**SUBJECT: May 19, 2023 Board Meeting
AGENDA ITEM 8**

**1901 8TH STREET MIDDLE INCOME HOUSING LOAN AND REGULATORY
AGREEMENT**

CONTACT: Danielle Foster, Executive Director
Todd Leon, Development Director

RECOMMENDED ACTION:

Staff is recommending the Board approve the attached resolution (Attachment 1), First, authorizing the Executive Director, or her designee, to execute the attached form of Promissory Note, Deed of Trust, and Regulatory Agreement, substantially consistent with the enclosed drafts to provide: (1) a \$100,000, five-year loan at three percent interest to the 1901 8th Street Investors Limited Partnership for acquisition and operation of the development at 1901 8th Street; (2) a 55-year Regulatory Agreement to the property for the provision of 72 low- and moderate- income housing units for households at or below 80% and 120% of the Area Median Income (AMI); and completion of any other related documents necessary to this transaction. Second, approve a budget amendment to the R Street Development CIP Budget for \$100,000 from the R Street Affordable Housing Reserve to fund this loan.

BACKGROUND

In December 2022, the Capitol Area Development Authority (CADA) was approached by the developers of 1901 8th Street, Urban Elements and Fulcrum Properties, about the potential opportunity to provide low- and moderate- income housing units through their downtown development at 1901 8th Street. At the time CADA was hesitant to directly purchase the property due to the demand it would place on CADA's limited available capital if it were to self-finance acquisition of the project.

Subsequently, CADA was approached by Urban Capital regarding the possibility of a new model that would create a private-public partnership for the provision of low-income and moderate-income housing units at 80% and 120% of Area Median Income. Under this proposal, the following pieces come together to provide housing affordable to low- and moderate- income households without the use of typical state and federal subsidies:

- Housing designed and developed efficiently at the cost of approximately \$200,000 per unit.
- Private equity and a traditional bank loan, possibly as a Community Reinvestment Act (CRA) loan to finance the project

- Participation from a local public agency that provides a small loan and regulatory agreement to secure the low-income and moderate-income rents. (CADA's role in this proposal)
- Partnership with a non-profit to fulfill the role of Managing General Partner (MGP) with the for-profit Administrative General Partner (AGP) to qualify for and achieve the annual certification of the affordable housing units and the resulting welfare tax exemption to significantly reduce the project's property tax bill.

While CADA considered acquisition and participation in this project through its non-profit arm, the Capitol Area Community Development Corporation (CACDC), it ultimately felt this development model and in particular, this project, would be better served by an outside nonprofit that could bring additional resources and support to bear. Subsequently, the project partnership identified Pacific Housing, Inc. to act as the non-profit MGP partner for this project. Pacific Housing has completed 148 affordable housing projects during the course of its work and is strongly committed to low-income housing products, like the proposed for this project. Pacific Housing is structured to partner on these types of products and serve as MGP. So, the project partnership will include Urban Capital acting as the Administrative General Partner and Pacific Housing as the Managing General Partner. They are finalizing the equity partner for the project and have secured a debt commitment for the project through Key Bank. CADA's loan and regulatory agreement will finish off the needs for the project to proceed with this middle-income housing model.

ANALYSIS

When considering the merits of this project proposal, staff analyzed the existing housing market downtown and the need for this type of middle-income housing. Current market rate development is focused at or above 120% of Area Median Income for Sacramento households, with the majority of housing downtown, particularly one-bedroom housing units or larger, focused on households making \$100,000 - \$150,000 annually. This proposed project will be able to provide housing to our downtown workforce working entry-level professional jobs, particularly smaller households with annual incomes of \$57,000 - \$80,000.

Staff is excited to support the offering of this housing affordability level that is not currently being served by typical affordable housing development nor by conventional market rate development. While the recommended project is just outside the CADA Capitol Area Plan and R Street Project Area, development of these types of units will greatly benefit CADA's project areas and the downtown community overall while not relying heavily on assistance from CADA. Providing CADA R Street Area funds to this project through a five-year loan will provide a half unit credit back to CADA for each unit assisted. So, for 72 units, CADA will receive a 36-unit credit for the R Street Project Area.

This project fills a gap in currently-available local housing options and does so through an innovative public-private-non-profit partnership that can be replicated throughout Sacramento. Since this project is currently getting leased up in anticipation of the upcoming Certificate of Occupancy, there may be need for the transitioning of units to low- and moderate- income households and rents over the first year as the property qualifies towards welfare tax exemption. Holding a Regulatory Agreement on this project ensures the following:

- that all units will transition to low- and moderate- income tenants and rents within the first year;

- the site will uphold affordability overtime amidst market changes; and
- tenants will have a transitional year to exit their unit if their income exceeds low- or moderate- income thresholds for the project.

If tenant incomes do exceed the low-income threshold, those units will lose the property tax exemption until the unit is refilled with a new income-qualifying household. During this time, the unit will be rented at a market comparable rent to the household until they move out in order to cover the property taxes. Because the differential between the 80% rent and the market rate rent for one- and two-bedroom units is so great, the project will be renting those 21 units in the project to moderate income households ranging from 100-120% AMI so they will not have to be pushed to market rate rents, a much greater increase, since this rent will cover property taxes. The other 51 units will be rented to 80% AMI households.

FINANCIAL IMPACT

CADA will provide a five-year three-percent \$100,000 loan to this project funded from the R Street Affordable Housing Development Reserve. The loan will assist the bridge costs of the property by paying the property taxes until the welfare tax exemption has been processed and approved by the Board of Equalization and the County Assessor's Office. This loan will be repaid through project operations and returned to the R Street fund where it can be used for a subsequent project through the Request for Proposals process, if CADA identifies another project. There is adequate cash within existing CADA R Street reserves for the completion of this loan without impairing any other existing CADA commitments.

POLICY

Provision of this loan and regulatory agreement to the 1901 8th Street Investors Limited Partnership supports CADA's work in building and serving a vibrant Capitol Neighborhood. Having a variety of housing types and affordability levels within the Central City benefits the commercial and residential stability of downtown and furthers the community health by broadening the available range of household types and income levels that the housing is able to serve.

STRATEGIC PLAN

This project recommendation fulfills the following components of the CADA Strategic Plan: fiscal responsibility, collaboration, urban development leadership, creativity and community stewardship in the provision of mixed-income housing. Utilizing partnerships in the completion of our mission has been and continues to be a hallmark of CADA's work. The strategic plan called for studying the downtown market to identify CADA's niche, and this income band at 80% AMI is currently an underserved demographic. This proposal also further combines environmental sustainability with housing development by weaving together local workforce needs and housing options, and it supports new innovation and a complex infill concept.

