with all other guarantors of the General Partner's obligations as set forth in Section 1, above) shall maintain a net worth equal to at least $5,000,000 and aggregate liquid assets equal to at least $1,000,000, computed in accordance with

generally accepted accounting principles and shall, by March 31st of each year, provide annual audited financial statements to Limited Partner as evidence of such net worth.

**SECTION 11.** Guarantor consents to the jurisdiction and venue of the courts of Sacramento County in the State of California and/or to the jurisdiction and venue of any United States District Court in the State of California having jurisdiction over Sacramento County in any action or judicial proceeding brought to enforce, construe or interpret this Agreement. Guarantor agrees to stipulate in any such proceeding that this Agreement is to be considered for all purposes to have been executed and delivered within the geographical boundaries of the State of California, even if it was, in fact, executed and delivered elsewhere.

**SECTION 12.** Guarantor covenants and agrees that neither its obligations to make payment in accordance with the terms of this Agreement nor any remedy for the enforcement thereof shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of a General Partner, or any remedy for the enforcement thereof resulting from the operation of any present or future provision of the bankruptcy laws or other statute, or from the decision of any court, nor shall such obligation or remedy for enforcement be impaired, modified, changed, released or limited in any manner by such event of bankruptcy.

**SECTION 13.** Guarantor covenants and agrees that the execution and delivery and the observance and performance of this Agreement by said Guarantor does not and will not conflict with or result in a breach of the terms or provisions of any existing rule, regulation or order of any court or governmental body or of any indenture, agreement or instrument to which any Guarantor is party, or by which it is bound, or to which it is subject, or constitute a default thereunder, and that this Agreement has been duly executed and delivered by Guarantor and constitutes a valid and binding Guaranty enforceable in accordance with its terms.

**SECTION 14.** This Agreement shall not be subject to any reduction, limitation, impairment, revocation or termination for any reason (other than the indefeasible payment in full in cash of any indebtedness or performance of the obligations), including but not limited to any claim of waiver, release, surrender, alteration or compromise of any of the indebtedness, and shall not be subject to any defense or setoff, counterclaim, recoupment, revocation or termination whatsoever, whether by reason of the invalidity, illegality or unenforceability of the indebtedness, the obligations or otherwise. Guarantor waives all presentments, demands for performance, notices of non-performance, protests, notices of protest, notices of dishonor, and notices of acceptance of this Agreement. Guarantor shall be jointly and severally liable for the obligations hereunder with any other guarantor thereof.

**SECTION 15.** It is expressly understood and agreed that this is a continuing guaranty and that any claim made by the Partnership or the Limited Partner against Guarantor pursuant to this Agreement shall not preclude the Partnership or the Limited Partner from making a claim against any Guarantor for future payments. Any payment made by Guarantor pursuant to this Agreement shall satisfy the obligation of the Partnership or the General Partner, as the case may be, to make such payment, as if the Partnership or the General Partner, as the case may be, had made such payment itself.

**SECTION 16.** All rights, powers and remedies of the Partnership and the Limited Partner hereunder shall be cumulative and not alternative and shall be in addition to all rights, powers and remedies given to the Partnership and the Limited Partner by law or in equity.

**SECTION 17.** Each Guarantor represents that it or he has read such of the documents given in connection with the Partnership Agreement as it or he deems it necessary or desirable to read and that it or he understands the terms of the Partnership Agreement and this Agreement, including, without limitation, the effect of each of the waivers contained herein, and is competent to execute this Agreement. Each Guarantor further covenants that it shall execute and deliver such further instruments and do further acts and things as may be reasonably required to carry out the intent and purposes of this Agreement, including, but not limited to, the execution of a document reaffirming each of Guarantor's payment obligations contained in this Agreement for the benefit of any successor to any Limited Partner.

**SECTION 18.** Each Guarantor warrants having established with the Partnership and the General Partner adequate means of obtaining, on an ongoing basis, such information as Guarantor may require concerning all matters bearing on the risk of nonpayment or nonperformance of the obligations. Each Guarantor assumes sole, continuing responsibility for obtaining such information from sources other than from the Partnership or the Limited Partner. Neither the Partnership nor the Limited Partner shall have any duty to provide any information to Guarantor.

**SECTION 19** Each Guarantor hereby waives and agrees not to assert or take advantage of (1) all duty or obligation on the part of the Limited Partner to perfect, protect, not impair, retain or enforce any security for the payment of any indebtedness or performance of any of the other obligations guaranteed hereby, or (2) the defense of the statute of limitations and all suretyship defenses and defenses in the nature thereof in any action hereunder or in any action for the collection of any indebtedness or the performance of any other obligations guaranteed hereby.

**SECTION 20** This Agreement is a guaranty of payment and not of collection and is not conditioned or contingent upon the genuineness, validity, regularity or enforceability of the Partnership Agreement. Guarantor waives any right to require the Partnership or the Limited Partner to (a) proceed against the General Partner; (b) proceed against or exhaust any security held by the General Partner; or (c) pursue any other remedy in the Partnership's or the Limited Partner's power whatsoever. Guarantor agrees to waive any right of subrogation or reimbursement against the Partnership, or the General Partner, any right of subrogation against any collateral or security provided for in the Partnership Agreement and any right of contribution against any other guarantor or pledgor unless and until all amounts due by the General Partner under the Partnership Agreement have been paid in full and the Limited Partner has released, transferred or disposed of all of its right, title and interest in any collateral or security. To the extent Guarantor's waiver of these rights of subrogation, reimbursement or contribution as set forth herein are found by a court of competent jurisdiction to be void or voidable for any reason, Guarantor agrees that all rights of subrogation and reimbursement against the Limited Partner and all rights of subrogation against any collateral or security shall be junior and subordinate to the Limited Partner's rights against the Partnership or the General Partner and to the Limited Partner's right, title and interest in such collateral or security, and all rights of contribution

against any other guarantor or pledgor shall be junior and subordinate to the Limited Partner's rights against such other guarantor or pledgor.