ENVIRONMENTAL IMPACT

This action is exempt under the California Environmental Quality Act (CEQA) as it involves only the provision of funding for a project that has already undergone CEQA review. CEQA review of the project development itself was completed by the City of Sacramento through the planning entitlement review process.

6. Use of Property. Unless otherwise required by applicable law or unless Beneficiary otherwise consents in writing, Trustor will not allow changes in the use of the Property from that which is contemplated by Trustor and Beneficiary at the time of execution of this Deed of Trust, as specified in the documents executed by Trustor in connection with obtaining the loan secured hereby, including the Regulatory Agreement ("Loan Documents"). 8. Assessment Bonds. Trustor agrees to pay any and all assessments against said Property at least ten (10) days before any bond or bonds could or would be issued in connection therewith, unless Beneficiary determines in its sole discretion that its security would not be impaired if the assessments were not paid in full.

9. Assessments on Water Bonds. Trustor agrees to pay before delinquency all assessments upon the stock of any water company which stock may be used in connection with said Property, and all rents, assessments or charges for water appurtenant to or used in connection with said Property and/or for the flumes, ditches, pipes or aqueducts in which such water may be furnished or delivered; and all such stock is hereby expressly made a part of the security hereof.

10. Reimbursement of Lender's Expenses. Trustor agrees to pay immediately upon demand after expenditure, all sums expended or expense incurred by Trustee and/or Beneficiary, including reasonable attorney's fees, under any of the terms of this Deed of Trust, with interest from date of demand at the rate of ten per cent (10%) per annum. Without in any way limiting the foregoing, Trustor shall pay to or reimburse Beneficiary for any costs, fees and expenses (including without limitation reasonable attorneys' fees and any administrative fees or overhead or other indirect costs and expenses) incurred or charged by Beneficiary in protecting its security hereunder or the Property or Beneficiary's interest under this instrument, or in responding, processing, reviewing or reviewing or otherwise dealing with the demands or claims or requests of Trustor or third parties who claim an interest in the Property or an interest adverse to Beneficiary's interests under this instrument.

11. Beneficiary Statement. Trustor agrees to pay to the Beneficiary any reasonable amount charged by the Beneficiary, not to exceed the maximum allowed by law, for any statement regarding the obligation secured hereby furnished by the Beneficiary upon demand by the

Trustor, the charge for each such statement to be payable immediately upon furnishing of the statement.

12. Assignment of Rents and Leases.

12.1 Trustor does hereby immediately and absolutely assign, transfer and set over to the Beneficiary all the rents, issues, proceeds and profits which may be or may become due or to which the Trustor may now or hereafter become entitled, arising or issuing out of, under or by virtue of any and all leases and/or rental agreements, and any and all extensions or renewals thereof, now or hereafter entered into for the parking structure located on the Property or any part thereof, or for any improvements located thereon, and all other rents, issues, proceeds and profits due or accruing from the Property or any part thereof or the improvements located thereon. Trustor hereby gives to and confers upon Beneficiary the right, power and authority to collect such rents, issues, proceeds and profits. The assignment herein contained and all rights provided to Beneficiary by this Section are granted without regard to the adequacy of the Property as security for payment of the indebtedness secured by this Deed of Trust. This assignment is delivered as a present, immediate and absolute assignment of the rights contained herein; provided, however, that so long as no default shall exist under this Deed of Trust or the indebtedness secured hereby, the Trustor shall have the right to manage and operate the Property and all improvements thereon, and to collect, receive and apply for its own account all rents, issues and proceeds accruing by virtue of any lease or rental agreement and to execute and deliver proper receipts thereof. Immediately upon the occurrence of any default under this Deed of Trust or the indebtedness secured hereby, and until such default shall have been cured, the right of the Trustor to manage and operate the Property and to collect and receive rents shall cease and terminate and in such event the Beneficiary is hereby expressly and irrevocably authorized to enter into and take possession of the Property and the improvements located thereon by actual physical possession, or by appointment of a receiver or by a competent court or by written notice served personally upon or sent by registered mail to the Trustor, as the Beneficiary may elect, or by any other legal means, and to exclude the Trustor and all other persons therefrom. Following such entry and taking of possession the Beneficiary may operate and manage the Property and rent and lease the same and collect any and all rents, issues, income and profits therefrom, and from time to time apply same or accumulate same for application, in such order and manner as Beneficiary, in its sole discretion shall consider advisable. Beneficiary may apply such amounts to (i) the necessary and proper costs of upkeep, maintenance, repair and/or operation of the Property; (ii) the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust; (iii) the interest then due or next to become due upon said indebtedness; (iv) the taxes and assessments upon the Property then due or next to become due; (v) the unpaid principal of said indebtedness; and (vi) any other obligations secured by this Deed of Trust. The collection and/or receipt of rents, issues, income and/or profits from the Property by Beneficiary after declaration of default and election to cause the Property to be sold pursuant to the terms of this Deed of Trust shall not affect or impair such default or declaration of default or election to cause the Property to be sold or any sale proceeding predicated thereon, but such proceedings may be conducted and sale effected notwithstanding the receipt and/or collection of any such rents, issues, income and/or profits. Any such rents, issues, income and/or profits in the possession of said Beneficiary at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale. In addition to Beneficiary's rights under this Section, Beneficiary shall have all of the rights and remedies to which Beneficiary is entitled under California Civil Code Section 2938, and nothing contained in this Section 12 shall be construed as a limitation or waiver of any such rights or remedies.

12.2 Trustor agrees to assign to the Beneficiary, upon request, as security for the indebtedness secured hereby, the Trustor's interests in any or all leases, and the Trustor's interests in all agreements, contracts, licenses and permits affecting said property, such assignments to be made by instruments in form reasonably satisfactory to the Beneficiary; but no such assignment shall be construed as a consent by the Beneficiary to any lease, agreement, contract, license or permit so assigned, or to impose upon the Beneficiary any obligations with respect thereto.

13. Modification and Termination of Leases and Rent Pre-payment. Except in the ordinary course of business, Trustor agrees not to cancel any of the leases assigned or subject to assignment to Beneficiary pursuant to Section 11.2 hereof, nor terminate or accept a surrender thereof (except in accordance with the terms of the assignment) or reduce the payment of the rent thereunder or modify any of said leases (except in accordance with the terms of the assignment) or accept any prepayment of rent therein without first obtaining, on each occasion, the written approval of the Beneficiary.

14. Performance of Leases. Trustor agrees to faithfully keep and perform all of the obligations of the landlord under all of the leases assigned or subject to assignment to the Beneficiary pursuant to Section 11 above and not to permit to accrue to any tenant under any such lease any right to prepaid rent pursuant to the terms of any lease other than the usual prepayment of rent as would result from the acceptance by the landlord on the first day of each month for the rent for the ensuing month, according to the terms of the various leases.

15. Rent Roll. Trustor agrees to deliver to Beneficiary within ninety days after the expiration of each calendar year, a rent roll of the Property showing the name and street address of all tenants in occupancy, the rent currently owed, the respective lease commencement and expiration dates, the amount of common area or expense contribution, if any, for each tenant, as well as whether there are any concessions, free rent periods or rebates.

16. Use. Trustor agrees to operate such Property at all times in the manner permitted by the Regulatory Agreement.

17. Due on Sale – Consent by Lender. If Trustor shall sell, convey, or alienate the Property, or any part thereof, or any interest therein, or shall be divested of his title or any interest therein in any manner or way, whether voluntarily or involuntarily, without the prior written consent of Beneficiary, Beneficiary shall have the right, at its option, except as prohibited by law, to declare any indebtedness or obligations secured hereby, irrespective of the maturity date specified in any note evidencing same, immediately due and payable. To "sell, convey or alienate" means the conveyance of the Property or any right, title or interest in the Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, or by any other method of conveyance of an interest in the Property.

18. Licenses. As of the date of this Deed of Trust and at all times thereafter during the term of the loan Trustor shall have and maintain in full force and effect such certificates, consents, licenses, approvals and permits from the proper authorities as are required to operate the Property for the purpose(s) set forth in Section 15 above. A failure on the part of the Trustor or any subsequent owner to maintain any such required certificate, consent, license, approval, or permit in effect or a failure to obtain renewal thereof prior to expiration, shall constitute a default under the terms of this Deed of Trust for which the Beneficiary shall have the right, as its option,

upon the expiration of any cure periods, to declare the entire indebtedness evidenced by said Note and hereby secured to be immediately due and payable.

19. Security Interest in Personal Property. Trustor hereby grants to Beneficiary a security interest in and to all personal Property described as the Collateral in Exhibit B. This Deed of Trust constitutes a security agreement with respect to all of the Collateral, and Beneficiary shall have all of the rights and remedies of a secured party under the California Uniform Commercial Code as well as all other rights and remedies available at law or in equity. Trustor hereby agrees to execute, acknowledge and deliver on demand, and hereby irrevocably appoints Beneficiary as its attorney-in-fact, with full power of substitution, to execute, acknowledge, deliver and, if appropriate file with the appropriate filing officer or office, such security agreements, financing statements, continuation statements or other instruments as Beneficiary may reasonably require in order to impose, perfect or continue the perfection of, the lien or security interest created hereby. The above power of attorney is coupled with an interest and shall survive the death or incapacity of Trustor. Trustor shall pay all costs and expenses in connection with any such documents or of any record searches for financing statements that Beneficiary may require.

20. Fixture Filing. This Deed of Trust constitutes a financing statement filed as a fixture filing in the real estate records of the county in which the Real Property is located with respect to any and all fixtures now or hereafter owned by Trustor and used in connection with the operation, occupancy and maintenance of the Property described in this Deed of Trust and with respect to any goods or other personal property owned by Trustor that may now be or hereafter become such fixtures.

21. Foreclosure on Collateral. Without limiting any other rights or remedies which Beneficiary or Trustee may have hereunder or under applicable law, including the right to conduct a unified foreclosure sale of real and personal Property, upon any default not cured within applicable cure periods Beneficiary or Trustee may conduct a public or private sale of the Collateral under the California Uniform Commercial Code pursuant to this Deed of Trust, and Trustor, upon demand by Beneficiary, shall assemble the Collateral and make it available to Beneficiary at the Property, a place which is hereby deemed to be reasonably convenient to Beneficiary and Trustor. Beneficiary shall give Trustor at least twenty (20) days prior written notice of the time and place of any public sale or other disposition of the Collateral, or of the time of or after which any private sale or other disposition of the Collateral is to be made; if such notice is sent to Trustor in accordance with the procedures for the mailing of notices set forth in the last Section of this instrument, it is hereby deemed that such notice shall be and is reasonable notice to Trustor.

22. Maintenance of Fixtures and Collateral. At all times during the term hereof Trustor shall maintain a sufficient level of fixtures and Collateral to properly operate the said Property, which shall in any event not be materially less than that existing on the date hereof. Notwithstanding anything to the contrary in this Deed of Trust, during any time when not in default hereunder, Trustor shall have the right, subject to the prior concurrent satisfaction of the conditions set forth in the next sentence, to substitute and replace Collateral and fixtures in the ordinary course of business. To the extent the replacement Collateral and fixtures are of the same general type and are of at least the same value and upon acquisition of the substitute Collateral and fixtures by Trustor and placement thereof on the said real Property, the replaced Collateral and fixtures shall be deemed released from the lien hereof.

23. Maps and Restrictions. Trustor agrees that it will not without the consent of Beneficiary after the date hereof file or cause to be filed any subdivision or condominium map or plan, or any deed, plan or agreement for cooperative ownership of the Property, or any other covenants or restrictions affecting the Property.

24. Environmental Covenants. Trustor will at all times comply with the following requirements:

24.1 No Use, Disposal or Storage. Trustor shall not cause, permit or suffer any Hazardous Material (as defined in Section 25.3 to be brought upon, treated, kept, stored, disposed of, discharged, released, produced, manufactured, generated, refined or used upon, about or beneath the Property or any portion thereof by Trustor, its agents, employees, contractors, invitees, tenants, or any other person, except to the extent commonly used in the day to day operation of the Property and then only so long as in compliance with all Environmental Requirements (as defined in Section 25.2).

24.2 Compliance with Environmental Requirements. Trustor shall not cause, permit or suffer the existence or the commission by Trustor, its agents, employees, or contractors of a violation of any Environmental Requirements upon, about or beneath the Property or any portion thereof and Trustor shall use its best efforts to prevent any such violation of any Environmental Requirements by any invitees, tenants or any other person. Trustor shall notify Beneficiary in writing of any release of Hazardous Materials at, on, under or within the Property in violation of any Environmental Requirements, or of the presence of Hazardous Materials at the Property in violation of any Environmental Requirements, promptly upon discovery of such release or presence.

24.3 Environmental Liens. Trustor shall not create or suffer to exist with respect to the Property, or permit any of its agents to create or suffer to exist any lien, security interest or other charge or encumbrance of any kind, including without limitation, any lien imposed pursuant to Section 107(f) of the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. Section 9607(1)) or any similar state statute, and Trustor shall use its best efforts to prevent the creation of any such lien, security interest, charge or encumbrance by any of its tenants and shall not permit any of such tenants to suffer to exist any of such items.