**SECTION 21** In accordance with California Civil Code ("CC") Section 2856, Guarantor waives any and all rights of subrogation, reimbursement, indemnification and contribution and any other rights and defenses that are or may become available to Guarantor by reason of CC Sections 2787 to 2855, inclusive, 2899 and 3433 including, without limitation, any and all rights or defenses Guarantor may have by reason of protection afforded to the principal with respect to any of the guaranteed obligations or to any other guarantor of any of the guaranteed obligations with respect to such guarantor's obligations under its guaranty, in either case, pursuant to the antideficiency or other laws of this state limiting or discharging the principal's indebtedness or such other guarantor's obligations, including, without limitation, California Code of Civil Procedure ("CCP") Section 580a, 580b, 580d or 726; and Guarantor waives all rights and defenses arising out of an election of remedies by the Limited Partner or the Partnership, even though that election of remedies, such as a nonjudicial foreclosure with respect to any security for the guaranteed obligations, has destroyed Guarantor's rights of subrogation and reimbursement against the General Partner by the operation of CCP Section 580d or otherwise, and even though that election of remedies has destroyed Guarantor's rights of contribution against another guarantor of any of the guaranteed obligations. No other provision of this Agreement shall be construed as limiting the generality of any of the covenants and waivers set forth in this Section 21.

Accordingly, the parties do hereby covenant and agree as follows:

Any controversy, dispute, or claim of whatever nature arising out of, in connection with, or in relation to the interpretation, performance or breach of this Contract, including any claim based on contract, tort, or statue, shall be settled, at the request of any party to this Contract through a dispute resolution process administered by Judicial Arbitration & Mediation Services, Inc. Thereafter each party shall, within ten (10) days of receipt of said statement, deposit said sum with the arbitrator. Failure of any party to make such a deposit shall result in a forfeiture by the non-depositing party of the right to prosecute or defend the claim which is the subject of the arbitration, but shall not otherwise serve to abate, stay or suspend the arbitration proceedings.

29. Indemnification.

a. The Agent agrees:

(1) To indemnify, defend, and save the Owner, its officers, directors, and employees harmless from all suits, claims, liability and damages arising from and out of the Agent's or the Agent's employees willful or gross negligent acts in connection with or related to the Development. (1) To indemnify, defend and save the Agent, its officers, directors and employees, harmless from all costs, expenses, attorney's fees, suits, liabilities, damages or claim for damages, including but not limited to those arising out of any injury or death to any employee, or other person, or damage to the property in any way relating to the management of the Development not caused by the willful or gross negligent acts of Agent or its employees.

(2) To pay all expenses incurred by the Agent, including attorney's fees for counsel employed to represent the Agent in any proceeding or suit involving an alleged violation by the Agent or Owner or both, of any constitutional provision, statute, ordinance, law or regulation of any governmental body pertaining to fair employment, Federal Fair Credit Reporting Act, American Disabilities Act, environmental protection or prohibiting or making illegal discrimination on the basis of race, creed, color, ancestry, religion, sex, marital status, children, handicap, or national origin in the sale, rental or other disposition of housing or any services rendered in connection therewith, unless the Owner's liability is adjudicated to have been caused in whole or in part by the acts or omissions of the Agent. Nothing herein contained shall require the Agent to employ counsel to represent the Owner in any such proceeding or suit.

(3) To indemnify, defend and save the Agent harmless from all claims, investigations, and suits which may arise, with respect to any alleged or actual wrongful termination of employment or actual wrongful termination of employment or violation of state or federal labor laws, unless the Owner's liability is adjudicated to have been caused in whole or in part by the acts or omissions of Agent.

c. Owner and Agent agree that:

(1) Counsel chosen by any party hereto to represent the other party's interest, pursuant to any of the foregoing Agreements to defend, shall be reasonably acceptable to the other party and reasonable notice and opportunity to comment on such choice of counsel and significant procedural events in the litigation or other proceeding shall be given to the other party. To the extent reasonably prudent, and in an effort to avoid double defense costs, the parties agree to waive any conflict which may arise out of joint representation, and leave to the conclusion of the litigation or other proceeding questions of indemnity and contribution.

30. Fidelity Bond. Manager shall secure and maintain during the term of this contract fidelity and blanket crime coverage, including employee dishonesty and depositor's forgery endorsements, protecting Manager against fraudulent or dishonest acts of its employees, whether acting alone or with others, with limits of liability of at least two month's gross rental income for the Apartment Complex.

IN WITNESS WHEREOF, the Principal Parties, by their duly authorized officers, have executed this contract on the date written above.

13. **ASSIGNMENT AND ASSUMPTION.** Borrower shall not assign any of its interests under this Note to any other party, except as specifically permitted under the terms of the Loan Documents, without the prior written consent of Lender, which shall not be unreasonably withheld.

No waiver shall be implied from any delay or failure by Lender to take action on any breach or default by Borrower or to pursue any remedy allowed under this Note or applicable law. Any extension of time granted to Borrower to perform any obligation under this Note must be in writing signed by Lender and shall not operate as a waiver or release from any of Borrower's obligations under the Note. Consent by Lender to any act or omission by Borrower shall not be construed to be a consent to any other act or omission or to waive the requirement for Lender's written consent to future waivers.

8. Assessment Bonds. Trustor agrees to pay any and all assessments against said Property at least ten (10) days before any bond or bonds could or would be issued in connection therewith, unless Beneficiary determines in its sole discretion that its security would not be impaired if the assessments were not paid in full.

9. Assessments on Water Bonds. Trustor agrees to pay before delinquency all assessments upon the stock of any water company which stock may be used in connection with said Property, and all rents, assessments or charges for water appurtenant to or used in connection with said Property and/or for the flumes, ditches, pipes or aqueducts in which such water may be furnished or delivered; and all such stock is hereby expressly made a part of the security hereof.

11. Beneficiary Statement. Trustor agrees to pay to the Beneficiary any reasonable amount charged by the Beneficiary, not to exceed the maximum allowed by law, for any statement regarding the obligation secured hereby furnished by the Beneficiary upon demand by the Trustor, the charge for each such statement to be payable immediately upon furnishing of the statement.

12. Assignment of Rents and Leases.

12.1 Trustor does hereby immediately and absolutely assign, transfer and set over to the Beneficiary all the rents, issues, proceeds and profits which may be or may become due or to which the Trustor may now or hereafter become entitled, arising or issuing out of, under or by virtue of any and all leases and/or rental agreements, and any and all extensions or renewals thereof, now or hereafter entered into for the parking structure located on the Property or any part thereof, or for any improvements located thereon, and all other rents, issues, proceeds and profits due or accruing from the Property or any part thereof or the improvements located thereon. Trustor hereby gives to and confers upon Beneficiary the right, power and authority to collect such rents, issues, proceeds and profits. The assignment herein contained and all rights provided to Beneficiary by this Section are granted without regard to the adequacy of the Property as security for payment of the indebtedness secured by this Deed of Trust. This assignment is delivered as a present, immediate and absolute assignment of the rights contained herein; provided, however, that so long as no default shall exist under this Deed of Trust or the indebtedness secured hereby, the Trustor shall have the right to manage and operate the Property and all improvements thereon, and to collect, receive and apply for its own account all rents, issues and proceeds accruing by virtue of any lease or rental agreement and to execute and deliver proper receipts thereof. Immediately upon the occurrence of any default under this Deed of Trust or the indebtedness secured hereby, and until such default shall have been cured, the right of the Trustor to manage and operate the Property and to collect and receive rents shall cease and terminate and in such event the Beneficiary is hereby expressly and irrevocably authorized to enter into and take possession of the Property and the improvements located thereon by actual physical possession, or by appointment of a receiver or by a competent court or by written notice served personally upon or sent by registered mail to the Trustor, as the Beneficiary may elect, or by any other legal means, and to exclude the Trustor and all other persons therefrom. Following such entry and taking of possession the Beneficiary may operate and manage the Property and rent and lease the same and collect any and all rents, issues, income and profits therefrom, and from time to time apply same or accumulate same for application, in such order and manner as Beneficiary, in its sole discretion shall consider advisable. Beneficiary may apply such amounts to (i) the necessary and proper costs of upkeep, maintenance, repair and/or operation of the Property; (ii) the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust; (iii) the interest then due or next to become due upon said indebtedness; (iv) the taxes and assessments upon the Property then due or next to become due; (v) the unpaid principal of said indebtedness; and (vi) any other obligations secured by this Deed of Trust. The collection and/or receipt of rents, issues, income and/or profits from the Property by Beneficiary after declaration of default and election to cause the Property to be sold pursuant to the terms of this Deed of Trust shall not affect or impair such default or declaration of default or election to cause the Property to be sold or any sale proceeding predicated thereon, but such proceedings may be conducted and sale effected notwithstanding the receipt and/or collection of any such rents, issues, income and/or profits. Any such rents, issues, income and/or profits in the possession of said Beneficiary at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale. In addition to Beneficiary's rights under this Section, Beneficiary shall have all of the rights and remedies to which Beneficiary is entitled under California Civil Code Section 2938, and nothing contained in this Section 12 shall be construed as a limitation or waiver of any such rights or remedies.

12.2 Trustor agrees to assign to the Beneficiary, upon request, as security for the indebtedness secured hereby, the Trustor's interests in any or all leases, and the Trustor's interests in all agreements, contracts, licenses and permits affecting said property, such

assignments to be made by instruments in form reasonably satisfactory to the Beneficiary; but no such assignment shall be construed as a consent by the Beneficiary to any lease, agreement, contract, license or permit so assigned, or to impose upon the Beneficiary any obligations with respect thereto.

13. Modification and Termination of Leases and Rent Pre-payment. Except in the ordinary course of business, Trustor agrees not to cancel any of the leases assigned or subject to assignment to Beneficiary pursuant to Section 11.2 hereof, nor terminate or accept a surrender thereof (except in accordance with the terms of the assignment) or reduce the payment of the rent thereunder or modify any of said leases (except in accordance with the terms of the assignment) or accept any prepayment of rent therein without first obtaining, on each occasion, the written approval of the Beneficiary.

14. Performance of Leases. Trustor agrees to faithfully keep and perform all of the obligations of the landlord under all of the leases assigned or subject to assignment to the Beneficiary pursuant to Section 11 above and not to permit to accrue to any tenant under any such lease any right to prepaid rent pursuant to the terms of any lease other than the usual prepayment of rent as would result from the acceptance by the landlord on the first day of each month for the rent for the ensuing month, according to the terms of the various leases.

15. Rent Roll. Trustor agrees to deliver to Beneficiary within ninety days after the expiration of each calendar year, a rent roll of the Property showing the name and street address of all tenants in occupancy, the rent currently owed, the respective lease commencement and expiration dates, the amount of common area or expense contribution, if any, for each tenant, as well as whether there are any concessions, free rent periods or rebates.

16. Use. Trustor agrees to operate such Property at all times in the manner permitted by the Regulatory Agreement.

17. Prohibition of Sale or Encumbrance.

17.1 Prohibition of Sale or Encumbrance. Except as provided in the Note, Trustor shall not, without the prior written consent of Beneficiary, which consent may be given or withheld by Beneficiary in its sole discretion, sell, convey, encumber or transfer the herein described Property, or any part of it, or any interest in it, by the operation of law or otherwise. If Trustor is a corporation, limited liability company, partnership or joint venture, any change in the ownership, control or management of, or interest (other than interests of limited partners) in, Trustor shall be deemed to be a transfer of the Property.

Upon the occurrence of any such transaction with Beneficiary's consent, or without Beneficiary's consent if Beneficiary elects not to exercise its rights and remedies in the event of default (including, but not limited to, acceleration of the indebtedness secured hereby), Beneficiary (i) may charge a processing fee pursuant to Section 9 in connection with the change, and (ii) shall not be obligated to release Trustor from any liability hereunder or under the Notes or under any of the other documents evidencing or securing the Notes secured hereby. Consent to any such transaction shall not be deemed to be consent, or a waiver of the requirement of consent, to any other transaction.

Notwithstanding the foregoing, neither the withdrawal, removal, replacement, and/or addition of a general partner of the Trustor pursuant to the terms of the Amended and Restated Agreement of Limited Partnership of the Trustor dated as of May __, 2021 ("Partnership

Agreement"), nor the withdrawal, replacement, and/or addition of any of its limited partners or its limited partner's general partners or members, shall constitute a default under the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that any required substitute general partner is reasonably acceptable to Beneficiary and is selected with reasonable promptness. Any substitute general partner that is an affiliate of the Trustor's limited partner is hereby deemed acceptable to Beneficiary.

18. Licenses. As of the date of this Deed of Trust and at all times thereafter during the term of the loan Trustor shall have and maintain in full force and effect such certificates, consents, licenses, approvals and permits from the proper authorities as are required to operate the Property for the purpose(s) set forth in Section 15 above. A failure on the part of the Trustor or any subsequent owner to maintain any such required certificate, consent, license, approval, or permit in effect or a failure to obtain renewal thereof prior to expiration, shall constitute a default under the terms of this Deed of Trust for which the Beneficiary shall have the right, as its option, upon the expiration of any cure periods, to declare the entire indebtedness evidenced by said Note and hereby secured to be immediately due and payable.