24.4 Mitigation. Notwithstanding the obligation of Trustor to indemnify pursuant to Section 25 Trustor shall, at its sole cost and expense, promptly take all actions required by any federal, state or local governmental agency or political subdivision or which are otherwise reasonably necessary in the sole reasonable discretion of Beneficiary to mitigate Environmental Damages (as defined in Section 25.1) arising from the presence upon, about or beneath the Property of a Hazardous Material, or from a violation of Environmental Requirements. Such actions shall include, but not be limited to, the investigation of the environmental condition of the Property, the preparation of any feasibility studies, reports or remedial plans, and the performance of any cleanup, remediation, containment, operation, maintenance, monitoring or restoration work, whether on or off of the Property. Trustor shall take all actions necessary to restore the Property to the condition existing prior to the introduction of Hazardous Material upon, about or beneath the Property, notwithstanding any lesser standard of remediation allowable under applicable law or governmental policies. Trustor shall proceed continuously and diligently with such investigatory and remedial actions, provided that in all cases such actions shall be in accordance with all applicable requirements of governmental entities. Any such actions shall be performed in a good, safe and workmanlike manner and shall minimize any impact on the business conducted at the Property. Trustor shall pay all costs in connection

with such investigatory and remedial activities, including but not limited to all power and utility costs, and any and all taxes or fees that may be applicable to such activities. Trustor shall promptly provide to Beneficiary copies of testing results and reports that are generated in connection with the above activities. Promptly upon completion of such investigation and remediation, Trustor shall permanently seal or cap all monitoring wells and test holes to industrial standards in compliance with applicable federal, state and local laws and regulations, remove all associated equipment, and restore the Property to the maximum extent possible, which shall include, without limitation, the repair of any surface damage, including paving, caused by such investigation or remediation hereunder.

24.5 Notice of Environmental Risks. If Trustor shall become aware of or receive notice or other communication concerning any actual, alleged, suspected or threatened violation of Environmental Requirements, or liability of Trustor for Environmental Damages in connection with the Property or past or present activities of any person thereon, including but not limited to notice or other communication concerning any actual or threatened investigation, inquiry, lawsuit, claim, citation, directive, summons, proceeding, complaint, notice, order, writ, or injunction, relating to same, and including without limitation any notice or other communication from any tenant, then Trustor shall deliver to Beneficiary, within ten (10) days of the receipt of such notice of communication by Trustor, a written description of said violation, liability, correcting information or actual or threatened event or condition, together with copies of any documents evidencing same. Receipt of such notice shall not be deemed to create any obligation on the part of beneficiary to defend or otherwise respond to any such notification.

24.6 Notice of Test Results. Trustor shall promptly provide to Beneficiary the results of any tests and copies of all registration permits regarding any underground storage tanks located on the Property and Trustor shall comply with the same.

24.7 Right to Enter and Inspect. In the event Beneficiary reasonably believes that there has been a release or threatened release of a Hazardous Material on the Property or a breach of an Environmental Requirement or in the event of any default under this Deed of Trust or under the Note, Beneficiary shall have the right in its sole and absolute discretion, but not the duty, to enter upon the Property at any reasonable time, at the expense of Trustor, to conduct an inspection of the Property, including invasive tests, to determine compliance with all Environmental Requirements and the existence of any Environmental Damages as a result of the condition of the Property or any surrounding properties and activities thereon. Trustor hereby grants to Beneficiary, and the agents, employees, consultants and contractors of Beneficiary, the right to enter upon the Property and to perform such tests on the Property as are necessary to conduct such reviews and investigations in accordance with the preceding sentence. Beneficiary shall use its best efforts to minimize interference with the business of Trustor and to restore the condition of the Property, but Beneficiary shall not be liable for any interference caused thereby or failure to restore if Beneficiary determines in its sole discretion that it is not economically practicable. Beneficiary shall reimburse Trustor for the cost of repair of any physical injury to the Property caused by the entry and inspection to the extent required by Civil Code Section 2929.5(c).

24.8 Reimbursement of Lender. In the event of any default under this Deed of Trust or under the Note, Trustor shall promptly reimburse Beneficiary for any environmental studies or tests which Beneficiary deems necessary to ascertain the presence and/or level of any Hazardous Materials on the Property.

25. Definitions of Environmental Terms. For the purposes of this Deed of Trust, the following terms shall have the following meanings:

25.1 "Environmental Damages" means all claims, judgments, damages (including without limitation, punitive damages), losses, penalties, fines, liabilities (including strict liability), encumbrances, liens, costs and expenses of investigation and defense of any claim, whether or not such is ultimately defeated, and of any settlement or judgment, of whatever kind or nature, contingent or otherwise, matured or unmatured, foreseeable or unforeseeable, including without limitation reasonable attorneys' fees and disbursements and consultants' fees, any of which are incurred at any time as a result of the existence of Hazardous Material upon, about, beneath the Property or migrating or threatening to migrate to or from the Property, or the existence of a violation of Environmental Requirements pertaining to the Property regardless of whether the existence of such Hazardous Material or the violation of Environmental Requirements arose prior to the present ownership or operation of the Property, and including, without limitation:

25.1.1 damages for personal injury, or injury to Property or natural resources occurring upon or off the Property, foreseeable or unforeseeable, including, without limitation, lost profits, consequential damages, the cost of demolition and rebuilding of any improvements on real property, interest and penalties including but not limited to claims brought by or on behalf of employees of Trustor, with respect to which Trustor waives, for the benefit of Beneficiary only, any immunity to which it may be entitled under any industrial or worker's compensation laws;

25.1.2 fees incurred for the services of attorneys, consultants, contractors, experts, laboratories and all other costs incurred in connection with the investigation, cleanup or remediation of such Hazardous Materials or violation of Environmental Requirements including but not limited to, the preparation of any feasibility studies or reports or the performance of any cleanup, remedial, removal, abatement, containment, closure, restoration or monitoring work required by any federal state or local governmental agency or political subdivision, or reasonably necessary to make full economic use of the Property or any other Property or otherwise expended in connection with such conditions, and including without limitation any attorneys' fees, costs and expenses incurred in enforcing this Deed of Trust or collecting any sums due hereunder; and

25.1.3 liability to any person or entity to indemnify such person or entity for costs expended in connection with the items referenced in sub-Section 24 hereof.

25.2 "Environmental Requirements" means all applicable present and future statutes, regulations, rules, ordinances, codes, licenses, permits, orders, approvals, plans, authorizations, concessions, franchises and similar items, of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof and all applicable judicial and administrative and regulatory decrees, judgments and orders relating to the protection of human health or the environment, including, without limitation:

25.2.1 all requirements, including but not limited to those pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Materials, chemical substances, pollutants, contaminants or hazardous or toxic substances, materials or wastes whether solid, liquid or gaseous in nature, into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials,

pollutants, contaminants or hazardous or toxic substances, materials, or wastes, whether solid, liquid or gaseous in nature; and

25.2.2 all requirements pertaining to the protection of the health and safety of employees or the public.