19. Security Interest in Personal Property. Trustor hereby grants to Beneficiary a security interest in and to all personal Property described as the Collateral in Exhibit B. This Deed of Trust constitutes a security agreement with respect to all of the Collateral, and Beneficiary shall have all of the rights and remedies of a secured party under the California Uniform Commercial Code as well as all other rights and remedies available at law or in equity. Trustor hereby agrees to execute, acknowledge and deliver on demand, and hereby irrevocably appoints Beneficiary as its attorney-in-fact, with full power of substitution, to execute, acknowledge, deliver and, if appropriate file with the appropriate filing officer or office, such security agreements, financing statements, continuation statements or other instruments as Beneficiary may reasonably require in order to impose, perfect or continue the perfection of, the lien or security interest created hereby. The above power of attorney is coupled with an interest and shall survive the death or incapacity of Trustor. Trustor shall pay all costs and expenses in connection with any such documents or of any record searches for financing statements that Beneficiary may require.

20. Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing in the real estate records of the county in which the Real Property is located with respect to any and all fixtures now or hereafter owned by Trustor and used in connection with the operation, occupancy and maintenance of the Property described in this Deed of Trust and with respect to any goods or other personal property owned by Trustor that may now be or hereafter become such fixtures.

21. Foreclosure on Collateral. Without limiting any other rights or remedies which Beneficiary or Trustee may have hereunder or under applicable law, including the right to conduct a unified foreclosure sale of real and personal Property, upon any default not cured within applicable cure periods Beneficiary or Trustee may conduct a public or private sale of the Collateral under the California Uniform Commercial Code pursuant to this Deed of Trust, and Trustor, upon demand by Beneficiary, shall assemble the Collateral and make it available to Beneficiary at the Property, a place which is hereby deemed to be reasonably convenient to Beneficiary and Trustor. Beneficiary shall give Trustor at least twenty (20) days prior written notice of the time and place of any public sale or other disposition of the Collateral, or of the time of or after which any private sale or other disposition of the Collateral is to be made; if such notice is sent to Trustor in accordance with the procedures for the mailing of notices set forth in

the last Section of this instrument, it is hereby deemed that such notice shall be and is reasonable notice to Trustor.

22. Maintenance of Fixtures and Collateral. At all times during the term hereof Trustor shall maintain a sufficient level of fixtures and Collateral to properly operate the said Property, which shall in any event not be materially less than that existing on the date hereof. Notwithstanding anything to the contrary in this Deed of Trust, during any time when not in default hereunder, Trustor shall have the right, subject to the prior concurrent satisfaction of the conditions set forth in the next sentence, to substitute and replace Collateral and fixtures in the ordinary course of business. To the extent the replacement Collateral and fixtures are of the same general type and are of at least the same value and upon acquisition of the substitute Collateral and fixtures by Trustor and placement thereof on the said real Property, the replaced Collateral and fixtures shall be deemed released from the lien hereof.

23. Maps and Restrictions. Trustor agrees that it will not without the consent of Beneficiary after the date hereof file or cause to be filed any subdivision or condominium map or plan, or any deed, plan or agreement for cooperative ownership of the Property, or any other covenants or restrictions affecting the Property.

24. Environmental Covenants. Trustor will at all times comply with the following requirements:

24.1 No Use, Disposal or Storage. Trustor shall not cause, permit or suffer any Hazardous Material (as defined in Section 25.3 to be brought upon, treated, kept, stored, disposed of, discharged, released, produced, manufactured, generated, refined or used upon, about or beneath the Property or any portion thereof by Trustor, its agents, employees, contractors, invitees, tenants, or any other person, except to the extent commonly used in the day to day operation of the Property and then only so long as in compliance with all Environmental Requirements (as defined in Section 25.2).

24.2 Compliance with Environmental Requirements. Trustor shall not cause, permit or suffer the existence or the commission by Trustor, its agents, employees, or contractors of a violation of any Environmental Requirements upon, about or beneath the Property or any portion thereof and Trustor shall use its best efforts to prevent any such violation of any Environmental Requirements by any invitees, tenants or any other person. Trustor shall notify Beneficiary in writing of any release of Hazardous Materials at, on, under or within the Property in violation of any Environmental Requirements, or of the presence of Hazardous Materials at the Property in violation of any Environmental Requirements, promptly upon discovery of such release or presence.

24.3 Environmental Liens. Trustor shall not create or suffer to exist with respect to the Property, or permit any of its agents to create or suffer to exist any lien, security interest or other charge or encumbrance of any kind, including without limitation, any lien imposed pursuant to Section 107(f) of the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. Section 9607(1)) or any similar state statute, and Trustor shall use its best efforts to prevent the creation of any such lien, security interest, charge or encumbrance by any of its tenants and shall not permit any of such tenants to suffer to exist any of such items.

24.4 Mitigation. Notwithstanding the obligation of Trustor to indemnify pursuant to Section 25 Trustor shall, at its sole cost and expense, promptly take all actions required by any federal, state or local governmental agency or political subdivision or which are otherwise

reasonably necessary in the sole reasonable discretion of Beneficiary to mitigate Environmental Damages (as defined in Section 25.1) arising from the presence upon, about or beneath the Property of a Hazardous Material, or from a violation of Environmental Requirements. Such actions shall include, but not be limited to, the investigation of the environmental condition of the Property, the preparation of any feasibility studies, reports or remedial plans, and the performance of any cleanup, remediation, containment, operation, maintenance, monitoring or restoration work, whether on or off of the Property. Trustor shall take all actions necessary to restore the Property to the condition existing prior to the introduction of Hazardous Material upon, about or beneath the Property, notwithstanding any lesser standard of remediation allowable under applicable law or governmental policies. Trustor shall proceed continuously and diligently with such investigatory and remedial actions, provided that in all cases such actions shall be in accordance with all applicable requirements of governmental entities. Any such actions shall be performed in a good, safe and workmanlike manner and shall minimize any impact on the business conducted at the Property. Trustor shall pay all costs in connection with such investigatory and remedial activities, including but not limited to all power and utility costs, and any and all taxes or fees that may be applicable to such activities. Trustor shall promptly provide to Beneficiary copies of testing results and reports that are generated in connection with the above activities. Promptly upon completion of such investigation and remediation, Trustor shall permanently seal or cap all monitoring wells and test holes to industrial standards in compliance with applicable federal, state and local laws and regulations, remove all associated equipment, and restore the Property to the maximum extent possible, which shall include, without limitation, the repair of any surface damage, including paving, caused by such investigation or remediation hereunder.

24.5 Notice of Environmental Risks. If Trustor shall become aware of or receive notice or other communication concerning any actual, alleged, suspected or threatened violation of Environmental Requirements, or liability of Trustor for Environmental Damages in connection with the Property or past or present activities of any person thereon, including but not limited to notice or other communication concerning any actual or threatened investigation, inquiry, lawsuit, claim, citation, directive, summons, proceeding, complaint, notice, order, writ, or injunction, relating to same, and including without limitation any notice or other communication from any tenant, then Trustor shall deliver to Beneficiary, within ten (10) days of the receipt of such notice of communication by Trustor, a written description of said violation, liability, correcting information or actual or threatened event or condition, together with copies of any documents evidencing same. Receipt of such notice shall not be deemed to create any obligation on the part of beneficiary to defend or otherwise respond to any such notification.

24.6 Notice of Test Results. Trustor shall promptly provide to Beneficiary the results of any tests and copies of all registration permits regarding any underground storage tanks located on the Property and Trustor shall comply with the same.

24.7 Right to Enter and Inspect. In the event Beneficiary reasonably believes that there has been a release or threatened release of a Hazardous Material on the Property or a breach of an Environmental Requirement or in the event of any default under this Deed of Trust or under the Note, Beneficiary shall have the right in its sole and absolute discretion, but not the duty, to enter upon the Property at any reasonable time, at the expense of Trustor, to conduct an inspection of the Property, including invasive tests, to determine compliance with all Environmental Requirements and the existence of any Environmental Damages as a result of the condition of the Property or any surrounding properties and activities thereon. Trustor hereby grants to Beneficiary, and the agents, employees, consultants and contractors of Beneficiary, the right to enter upon the Property and to perform such tests on the Property as

are necessary to conduct such reviews and investigations in accordance with the preceding sentence. Beneficiary shall use its best efforts to minimize interference with the business of Trustor and to restore the condition of the Property, but Beneficiary shall not be liable for any interference caused thereby or failure to restore if Beneficiary determines in its sole discretion that it is not economically practicable. Beneficiary shall reimburse Trustor for the cost of repair of any physical injury to the Property caused by the entry and inspection to the extent required by Civil Code Section 2929.5(c).

24.8 Reimbursement of Lender. In the event of any default under this Deed of Trust or under the Note, Trustor shall promptly reimburse Beneficiary for any environmental studies or tests which Beneficiary deems necessary to ascertain the presence and/or level of any Hazardous Materials on the Property.

25. Definitions of Environmental Terms. For the purposes of this Deed of Trust, the following terms shall have the following meanings:

25.1 "Environmental Damages" means all claims, judgments, damages (including without limitation, punitive damages), losses, penalties, fines, liabilities (including strict liability), encumbrances, liens, costs and expenses of investigation and defense of any claim, whether or not such is ultimately defeated, and of any settlement or judgment, of whatever kind or nature, contingent or otherwise, matured or unmatured, foreseeable or unforeseeable, including without limitation reasonable attorneys' fees and disbursements and consultants' fees, any of which are incurred at any time as a result of the existence of Hazardous Material upon, about, beneath the Property or migrating or threatening to migrate to or from the Property, or the existence of a violation of Environmental Requirements pertaining to the Property regardless of whether the existence of such Hazardous Material or the violation of Environmental Requirements arose prior to the present ownership or operation of the Property, and including, without limitation:

25.1.1 damages for personal injury, or injury to Property or natural resources occurring upon or off the Property, foreseeable or unforeseeable, including, without limitation, lost profits, consequential damages, the cost of demolition and rebuilding of any improvements on real property, interest and penalties including but not limited to claims brought by or on behalf of employees of Trustor, with respect to which Trustor waives, for the benefit of Beneficiary only, any immunity to which it may be entitled under any industrial or worker's compensation laws;

25.1.2 fees incurred for the services of attorneys, consultants, contractors, experts, laboratories and all other costs incurred in connection with the investigation, cleanup or remediation of such Hazardous Materials or violation of Environmental Requirements including but not limited to, the preparation of any feasibility studies or reports or the performance of any cleanup, remedial, removal, abatement, containment, closure, restoration or monitoring work required by any federal state or local governmental agency or political subdivision, or reasonably necessary to make full economic use of the Property or any other Property or otherwise expended in connection with such conditions, and including without limitation any attorneys' fees, costs and expenses incurred in enforcing this Deed of Trust or collecting any sums due hereunder; and

25.1.3 liability to any person or entity to indemnify such person or entity for costs expended in connection with the items referenced in sub-Section 24 hereof.

25.2 "Environmental Requirements" means all applicable present and future statutes, regulations, rules, ordinances, codes, licenses, permits, orders, approvals, plans, authorizations, concessions, franchises and similar items, of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof and all applicable judicial and administrative and regulatory decrees, judgments and orders relating to the protection of human health or the environment, including, without limitation:

25.2.1 all requirements, including but not limited to those pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Materials, chemical substances, pollutants, contaminants or hazardous or toxic substances, materials or wastes whether solid, liquid or gaseous in nature, into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, pollutants, contaminants or hazardous or toxic substances, materials, or wastes, whether solid, liquid or gaseous in nature; and

25.2.2 all requirements pertaining to the protection of the health and safety of employees or the public.

25.3 "Hazardous Materials" means any substance:

25.3.1 the presence of which requires investigation or remediation under any federal, state or local statute, regulation, rule, ordinance, order, action or policy; or

25.3.2 which is or becomes defined as a "hazardous waste" or "hazardous substance" or "pollutant" or "contaminant" under any federal, state or local statute, regulation, rule, or ordinance or amendments thereto including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. section 9601 et seq.) or the Resource Conservation and Recovery Act (42 U.S.C. section 6901 et seq.); or

25.3.3 which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority, agency, department, commission, board, agency or instrumentality of the United States, any State of the United States, or any political subdivision thereof; or

25.3.4 the presence of which on the Property causes or threatens to cause a nuisance upon the Property or to adjacent properties or poses or threatens to pose a hazard to the Property or to the health or safety of persons on or about the Property; or

25.3.5 which contains volatile organic compounds such as gasoline, diesel fuel or other petroleum hydrocarbons; or

25.3.6 which contains polychlorinated biphenyls (PCBs) or asbestos or asbestos-containing materials or urea formaldehyde foam insulation; or

25.3.7 radon gas.