25.3 "Hazardous Materials" means any substance:

25.3.2 which is or becomes defined as a "hazardous waste" or "hazardous substance" or "pollutant" or "contaminant" under any federal, state or local statute, regulation, rule, or ordinance or amendments thereto including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. section 9601 et seq.) or the Resource Conservation and Recovery Act (42 U.S.C. section 6901 et seq.); or

25.3.3 which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority, agency, department, commission, board, agency or instrumentality of the United States, any State of the United States, or any political subdivision thereof; or

25.3.6 which contains polychlorinated biphenyls (PCBs) or asbestos or asbestos-containing materials or urea formaldehyde foam insulation; or

25.3.7 radon gas.

26. Environmental Indemnity. Trustor agrees to indemnify, reimburse, defend, exonerate, pay and hold harmless (a) Beneficiary, its affiliates and their respective successors and assigns who acquire all or any portion of the loan secured by this Deed of Trust or the Property in any manner, including but not limited to, purchase at a foreclosure sale, acceptance of a deed in lieu thereof or otherwise through the exercise of the rights and remedies of Beneficiary under this Deed of trust and (b) the directors, officers, shareholders, employees, successors, assigns, agents, contractors, subcontractors, experts, licensees, affiliates, lessees, mortgagees, trustees, and invitees of Beneficiary and such other persons or entities, from and against any and all Environmental Damages arising from the presence of Hazardous Materials upon, about or beneath the Property or migrating to or from the Property, or arising in any manner whatsoever out of the violation of any Environmental Requirements pertaining to the Property and the activities thereon, or the breach of any warranty or covenant or the inaccuracy of any representation of Trustor contained in this Deed of Trust unless and to the extent such Environmental Damages exist solely as a result of the gross negligence or willful misconduct of Beneficiary. This obligation shall include, but not be limited to, the burden and expense of defending all claims, suits and administrative proceedings (with counsel chosen by Trustor and reasonably approved by the indemnified parties), even if such claims, suits or proceedings are

groundless, false or fraudulent, and conducting all negotiations of any description, and paying and discharging, when and as the same become due, any and all judgments, penalties or other sums due against such indemnified persons. Trustor's obligations hereunder shall not apply with respect to Environmental Damages caused after Beneficiary has purchased the Property at a foreclosure sale unless caused by Trustor, either solely or jointly with others, including Beneficiary.

27. Environmental Remedies. Notwithstanding anything to the contrary in this Deed of Trust, the rights of Beneficiary and the obligations of Trustor created under the foregoing Sections 23, 25, and 26 shall be in addition to those other rights and obligations, respectively, created or imposed by statutory, common or case law.

28. Provisional Remedies on Default. Should Trustor fail or refuse to make any payment or do any act which it is obligated hereunder to make or do, at the time and in the manner herein provided, or if any representation of Trustor in this Deed of Trust, or other document referred to herein is incorrect, then Trustee and/or Beneficiary, each in its sole discretion, may, without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereof:

28.1 Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, either Trustee or Beneficiary being authorized to enter upon and take possession of said Property for such purposes;

28.2 Commence, appear in and/or defend any action or proceedings purporting to affect the security hereof, and/or any additional or other security therefor, the interest, rights, powers and/or duties of Trustee and/or Beneficiary hereunder, whether brought by or against Trustor, Trustee or Beneficiary;

28.3 Pay, purchase, contest or compromise any claim, debt, lien, charge or encumbrance which in the judgment of either may affect or appear to affect the security of this Deed of Trust, the interest of Beneficiary or the rights, powers and/or duties of Trustee and/or Beneficiary hereunder;

28.4 Enter into and upon and take and hold possession of any or all Property covered hereby and exclude the Trustor and all other persons therefrom;

28.5 Operate, and manage the said Property and rent and lease the same and collect any and all rents, issues, income and profits therefrom, the same being hereby assigned and transferred to Beneficiary, and from time to time apply same and/or accumulate same for application, in such order and manner as Beneficiary in its sole discretion shall consider advisable, to or upon the following: The necessary and proper costs of upkeep, maintenance, repair, and/or operation of said Property, the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust, the interest then due or next to become due upon said indebtedness, the taxes and assessments upon said Property then due or next to become due, the unpaid principal of said indebtedness, or any other obligation secured by this Deed of Trust.

28.5.1 The collection and/or receipt of rents, issues, income and/or profits from said Property by Beneficiary after declaration of default and election to cause said Property to be sold under and pursuant to the terms of this Deed of Trust shall not affect or impair such default or declaration of default or election to cause said Property to be sold or any sale proceedings predicated thereon, but such proceedings may be conducted and sale effected

notwithstanding the receipt and/or collection of any such rents, issues, income and/or profits. Any such rents, issues, income and/or profits in the possession of said Beneficiary at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale.

28.5.2 Neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts above mentioned, but, upon election of either or both so to do, employment of an attorney is authorized and payment of such reasonable attorneys' fees and of all other necessary expenditures is hereby secured.

29. Condemnation. All moneys and awards payable as damages and/or compensation for the taking of title to or possession of, or for damage to, any portion of the Property subject to this Deed of Trust by reason of any condemnation, eminent domain or other similar proceeding shall be paid to Beneficiary, and such moneys and awards are hereby assigned to Beneficiary, and judgment therefor shall be entered in favor of Beneficiary, and when paid, may, at the option of the Beneficiary, (a) be applied, in whole or in part, by Beneficiary upon any indebtedness or obligation secured hereby, whether the same be matured or unmatured, and in such order as Beneficiary may determine, (b) be used in whole or in part to replace or restore the Property to a condition satisfactory to the Beneficiary, (c) be used in whole or in part to fulfill any of the covenants contained herein as the Beneficiary may determine, or (d) be released to the Trustor; and the Trustor hereby covenants and agrees, upon request by the Beneficiary, to make, execute and deliver any and all assignments and other instruments sufficient for the purpose of assigning the aforesaid moneys and awards to the Beneficiary free, clear and discharged of any and all encumbrances of any kind or nature whatsoever.

Notwithstanding the foregoing, in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Trustor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Loan in balance and rebuild the Property in a manner that provides adequate security to Beneficiary for repayment of the Loan or if such proceeds are insufficient then Trustor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the Loan Documents. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Loan.

30. Acceptance of Late Payments. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its rights either to require prompt payment when due of all other sums so secured or to declare default as herein provided for failure so to pay.