26. Environmental Indemnity. Trustor agrees to indemnify, reimburse, defend, exonerate, pay and hold harmless (a) Beneficiary, its affiliates and their respective successors and assigns who acquire all or any portion of the loan secured by this Deed of Trust or the Property in any

manner, including but not limited to, purchase at a foreclosure sale, acceptance of a deed in lieu thereof or otherwise through the exercise of the rights and remedies of Beneficiary under this Deed of trust and (b) the directors, officers, shareholders, employees, successors, assigns, agents, contractors, subcontractors, experts, licensees, affiliates, lessees, mortgagees, trustees, and invitees of Beneficiary and such other persons or entities, from and against any and all Environmental Damages arising from the presence of Hazardous Materials upon, about or beneath the Property or migrating to or from the Property, or arising in any manner whatsoever out of the violation of any Environmental Requirements pertaining to the Property and the activities thereon, or the breach of any warranty or covenant or the inaccuracy of any representation of Trustor contained in this Deed of Trust unless and to the extent such Environmental Damages exist solely as a result of the gross negligence or willful misconduct of Beneficiary. This obligation shall include, but not be limited to, the burden and expense of defending all claims, suits and administrative proceedings (with counsel chosen by Trustor and reasonably approved by the indemnified parties), even if such claims, suits or proceedings are groundless, false or fraudulent, and conducting all negotiations of any description, and paying and discharging, when and as the same become due, any and all judgments, penalties or other sums due against such indemnified persons. Trustor's obligations hereunder shall not apply with respect to Environmental Damages caused after Beneficiary has purchased the Property at a foreclosure sale unless caused by Trustor, either solely or jointly with others, including Beneficiary.

27. Environmental Remedies. Notwithstanding anything to the contrary in this Deed of Trust, the rights of Beneficiary and the obligations of Trustor created under the foregoing Sections 23, 25, and 26 shall be in addition to those other rights and obligations, respectively, created or imposed by statutory, common or case law.

28. Provisional Remedies on Default. Should Trustor fail or refuse to make any payment or do any act which it is obligated hereunder to make or do, at the time and in the manner herein provided, or if any representation of Trustor in this Deed of Trust, or other document referred to herein is incorrect, then Trustee and/or Beneficiary, each in its sole discretion, may, without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereof:

28.1 Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, either Trustee or Beneficiary being authorized to enter upon and take possession of said Property for such purposes;

28.2 Commence, appear in and/or defend any action or proceedings purporting to affect the security hereof, and/or any additional or other security therefor, the interest, rights, powers and/or duties of Trustee and/or Beneficiary hereunder, whether brought by or against Trustor, Trustee or Beneficiary;

28.3 Pay, purchase, contest or compromise any claim, debt, lien, charge or encumbrance which in the judgment of either may affect or appear to affect the security of this Deed of Trust, the interest of Beneficiary or the rights, powers and/or duties of Trustee and/or Beneficiary hereunder;

28.4 Enter into and upon and take and hold possession of any or all Property covered hereby and exclude the Trustor and all other persons therefrom;

28.5 Operate, and manage the said Property and rent and lease the same and collect any and all rents, issues, income and profits therefrom, the same being hereby assigned and

transferred to Beneficiary, and from time to time apply same and/or accumulate same for application, in such order and manner as Beneficiary in its sole discretion shall consider advisable, to or upon the following: The necessary and proper costs of upkeep, maintenance, repair, and/or operation of said Property, the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust, the interest then due or next to become due upon said indebtedness, the taxes and assessments upon said Property then due or next to become due, the unpaid principal of said indebtedness, or any other obligation secured by this Deed of Trust.

28.5.1 The collection and/or receipt of rents, issues, income and/or profits from said Property by Beneficiary after declaration of default and election to cause said Property to be sold under and pursuant to the terms of this Deed of Trust shall not affect or impair such default or declaration of default or election to cause said Property to be sold or any sale proceedings predicated thereon, but such proceedings may be conducted and sale effected notwithstanding the receipt and/or collection of any such rents, issues, income and/or profits. Any such rents, issues, income and/or profits in the possession of said Beneficiary at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale.

28.5.2 Neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts above mentioned, but, upon election of either or both so to do, employment of an attorney is authorized and payment of such reasonable attorneys' fees and of all other necessary expenditures is hereby secured.

29. Condemnation. All moneys and awards payable as damages and/or compensation for the taking of title to or possession of, or for damage to, any portion of the Property subject to this Deed of Trust by reason of any condemnation, eminent domain or other similar proceeding shall be paid to Beneficiary, and such moneys and awards are hereby assigned to Beneficiary, and judgment therefor shall be entered in favor of Beneficiary, and when paid, may, at the option of the Beneficiary, (a) be applied, in whole or in part, by Beneficiary upon any indebtedness or obligation secured hereby, whether the same be matured or unmatured, and in such order as Beneficiary may determine, (b) be used in whole or in part to replace or restore the Property to a condition satisfactory to the Beneficiary, (c) be used in whole or in part to fulfill any of the covenants contained herein as the Beneficiary may determine, or (d) be released to the Trustor; and the Trustor hereby covenants and agrees, upon request by the Beneficiary, to make, execute and deliver any and all assignments and other instruments sufficient for the purpose of assigning the aforesaid moneys and awards to the Beneficiary free, clear and discharged of any and all encumbrances of any kind or nature whatsoever.

Notwithstanding the foregoing, in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Trustor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Loan in balance and rebuild the Property in a manner that provides adequate security to Beneficiary for repayment of the Loan or if such proceeds are insufficient then Trustor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the Loan Documents. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security

to Beneficiary for repayment of the remaining balance of the Loan.

30. Acceptance of Late Payments. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its rights either to require prompt payment when due of all other sums so secured or to declare default as herein provided for failure so to pay.

31. Waivers and Authorizations. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note or Notes secured hereby for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of said Property, Trustee may reconvey any part of said Property; consent in writing to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof. Trustor, for itself and its successors and assigns (including without limitation any subsequent or other junior creditor of any part or all of the Property), waives any right to object to such reconveyance, mapping, easement or agreement with respect to such Property and waives any right to require that the value of such Property be applied upon the debt secured hereby (other than the amount, if any, actually received by Beneficiary in connection with any such transaction).