31. Waivers and Authorizations. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note or Notes secured hereby for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of said Property, Trustee may reconvey any part of said Property; consent in writing to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof. Trustor, for itself and its successors and assigns (including without limitation any

subsequent or other junior creditor of any part or all of the Property), waives any right to object to such reconveyance, mapping, easement or agreement with respect to such Property and waives any right to require that the value of such Property be applied upon the debt secured hereby (other than the amount, if any, actually received by Beneficiary in connection with any such transaction).

32. Release, Modification and Reconveyance, Waiver of Marshalling. Without affecting the liability of any other person liable for the payment of any obligation herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any property not then or theretofore released as security, for the full amount of all unpaid obligations, Beneficiary may from time to time, and without notice release any person so liable, extend the maturity or alter any of the terms of any such obligation, or grant other indulgences, release or reconvey, or cause to be released or reconveyed at any time at Beneficiary's option any parcel or portion or all of the Real Property described herein, take or release any other or additional security for any obligation herein mentioned, and/or make composition or other arrangements with debtors in relation thereto. Trustor waives any right to object to the release or reconveyance of such Property and waives any right to require that the value of any Property so released or reconveyed be applied upon the debt secured hereby (other than the amount, if any, actually received by Beneficiary in connection with any such release). Trustor agrees that if the Beneficiary at any time holds any additional security for any obligations secured hereby, it may enforce the sale thereof or otherwise realize upon the same at its option, either before or concurrently therewith or after a sale is made hereunder.

33. Substitution of Trustee. Beneficiary hereunder may, from time to time, appoint another trustee or trustees to execute the trusts hereby created; and upon the recordation of such appointment in the Office of the County Recorder of the County where such Property is situated, the new trustee or trustees shall be vested with all the title, interest, powers, duties, and trusts in the premises hereby vested in the Trustee first above named.

34. Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums secured hereby have been paid and upon surrender to Trustee of this Deed of Trust and the Note or Notes secured hereby for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the Property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled hereto."

35. Right of Entry. The Beneficiary is authorized by itself, its agents or workmen, to enter at any time upon any part of said Property and the improvements thereon situated for the purpose of inspecting the same, and for the purpose of performing any of the acts it is authorized to perform under the terms of this Deed of Trust. Beneficiary shall reimburse Trustor for the cost of repair of any physical injury to the Property caused by Beneficiary's gross negligence or willful misconduct during the entry, inspection, and acting on the Property pursuant to this Section.

36. Default, Acceleration and Private Sale.

36.1 Notice of Default. Should breach or default be made by Trustor in payment of any indebtedness secured hereby or in performance of any obligations, covenant, promise or agreement hereunder which breach or default is not cured within and applicable cure periods set forth below, or any representation of Trustor in this Deed of Trust, or other document

referred to herein is incorrect, Beneficiary may declare all sums secured hereby immediately due and payable, and in such case, shall execute and deliver to Trustee a written declaration of default and demand for sale and written notice of default and election to cause to be sold said Property, and shall surrender to Trustee this Deed of Trust, the Note or Notes secured hereby and all documents evidencing any expenditures hereunder. Thereafter such notice of default and election to cause said Property to be sold to satisfy the obligations hereof shall be duly filed for recordation. The applicable cure periods for breach or default shall be as follows: (i) if a breach or default results from Trustor's non-payment of any sums due to Beneficiary, Trustor shall cure the breach or default within ten (10) days following receipt of notice of default from Beneficiary, and (ii) for any other default, Trustor shall cure the default within thirty (30) days following receipt of notice of default from Beneficiary; provided, that if the default cannot reasonably be cured within said thirty (30) day period, Trustor shall commence curing the default within said period and complete curing the default within the time period reasonably necessary to cure said default, not to exceed ninety (90) days, unless extended by Beneficiary in its sole discretion.

If a monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Lender shall give Trustor and each of the general and limited partners of the Trustor simultaneous written notice of such default at the addresses set forth below in the Request for Notice of Default section. Trustor shall have a period of ten (10) days after such notice is given within which to cure the default prior to exercise of remedies by Beneficiary under the Loan Documents.

If a non-monetary event of default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder Beneficiary shall give Trustor and each of the general and limited partners of the Trustor simultaneous written notice of such default at the addresses set forth below in the Request for Notice of Default section. If the default is reasonably capable of being cured within thirty (30) days, Trustor shall have such period to effect a cure prior to exercise of remedies by Beneficiary under the Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and if Trustor (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Trustor shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by Beneficiary. In no event shall Beneficiary be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given.

Beneficiary hereby agrees that any cure made or tendered by any of Trustor's limited partners shall be deemed a cure by Trustor, and shall be accepted or rejected on the same basis as if made or tendered by Trustor.

36.2 Right to Rescind. Beneficiary, from time to time before Trustee's sale, may rescind any such notice of breach or default and of election to cause to be sold said Property by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a cancellation of any prior declaration of default and demand for sale. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, and notices of breach or default, and of election to cause to be sold said Property to satisfy the obligations hereof, nor otherwise affect any provision, covenant or condition of said Note or

Notes and/or of this Deed of Trust or any of the rights, obligations, or remedies of the parties thereunder.

36.3 Private Sale. At least three (3) months having elapsed after recordation of notice of default, without demand on Trustor, said Trustee, having first given notice of sale as then required by law, shall sell said Property at the time and place of sale fixed by it in the notice of sale at public auction to the highest bidder for cash, payable at time of sale. The whole of the trust estate shall be sold in a single lot or parcel and as an entirety unless the Beneficiary shall, in writing, direct the Trustee to sell said trust estate in separate parcels and shall direct the Trustee as to the parcels into which the trust estate shall be divided for purposes of sale and the order in which said parcels shall be offered for sale. Trustor, for itself and its successors and assigns (including without limitation any subsequent or other junior creditor of any part or all of the Property), waives any right to marshalling of assets or any right to require any part of the Property to be sold prior to any other part of the Property or any right to require the Property to be sold in parcels rather than as a whole. Trustee may postpone sale of all or any portion of said Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Without further notice Trustee may make such sale at the time to which same shall be so postponed. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenant or warranty, express or implied, and the recitals in such deed or deeds of any matters or facts affecting the regularity or validity of said sale shall be conclusive (except as against the parties hereto) proof of the truthfulness thereof; also such deed or deeds shall be conclusive (except as against the parties hereto) against all persons as to all matters or facts therein recited. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

36.4 Application of Sale Proceeds. Trustee shall apply the proceeds of any such sale to payment of:

36.4.1 All costs, fees, charges and expenses of Trustee and of these trusts, reasonable fees of any attorneys employed by Trustee and/or Beneficiary pursuant to the provisions hereof, Trustee's fees in connection with sale, and all expenses of sale, including cost of procuring guarantee or evidence of title in connection with the sale proceedings and other costs associated with the Trustee's Deed;

36.4.2 All other sums then secured hereby, including indebtedness described herein, all sums advanced or expended under the terms hereof and not then repaid, the interest on each of the foregoing items, all in such manner and order of priority or preference as the Beneficiary may in its sole and absolute discretion determine;

36.4.3 The remainder, if any, to the person or persons legally entitled thereto, upon proof satisfactory to the Trustee of such right.