32. Release, Modification and Reconveyance, Waiver of Marshalling. Without affecting the liability of any other person liable for the payment of any obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any property not then or theretofore released as security, for the full amount of all unpaid obligations, Beneficiary may from time to time, and without notice release any person so liable, extend the maturity or alter any of the terms of any such obligation, or grant other indulgences, release or reconvey, or cause to be released or reconveyed at any time at Beneficiary's option any parcel or portion or all of the Real Property described herein, take or release any other or additional security for any obligation herein mentioned, and/or make composition or other arrangements with debtors in relation thereto. Trustor waives any right to object to the release or reconveyance of such Property and waives any right to require that the value of any Property so released or reconveyed be applied upon the debt secured hereby (other than the amount, if any, actually received by Beneficiary in connection with any such release). Trustor agrees that if the Beneficiary at any time holds any additional security for any obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same at its option, either before or concurrently therewith or after a sale is made hereunder.

33. Substitution of Trustee. Beneficiary hereunder may, from time to time, appoint another trustee or trustees to execute the trusts hereby created; and upon the recordation of such appointment in the Office of the County Recorder of the County where such Property is situated, the new trustee or trustees shall be vested with all the title, interest, powers, duties, and trusts in the premises hereby vested in the Trustee first above named.

34. Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums secured hereby have been paid and upon surrender to Trustee of this Deed of Trust and the Note or Notes secured hereby for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the Property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled hereto."

35. Right of Entry. The Beneficiary is authorized by itself, its agents or workmen, to enter at any time upon any part of said Property and the improvements thereon situated for the purpose of inspecting the same, and for the purpose of performing any of the acts it is authorized to perform under the terms of this Deed of Trust. Beneficiary shall reimburse Trustor for the cost of repair of any physical injury to the Property caused by Beneficiary's gross negligence or willful misconduct during the entry, inspection, and acting on the Property pursuant to this Section.

36. Default, Acceleration and Private Sale.

36.1 Notice of Default. Should breach or default be made by Trustor in payment of any indebtedness secured hereby or in performance of any obligations, covenant, promise or agreement hereunder which breach or default is not cured within and applicable cure periods set forth below, or any representation of Trustor in this Deed of Trust, or other document referred to herein is incorrect, Beneficiary may declare all sums secured hereby immediately due and payable, and in such case, shall execute and deliver to Trustee a written declaration of default and demand for sale and written notice of default and election to cause to be sold said Property, and shall surrender to Trustee this Deed of Trust, the Note or Notes secured hereby and all documents evidencing any expenditures hereunder. Thereafter such notice of default and election to cause said Property to be sold to satisfy the obligations hereof shall be duly filed for recordation. The applicable cure periods for breach or default shall be as follows: (i) if a breach or default results from Trustor's non-payment of any sums due to Beneficiary, Trustor shall cure the breach or default within ten (10) days following receipt of notice of default from Beneficiary, and (ii) for any other default, Trustor shall cure the default within thirty (30) days following receipt of notice of default from Beneficiary; provided, that if the default cannot reasonably be cured within said thirty (30) day period, Trustor shall commence curing the default within said period and complete curing the default within the time period reasonably necessary to cure said default, not to exceed ninety (90) days, unless extended by Beneficiary in its sole discretion.

If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Trustor and each of the general and limited partners of the Trustor simultaneous written notice of such default at the addresses set forth below in the Request for Notice of Default section. Trustor shall have a period of ten (10) days after such notice is given within which to cure the default prior to exercise of remedies by Beneficiary under the Loan Documents.

If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Beneficiary shall give Trustor and each of the general and limited partners of the Trustor simultaneous written notice of such default at the addresses set forth below in the Request for Notice of Default section. If the default is reasonably capable of being cured within thirty (30) days, Trustor shall have such period to effect a cure prior to exercise of remedies by Beneficiary under the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and if Trustor (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Trustor shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Beneficiary. In no event shall Beneficiary be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given.

Beneficiary hereby agrees that any cure made or tendered by any of Trustor's limited partners shall be deemed a cure by Trustor, and shall be accepted or rejected on the same basis as if made or tendered by Trustor.

36.2 Right to Rescind. Beneficiary, from time to time before Trustee's sale, may rescind any such notice of breach or default and of election to cause to be sold said Property by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a cancellation of any prior declaration of default and demand for sale. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, and notices of breach or default, and of election to cause to be sold said Property to satisfy the obligations hereof, nor otherwise affect any provision, covenant or condition of said Note or Notes and/or of this Deed of Trust or any of the rights, obligations, or remedies of the parties thereunder.

36.3 Private Sale. At least three (3) months having elapsed after recordation of notice of default, without demand on Trustor, said Trustee, having first given notice of sale as then required by law, shall sell said Property at the time and place of sale fixed by it in the notice of sale at public auction to the highest bidder for cash, payable at time of sale. The whole of the trust estate shall be sold in a single lot or parcel and as an entirety unless the Beneficiary shall, in writing, direct the Trustee to sell said trust estate in separate parcels and shall direct the Trustee as to the parcels into which the trust estate shall be divided for purposes of sale and the order in which said parcels shall be offered for sale. Trustor, for itself and its successors and assigns (including without limitation any subsequent or other junior creditor of any part or all of the Property), waives any right to marshalling of assets or any right to require any part of the Property to be sold prior to any other part of the Property or any right to require the Property to be sold in parcels rather than as a whole. Trustee may postpone sale of all or any portion of said Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Without further notice Trustee may make such sale at the time to which same shall be so postponed. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenant or warranty, express or implied, and the recitals in such deed or deeds of any matters or facts affecting the regularity or validity of said sale shall be conclusive (except as against the parties hereto) proof of the truthfulness thereof; also such deed or deeds shall be conclusive (except as against the parties hereto) against all persons as to all matters or facts therein recited. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

36.4 Application of Sale Proceeds. Trustee shall apply the proceeds of any such sale to payment of:

36.4.1 All costs, fees, charges and expenses of Trustee and of these trusts, reasonable fees of any attorneys employed by Trustee and/or Beneficiary pursuant to the provisions hereof, Trustee's fees in connection with sale, and all expenses of sale, including cost of procuring guarantee or evidence of title in connection with the sale proceedings and other costs associated with the Trustee's Deed;

36.4.2 All other sums then secured hereby, including indebtedness described herein, all sums advanced or expended under the terms hereof and not then repaid, the interest

on each of the foregoing items, all in such manner and order of priority or preference as the Beneficiary may in its sole and absolute discretion determine;

36.4.3 The remainder, if any, to the person or persons legally entitled thereto, upon proof satisfactory to the Trustee of such right.

37. Successors and Assigns. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the owner and holder, including Pledgees, of the Note secured hereby, whether or not named as Beneficiary herein.

38. Severability. If any provision hereof should be held unenforceable or void, then such provision shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Deed of Trust.

39. Acceptance by Trustee. Trustee accepts these trusts when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

40. No Notice by Trustee. Trustee shall be under no obligation to notify any party hereto of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee shall be a party, unless brought by Trustee, or of any pending sale under any other Deed of Trust.

41. Number and Gender. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

42. Waiver of Statute of Limitations. The right to plead any and all statutes of limitations as a defense to any demand secured by this Deed of Trust is hereby waived to the full extent permissible by law.

43. Trust Irrevocable. The Trust created hereby is irrevocable by the Trustor.

44. Interpretation. The term "and/or" as used herein means one or the other or both, or any one or all, of the things or persons in connection with which the words are used. Section headings are for reference only and shall not be considered in the interpretation of this Deed of Trust.

45. Maximum Interest Rate. Notwithstanding any provision herein or in said Note, the total liability for payments in the nature of interest shall not exceed the limits now imposed by the usury laws of the State of California.

46. Request for Notice of Default. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the following address:

47. Materiality. Each and every provision, covenant, term and condition, representation and warranty herein contained is agreed to be a material provision hereof, and any breach thereof shall constitute a sufficient ground for acceleration of the due date of the indebtedness secured hereby and a sufficient ground for foreclosure in the event of failure of Trustor either to cure said breach within the time periods, if any, herein provided or to pay in full the indebtedness hereby secured.

48. Subordination to Extended Use Agreement. Notwithstanding anything to the contrary contained in this Deed of Trust or in the Loan Documents, the lien of this Deed of Trust shall at all times be subordinate to any "extended low-income housing commitment" (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) recorded against the Property in accordance with Section 42(h)(6)(E) of the Internal Revenue Code.

49. Lender Forbearance. Notwithstanding anything contained herein or in the Loan Documents to the contrary, until the later to occur of (a) the end of the Compliance Period (as defined in the Partnership Agreement) and (b) the date that the Investor Limited Partner (as defined in the Partnership Agreement) or its affiliate is no longer a partner of Trustor (the later of (a) and (b) being referred to as the "Standstill Period"), Lender will not declare a default or event of default, or commence default proceedings under any of the Loan Documents, including but not limited to accelerating the loan, collecting rents, appointing or seeking appointment of a receiver or exercising any other rights or remedies hereunder or under the Loan Documents; provided, however, that if any other Project lender declares a default and/or commences default proceedings against Borrower under its loan documents, then the Standstill Period described herein shall not apply to Lender if Borrower is also in default under the terms of this Note, and Lender shall have the right to declare a default and/or commence default proceedings under this Note (subject to any applicable subordination agreement). Lender waives no rights or remedies it may have hereunder or under the Loan Documents, but, except as allowed above, merely agrees not to enforce those rights or remedies until the end of the Standstill Period.

**RESOLUTION NO. 21 - 11**

May 27, 2021

Adopted by the Capitol Area Development Authority

Resolution approving **e**xecution of a Gap Financing Loan Agreement and Promissory Note, pre-approval of a potential increase in the Gap Financing Loan amount, authorization to execute a contract with Krazan & Associates and authorization to take any and all actions to execute documents to close financing on the 1322 O Street Affordable Housing Project

**WHEREAS,** on January 15, 2019, Governor Gavin Newsom issued Executive Order N-06-19, which directed the State of California Department of General Services to identify State-owned land for development of affordable housing.

**WHEREAS**, at the November 13, 2019 meeting, the Board authorized execution of a Development Ground Lease with the State of California for the Project that allowed for development of a 58-unit affordable housing project; approved a predevelopment loan for $850,000 to cover all predevelopment costs to be repaid at project financing close of escrow; approved a Gap Financing Loan of $2.5 million.

**WHEREAS**, at the May 15, 2020 meeting, the CADA Board authorized an increase of the CADA Gap Financing Loan from $2.5 million to $4.5 million.

**WHEREAS,** on December 9, 2020, the Project was awarded tax credits and bonds. The California Debt Limit Allocation Committee regulations require close of financing and commencement of construction within 180 days, which is June 7, 2021.

**WHEREAS,** on December 27, 2020, Congress signed into law a fixed 4% floor for the low-income housing tax credit (LIHTC) rate which if not applied to the Project could require an increase of $2.5 million to CADA's Gap Financing Loan.

**WHEREAS,** on January 28, 2021, the Project received a $10 million award for the California Department of Housing and Community Development Transit-Oriented Development (TOD) funds, which was the final piece of public gap financing needed to fund the Project and allow for start of construction. With the TOD funding and the prospective 4% LIHTC rate, the CADA Gap Financing Loan estimate was decreased to $856,853.

**WHEREAS,** on March 19, 2021, the Board adopted a resolution authorizing the Executive Director to increase the Predevelopment Loan from CADA to the Partnership from $850,000 to $1.1 million; and to assign the Predevelopment Contracts from CADA to the Partnership.

**WHEREAS,** in May subcontractor bids and increased soft costs resulted in an increase of $2.5 million in development costs which required an increase in the previously authorized Gap Financing Loan by $643,147 to $1.5 million.

**WHEREAS,** the City of Sacramento required completion of testing and special inspections and staff selected Krazan & Associates at a cost of $64,514 to provide such services and the City required CADA to guarantee completion of off-site improvements through a Letter of Credit at a cost of $100,000.

**NOW, THEREFORE, BE IT RESOLVED,** by the Board of Directors of the Capitol Area Development Authority that the Board adopts a resolution:

1. Authorizing the Executive Director to execute a Gap Financing Loan Agreement and Promissory Note with 1322 O St Investors LP in an amount not to exceed $1.5 million.
2. Pre-approving a potential increase in the Gap Financing Loan amount not to exceed $2.5 million and an amendment to the current loan docs to reflect the increase.
3. Authorizing the Executive Director to execute a contract with Krazan & Associates in the amount of $64,514 and obtain a Letter of Credit at a cost of $100,000.
4. Authorizing a budget amendment in the amount of $808,147 from the 2020 Bond Issue.
5. Authorizing and directing the Executive Director or her designees, in the name and on behalf of CADA, to take any and all actions and to execute and deliver any and all certificates, contracts and other documents which they might deem necessary or appropriate in order to close financing on the Project.