37. Successors and Assigns. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the owner and holder, including Pledgees, of the Note secured hereby, whether or not named as Beneficiary herein.

38. Severability. If any provision hereof should be held unenforceable or void, then such provision shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Deed of Trust.

39. Acceptance by Trustee. Trustee accepts these trusts when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

40. No Notice by Trustee. Trustee shall be under no obligation to notify any party hereto of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee shall be a party, unless brought by Trustee, or of any pending sale under any other Deed of Trust.

41. Number and Gender. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

42. Waiver of Statute of Limitations. The right to plead any and all statutes of limitations as a defense to any demand secured by this Deed of Trust is hereby waived to the full extent permissible by law.

43. Trust Irrevocable. The Trust created hereby is irrevocable by the Trustor.

44. Interpretation. The term "and/or" as used herein means one or the other or both, or any one or all, of the things or persons in connection with which the words are used. Section headings are for reference only and shall not be considered in the interpretation of this Deed of Trust.

45. Maximum Interest Rate. Notwithstanding any provision herein or in said Note, the total liability for payments in the nature of interest shall not exceed the limits now imposed by the usury laws of the State of California.

46. Request for Notice of Default. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the following address:

1901 8th Street Investors Limited Partnership

with a copy to:

Attn: _____

47. Materiality. Each and every provision, covenant, term and condition, representation and warranty herein contained is agreed to be a material provision hereof, and any breach thereof shall constitute a sufficient ground for acceleration of the due date of the indebtedness secured hereby and a sufficient ground for foreclosure in the event of failure of Trustor either to cure said breach within the time periods, if any, herein provided or to pay in full the indebtedness hereby secured.

48. Subordination to Extended Use Agreement. Notwithstanding anything to the contrary contained in this Deed of Trust or in the Loan Documents, the lien of this Deed of Trust shall at all times be subordinate to any “extended low-income housing commitment” (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) recorded against the Property in accordance with Section 42(h)(6)(E) of the Internal Revenue Code.

49. Lender Forbearance. Notwithstanding anything contained herein or in the Loan Documents to the contrary, until the later to occur of (a) the end of the Compliance Period (as defined in the Partnership Agreement) and (b) the date that the Investor Limited Partner (as defined in the Partnership Agreement) or its affiliate is no longer a partner of Trustor (the later of (a) and (b) being referred to as the “Standstill Period”), Lender will not declare a default or event of default, or commence default proceedings under any of the Loan Documents, including but not limited to accelerating the loan, collecting rents, appointing or seeking appointment of a receiver or exercising any other rights or remedies hereunder or under the Loan Documents; provided, however, that if any other Project lender declares a default and/or commences default proceedings against Borrower under its loan documents, then the Standstill Period described herein shall not apply to Lender if Borrower is also in default under the terms of this Note, and Lender shall have the right to declare a default and/or commence default proceedings under this Note (subject to any applicable subordination agreement). Lender waives no rights or remedies it may have hereunder or under the Loan Documents, but, except as allowed above, merely agrees not to enforce those rights or remedies until the end of the Standstill Period.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust as of the date first above written.

Any amount advanced by Authority to make such repairs, together with interest thereon from the date of such advance at

the same rate of interest as specified in the Note for the Project (unless payment of such an interest rate would be contrary to applicable law, in which case interest shall accrue at the rate then allowed by applicable law), shall become an additional obligation of Owner to Authority and shall be secured by the Deed of Trust.

4.4.1 Owner shall submit an annual report to Authority, which shall include at a minimum for each Regulated Unit the initial and current rental rates and the income and household size of the occupants at the time such occupants initially take occupancy. The income information required under this report shall be supplied by the tenant in a certified statement on a form provided by Authority. Owner shall complete any additional monitoring or other form provided by Authority, and shall provide Authority a copy of the annual reports submitted to the County Assessor's office.

4.4.2 Owner shall pay to Authority an annual monitoring fee of \$7,500.00 (the "Monitoring Fee") which amount shall be due and payable in advance commencing on the Effective Date and on each [May 1] thereafter.

4.5 FEES, TAXES, AND OTHER LEVIES. Without limiting its right to require the same to be reimbursed by tenants (but subject to Owner's obligation to provide tenants of Regulated Units the utility allowance referred to in Section 1.1.1.1 Owner requires reimbursement by tenants), Owner shall be responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property, and shall pay such charges prior to delinquency. However, Owner shall not be required to pay any such charge so long as (a) the legality thereof is being contested in good faith and by appropriate proceedings, and (b) Owner maintains reserves adequate to pay any contested liabilities.

4.6 INSURANCE COVERAGE. Owner shall cause to have in full force and effect during the term of this Agreement insurance coverage as required in the Deed of Trust.

4.7 PROPERTY DAMAGE OR DESTRUCTION. Subject to the terms and conditions of the Senior Deed of Trust, and subject to the availability of insurance proceeds, if any building or improvements erected by Owner on the Property is damaged or destroyed, Owner shall, at its own cost and expense, repair or restore the Property consistent with the original Plans and Specifications for the Project. Also, subject to the terms and conditions of the Senior Deed of Trust, such work shall commence within thirty (30) days, or up to one hundred eighty (180) days with written approval of Authority, after the damage or loss occurs and shall be completed within

a timely manner thereafter, as agreed to with the Authority. All insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration.

5. GENERAL PROVISIONS

5.1 RESTRICTIONS ON TRANSFER.

5.1.1 Transfer of Property. Prior to completion of the Project by Owner, Owner shall not, either voluntarily or by operation of law, sell, assign or otherwise transfer the Property, or any interest therein, without the express written consent of Authority. Any attempted sale, assignment or other transfer in violation of this Section shall constitute a material default of the terms of this Agreement. Notwithstanding, the foregoing, neither the withdrawal, removal, replacement, and/or addition of a general partner of the Owner pursuant to the terms of the Limited Partnership Agreement, nor the withdrawal, replacement, and/or addition of any of its limited partners or its limited partner's general partners or members, shall constitute a default under this Agreement, provided that any required substitute general partner is reasonably acceptable to the Authority and is selected with reasonable promptness.

5.1.2 Authority Approval. Any approvals or consents of Authority provided for herein are subject to the sole discretion of Authority, and must be in writing, and approved by the Board of Authority in the manner provided for by law, as required.

5.1.3 Request for Consent. In evaluating any request for consent or approval as contemplated herein, Authority may consider, among other factors it deems relevant, the operational and financial qualifications of any proposed assignee or transferee. If Authority approves a request for consent or approval, it may impose such conditions as it deems reasonably necessary to protect Authority's interest and the Project.

5.1.4 Assumption by Transferee. Upon any assignment or transfer approved by Authority, such approved assignee or transferee shall be required to expressly assume in writing the provisions of this Agreement in a form acceptable to Authority and its counsel.

5.2 **DEFAULT AND REMEDIES.** In the event of any breach or violation of any agreement, obligation, or warranty under this Agreement, Authority shall give written notice to Owner by specifying: (a) the nature of the breach or violation; (b) the action required to cure the breach or violation, if an action to cure is possible; and (c) a date, which shall not be less than ninety (90) calendar days from the mailing of the notice, by which such action to cure must be taken, if an action to cure is possible. Prior to exercising any remedies hereunder, Authority shall give Senior Lenders and equity investors of Owner simultaneous written notice of such default and they shall have the same cure rights as the Owner. If Owner fails to cure the breach or violation within the time frame specified in the notice, or if a cure is not possible, Authority may proceed with any of the following remedies:

5.2.1 Bring an action for equitable relief seeking the specific performance by Owner of the terms and conditions of this Agreement, and/or enjoining, abating, or preventing any violation of said terms and conditions, and/or seeking declaratory relief;

5.2.2 Enter upon, take possession of, and manage the Property, either in person, by agent, or by a receiver appointed by a court, and collect any rents, income, deposits, or reserves and apply them to operate the Property, and continue in possession until such time

as Authority determines that Owner is in a position to operate the Property in compliance with this Agreement;

5.2.3 After notice provided for herein, make such repairs or replacements to the Property as are necessary and provide for payment thereof; or

5.2.4 For violations of Owner's obligations with respect to occupancy restrictions, Project maintenance, impose as liquidated damages a charge upon Owner in an amount of five hundred dollars (\$500) per day for each Project unit that is not operated in compliance with this Agreement; or

5.2.5 For violations of Owner's obligations with respect to Project rents, impose as liquidated damages a charge upon Owner in an amount equal to three times the actual amount Owner has collected from any Qualified Household in excess of the Affordable Rent; or

5.2.6 Pursue any other remedy allowed at law or in equity.

The Parties agree that the sums and formulas designated herein as liquidated damages represent a reasonable approximation of the damages Authority is likely to suffer from violations of the respective terms. Owner agrees to pay in full any accrued liquidated damages to Authority within thirty (30) business days of a written demand by Authority for such payment.

5.3 **NON-LIABILITY OF OFFICIALS, EMPLOYEES, AND AGENTS.** No member, official, director, employee, or agent of Authority shall be personally liable to Owner or third-party beneficiaries for any obligation created under the terms of this Agreement.

5.4 **INDEMNITY.** Notwithstanding the insurance coverage required herein, Owner shall indemnify and hold Authority, its members, officials, directors, employees, and agents harmless against any losses, damages, liabilities, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorneys' fees) which Authority may incur as a result of (a) Owner's failure to reasonably perform any material obligations as required by this Agreement; (b) a failure of any of Owner's representations or warranties under this Agreement to be true and complete in any material respect; or (c) any material breach, act or omission by Owner, management agent, Owner's contractors, subcontractors, or suppliers with respect to the Project or the Property, except if the loss is caused by the sole negligence or willful misconduct of Authority. Owner shall pay immediately upon Authority's demand any amounts owing under this indemnity. The duty of the Owner to indemnify includes the duty to defend Authority in any court action, administrative action, or other proceeding brought by any third party arising from the Project or the Property. Owner's duty to indemnify Authority shall survive the term of this Agreement.

5.5 **GOVERNING LAW.** This Agreement shall be interpreted under and governed by the laws of the State of California, except for those provisions preempted by federal law. However, the laws of the State of California shall not be applied to the extent that they would require or allow the court to use the laws of another state or jurisdiction. Owner agrees that all actions or proceedings arising in connection with this Agreement shall be tried and litigated only in the state and federal courts located in the State of California, except that Lender, in its sole discretion, may elect that all such actions or proceedings be tried and litigated in the County of Sacramento or the United States District Court for the Eastern District of California.

5.6 **ATTORNEYS' FEES AND COSTS.** In the event that a legal or administrative action is brought to interpret or enforce the terms of this Agreement, the prevailing party shall be entitled to recover all reasonable attorneys' fees and costs incurred in such action.

5.7 **TIME.** Time is of the essence in this Agreement.

5.8 **CONSENTS AND APPROVALS.** Unless otherwise stated to the contrary herein, any consent or approval required under this Agreement shall not be unreasonably withheld.

5.9 **NOTICES, DEMANDS, AND COMMUNICATIONS.** Formal notices, demands, and communications between Owner and Authority shall be given by registered or certified mail, postage prepaid, return receipt requested, or delivered personally, to the principal offices of Owner and Authority as follows, or if any such office is relocated, to the new address specified by the relocated party:

5.10 **BINDING UPON SUCCESSORS.** Except as set forth in the Subordination Agreement, all provisions of this Agreement shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of Owner and Authority, and shall run with the land for the full term of this Agreement, regardless of any assignment, payment, prepayment, expiration, extinguishment of the Loan or Note, any reconveyance of the Deed of Trust, or any conveyance or transfer of the Property. Any successor-in-interest to Owner and any purchaser or transferee of the Property shall be subject to all the duties and obligations imposed on Owner under this Agreement for the full term of this Agreement.

5.11 **RELATIONSHIP OF PARTIES.** The relationship of Owner and Authority for this Project during the term of this Agreement shall not be construed as a joint venture, equity venture, or partnership. Authority neither undertakes nor assumes any responsibility or duty to Owner or to any third party with respect to the operation of the Property or the actions of Owner.

Except as Authority may specify in writing, Owner shall have no authority to act as an agent of Authority or to bind Authority to any obligation.

5.12 **WAIVER.** Any waiver by Authority of any obligation in this Agreement must be in writing. No waiver will be implied from any delay or failure by Authority to act on any breach or default of Owner or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to Owner to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by Authority to any act or omission by Owner shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for Authority's written consent to future waivers.

5.13 **OTHER AGREEMENTS.** Owner represents that it has not entered into any agreements that would restrict or compromise its ability to comply with the terms of this Agreement. Owner shall not enter into any agreements that are inconsistent with the terms of this Agreement without a written waiver by Authority, which shall not be unreasonably withheld.

5.14 **AMENDMENTS AND MODIFICATIONS.** Any amendments or modifications to this Agreement must be in writing, and shall be effective only if executed by both Owner and Authority.

5.15 **SEVERABILITY.** Every provision of this Agreement is intended to be severable. If any provision of this Agreement is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date first above written.
